May Embroidery Sale

as great as our last week's suit sale

The choicest collection of rare embroideries, beautiful embroidered robes, elegant corset covers and dainty laces ever brought to this store some nearly half, some exactly half and some.

less than half actual values

It's an unusual event with us, but we had an opportunity to purchase this marvelous stock of embroideries at way below market price, we made a cash offer and got the goods, the purchase was unusually large, the stock is the very newest, designed for spring and summer 1908 and the qualities are superb—every piece critically examined to insure perfection and exclusiveness of design.

Just when such things are most wanted too—the graduation dress must now be made. Confirmation is at hand, for which these are especially beautiful.

Choose from hundreds of pieces of rarest all-overs, edges, insertions, flounces, corset covers, laces and beadings as well as dozens of rich, elegant embroidery robes, at less than half what you'll pay elsewhere—Read a few of the numbers—they'll show what it means to you to buy embroideries this week.

Embroidered robes—very elegant made of wide flouncing all-over embroidery, embroidery insertion and val. Splendid values at \$25.00, \$27.50 and \$30.00—Choice \$14.75

Black silks irresistibly priced

It's our greatest black silk Sale—begins Monday.

Another Walker event of primary importance in the minds of Salt Lake women—standing head and shoulders above any black silk sale you've seen advertised this spring.

Thousands of yards representing as many dollars worth of the finest products of the world's greatest silk looms.

Silks of royal lustre—silks of richest texture, silks of choicest variety, silks of superb weight, in short the best black silks money can buy at the lowest prices ever quoted.

Black silks, always the leaders in silkdom, always correct, never out of style, always right for gowns, for coats, for separate skirts, for petticoats, for any purpose to which silks can be put—and these are the cream of the world's out-put, selected carefully by most critical experts—

Read every one of the twenty-five remarkable offers, we've arranged for your selecting, Monday—each one reveals a great saving, each one worthy of individual description, but we just mention them—come and examine them for yourself—close inspection will make them even more attractive—
