THE FOLLOWING STATEMENT made
by the First purchasers of FLORENCE
SEWING MACHINES on the Pacific Coast,
including ALL who bought in 1863, whose pre-
sent residence is known, is conclusive evidence
of the great superiority and unrivaled excel-
lence of the FLORENCE, and is the best testi-
monial ever given in favor of any Sewing
Machine.

Statement made May, 1870:
"Our machines sew as well now, and are as
good for use in every respect, as they were
when purchased nearly seven years ago, and
they have never cost us anything for repairs.
We recommend the Florence as being, without
exception, the very best, most reliable
and least complicated Sewing Machine in
use." (Signed)
