LOCAL AND OTHER MATTERS.

THERMOMETER 70 degrees F. in the shade, at 1 p.m. to-day. Fine day.

FAREWELL BENEFIT.—Miss Jean Clara Walters takes her farewell benefit at the Theatre to-night, and presents a splendid bill for the occasion, consisting of the famous protean drama, "The Three Fast Young Men," in which the beneficiare will assume the quintuple role of "Maggy Fairlove," "Katarina," "Bob Rover," "Monsieur Fitsfoozle" and "Signorina Banjorina." Other characters by Misses Kent, Simons and Jones, and Messrs. Graham, Dudley Thompson, Maiben, and Wilton, &c., During the performance a female minstrel scene will be introduced, in which there will be a chorus by the company, piano solo by Miss Frankie Walters, duets and solos by the Misses Clawson, Simons, Walters and Davis, and "Way Down in Maine," by Miss J. C. Walters, closing with a "Walk Around" by the company. During the evening Mr. J. C. Dillon will appear in an Irish song and dance, and Messrs. Sutton and Reamer in "An Evening in China."

The attractions are numerous, the beneficiare is a talented and favorite actress and as it is her farewell benefit, her numerous friends can hardly do less than show their appreciation by giving her a bumper.

THE TESTIMONIAL CONCERT.—There was a tolerably large and very appreciative audience at the Haydon testimonial concert last night, and the performance was of a most excellent character, Mrs. Haydon's fine singing being the principal attraction of the evening. Miss Lizzie Murphy, who had two encores, Mrs. Waterbury, Mr. Cutting, and in fact nearly all who took part acquitted themselves well. The affair was in every way a success.

THOROUGHBRED STALLION.—Parties desirous of improving their breed of horses might find it advantageous to visit the stables of Willard and Jackson of this city, where they will find Mr. Rigby with his thoroughbred stallion "Warracer," just imported from Kentucky. He is nine years old next June, 16 hands and 3 inches high, has taken premiums at several fairs in Kentucky, is a descendant of the famous English horse, "Sir Peter Teasle," is good for either wagon or buggy, and his owner asserts that for all the qualities which go to make up a first-class animal, gentleness included, he is without a rival. Go and judge for yourselves.

FOR WEAK EYESIGHT.—Here is an answer to the gentleman troubled with weak eyesight, who inquired, through the NEWS, for information concerning the best mode of treatment:

SALT LAKE CITY, April 18, 1873.

Editor Deseret News:

The gentleman who "wanted relief" for his eyesight, has weak eyes, and is not near-sighted—so his writing indicates. He should select spectacles (with convex glasses of course) that will allow perfect reading of common print at from ten to twelve inches distance from the eyes, and he should not expose his eyes to the sun or lamplight. He should use the spectacles all the time, except when asleep.

C. L. ERICZON.

PERSONAL.—We had a call to-day from H. C. Bradley, Esq., representing the Chicago Silver Smelting and Refining Co., the works of which are at South Lynne, and the office at 107 W. Randolph St., Chicago.

APPARENT NEGLIGENCE.—Mr. Thomas G. Lewis, of this city, inquired at this office if we knew whether anything serious was the matter with the post office department of this city. He said his reason for asking the question was that he recently called four times, in as many successive days, at the post office, and asked for a letter, which he knew had been mailed to him and was due, and was each time told there was nothing for him. On the day of the fourth call the letter appeared in the published list. He called again next day and was told the letter was not there, and that somebody must have called and got it. He called again the following day with the same result: The third day after it was advertised Mr. Lewis got his letter, and on inquiring as to "how and why such things were," he was told that the letter must have been overlooked. "Overlooked" seems to be made to cover a good deal of ground, but it comes with a very bad grace, especially when frequently used, from those who are the servants of the public.

COMPLIMENTARY BENEFIT.—A paper numerously signed by leading citizens has been presented to that excellent and popular comedian, Mr. John C. Graham, tendering a complimentary benefit to him, to come off some time previous to his departure for Europe.

In addition to this Mr. Graham has received a note, to which are appended the signatures of all the attaches of the Theatre—actors, musicians, carpenters, supernumeraries, &c., tendering him their services free on the night when the benefit will come off.

This is a tribute of good feeling towards and appreciation of Mr. Graham that he has reason to be proud of, and it is exceedingly probable that when the affair takes place he will be greeted by a crowded audience.

PREACHING.—It is expected that Elder George Q. Cannon will preach at the Tenth Ward school-house on Sunday evening.

MEETING OF HOME MISSIONARIES.—A meeting of the Salt Lake County Home Missionaries was held in the west wing of the Fourteenth Ward Assembly Rooms yesterday afternoon, commencing at 1 o'clock. The meeting was presided over by Apostles Orson Pratt and John Taylor, besides whom Elders Lorenzo D. Young and Reuben Miller and nearly all of the Home Missionaries of this county were present, also Elders A. Call and other Missionaries of Davis County, who had been invited to attend.

Excellent instructions were given by Elders Orson Pratt, John Taylor and L. D. Young, with regard to the nature and duties of the missionaries, and several resolutions were adopted relating to the future method of proceeding with the labors of the latter.

A resolution was passed, expressive of approbation of the way in which operations had been conducted during the past year, Elders L. D. Young and Reuben Miller, with the assistance of Elder R. F. Neslen, as Secretary, having made the appointments, which had been generally promptly filled by the Elders. It was also resolved that the Home Missionary operations of the county continue under the direction of Elders L. D. Young and R. Miller, the whole under the supervision of Elders Orson Pratt and John Taylor.

It was resolved that the Presidency of the Salt Lake Home Mission consult with Elder Call, of Davis County, with regard to occasionally combining the labors of the missionaries of the two counties, when deemed advisable.

The following is the complete list of this quorum of Home Missionaries, of Salt Lake County:

Orson Pratt, John Taylor, L. D. Young, R. Miller, R. F. Neslen, John Van Cott, Milo Andrus, Isaac Groo, W. G. Young, David Candland, S. A. Woolley, N. H. Felt, J. P. Freeze, G. G. Bywater, A. Smith, Thomas Taylor, George Teasdale, John Nicholson, H. W. Naisbitt, George Swan, S. W. Sears, David McKenzie, John Needham, Charles R. Savage.

The meeting was opened and closed with prayer.

MESSAGES AT DESERET Telegraph office for Mrs. Jane Harding, W. McBride, R. Jerome and Joel Parrish.

EASTERN NOTES.

Mrs. Isabella Beecher Hooker, a sister of Henry Ward Beecher, has turned Universalist, and preached in the Universalist Church at Bridgeport, Connecticut.

The St. Louis *Times*, of the 29th March says: "President Grant was beaten in a thirty-five dollar suit before Justice Cunningham, yesterday. The proceedings grew out of a claim for milk sold by his agent to a dealer in this city."

Miss Beedy, of St. Louis, is now one of the shining lights among the refined women of the world. She is the English correspondent of the St. Louis *Republican*, and several other leading papers in America; and where she has lectured in the British Empire has gained golden eulogies.

We propose to select our Organist; are willing to accord the same privilege to the contestant, and therefore shall not object to any Organist in America performing on the Estey, not excepting Mr. Estey himself.
Judges, selected in equal numbers by ourselves and the contestant, and an Umpire to be agreed upon by both parties shall decide upon the merits of the Organs.
We would suggest the Music Hall, 14th Ward, as a central, convenient place in which to have the Organs tested.

THIS IS THE
MEDICINE OF NATURE.
HE WHO CURES IS THE BEST PHYSICIAN.
PLANT'S
HERBAL MEDICINE STORES,
10th Ward.—E. L. PLANT.

Composition Essence.
"Composition" is extensively used and much valued in Colds, Influenza, Pains in the Stomach and Bowels, Bowel Complaints, Cold Feet, Cold Sweats, &c., &c. As a general remedy it is a sure preventive of Colds, if taken freely; and the best substitute for all stimulants used by parties exposed to cold weather. By many it is used as a substitute for tea and coffee, and instead of brandy or such liquors after dinner or supper, who find it much better than those stimulants, and without any of the bad effects intoxicating drinks produce.
The "Essence" makes a much more agreeable tea than the "Powder"—agrees better with the stomach, does not require boiling water, is made ready at once, and will keep any length of time. Families will do well to keep so useful a remedy by them for a time of need. Prepared and sold only by E. L. PLANT.

Pulmonary Lozenges.
Nothing that has yet been discovered can be compared with these Lozenges in their beneficial action upon all diseases of the respiratory organs; so simple, that they may be administered with the most perfect safety to the youngest children, yet sufficiently strong to arrest the progress of many of the most formidable pulmonary complaints, whether cough, croup, hooping cough, pneumonia, pleurisy, asthma, difficulty of breathing, and that hell diease, Consumption, of which over 80,000 die annually in England.—10, 25 and 50 cts. per package.
Plant's Waterdock and Bilious Pills.
As a remedy for loss of appetite, dizziness, sick headache, giddiness, acid eructations, costiveness, sour stomach, heartburn, waterbrash, oppression after eating, depression of the mind, and all the distressing symptoms dependent upon indigestion, they surpass any remedy ever before presented to the public.
Plant's Tick & Tooth-ache
