THE MOST SUCCESSFUL REMEDY ever discovered, as it is certain in its effects and does not blister. Also excellent for human flesh. Read proof below.

FROM

COL. L. T. FOSTER,

YOUNGSTOWN, Ohio, May 10th, 1880.

DR. B. J. KENDALL & CO., Gents:—I had a very valuable Hambletonian colt that I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the *Chicago Express*. I determined at once to try it and got our druggists here to send for it, they ordered three bottles; I took them all and thought I would give it a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in the stable. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles who are now using it. Very respectfully,

L. T. FOSTER.

Kendall's Spavin Cure

Is sure in its effects, mild in its actions as it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bony growth or other enlargements, such as spavins, splints, curbs, ringbones, callous, swellings and any lameness and all enlargements of the joints or limbs, or for rheumatism in man or for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mildly and yet certainly in its effects.

Send address for illustrated circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price $1. per bottle, or six bottles for $5. All Druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors, DR. B. J. KENDALL & CO., Enosburgh Falls, Vt.

THE OGDEN MANDAMUS.

ANSWER OF JUDGE F. D. RICHARDS, ALSO THE DEMURRER.

FOLLOWING are the answer and demurrer of Judge F. D. Richards in the Mandamus case before Judge P. H. Emerson, at Ogden, on the 10th inst:

ANSWER.

In the District Court in and for the First Judicial District of the Territory of Utah, County of Weber.

James N. Kimball, Plaintiff,
vs.
Franklin D. Richards, Defendant.

The defendant answers herein, and on his information and belief denies that on the sixteenth day of September, A. D., 1882, or at any other time, Eli H. Murray, Governor of the Territory of Utah, duly or legally appointed the Plaintiff to the office of Probate Judge in and for the County of Weber, Territory of Utah, for the term of eight months, or for any term, or that said office was then or is now vacant.

And the Defendant on information and belief alleges that said Plaintiff has not at any time qualified [as required by law for said office, that he has not at any time presented for approval to, or had approved by, or filed with, the County Treasurer of said County of Weber, any official bond as Probate Judge, or any oath of office attached to an official bond, and the said County Treasurer has not acted upon, or refused or consented to approve any such official bond. And the Defendant denies that said County Treasurer returned to his home or office on the 28th day of September A, D., 1882. but on the contrary alleges that he was temporarily absent from his home and office, and did not return thereto until the 29th day of September, 1882.

The Defendant alleges that since the 30th day of June 1862, he has not at any time or place married or entered into any marriage relations with any woman; and the Defendant on his information and belief denies that on the first Monday in August, A. D., 1882, or at anyother time he was, or now is, a polygamist within the purview of any law of the United States or of the Territory of Utah. And the Defendant denies that the term for which he was elected Probate Judge in August, 1880, commenced on the first Monday of August, 1880.

And the defendant alleges that in August, 1878, he was elected to said office of Probate Judge for two years, and until his successor should be elected and qualified, and that at the election held on the first Monday in August 1880, he was again elected to said office for two years and until his successor should be duly elected and qualified, and at the time of his election in August, 1880, he was holding, and until his qualification and commission under the last named election he continued to hold under his prior term. That prior to the month of August, 1878, he was a male citizen of the United States, over the age of 21 years, and a taxpayer in said county and had constantly resided in the Territory of Utah, and in said County of Weber more than one year, and has ever since constantly resided in said County and Territory, and has been a tax-payer in said County. That after his election to said office in August, 1880, and after he had qualified for said office by making and filing the official bond and oath required by law, the Governor of said Territory issued and caused to be delivered to defendant a commission as follows:

"The United States of America,
Territory of Utah.

To all who shall see these presents greeting:

Know ye that whereas, F. D. Richards was, on the second day of August, A. D. 1880, duly elected a Probate Judge in and for Weber County, and he having duly qualified as such, as appears by the proper evidence on file in the office of the Secretary of the Territory. Therefore, I, Eli H. Murray, Governor of said Territory do hereby commission him a Judge of Probate and authorize and empower him to discharge the duties of said office according to law, and enjoy the rights and emoluments thereto legally appertaining, for the term prescribed by law, and until his successor shall be elected and qualified to office.

In testimony whereof, I have hereunto set my hand and caused the Great Seal of said Territory to be affixed. Done at Salt Lake City, this first day of September, A. D. 1880, and of the Independence of the United States the one hundred and fifth.

[SEAL.] ELI H. MURRAY, Governor.

By the Governor:
ARTHUR L. THOMAS,
Sec'y of Utah Territory.

That after receiving said commission the defendant, on or about the tenth day of September, 1880, entered into and upon the discharge of the duties of said office and term, by virtue of said election, qualification and commission, and has ever since held and now holds the said office, and has not resigned or in any way vacated the same, and as he is informed and believes his official term has not expired, and said office has not become vacant by reason of a failure to elect his successor on the first Monday in August 1882, or otherwise, that no legal successor to said office has been or could be appointed, and that the pretended commission mentioned in plaintiff's affidavit confers on him no legal title to said office. That by virtue of said office and in accordance with his duties, the defendant holds and retains the custody of the books, records, and all property pertaining thereto, and not otherwise, and he denies that plaintiff ever was or now is entitled to the custody of the same.

And the defendant alleges that by the laws of Utah Territory no election can be held for a successor to defendant in said office until the first Monday in August, 1884, and that the defendant's said office and the franchise thereof are worth more than one thousand dollars, and the income thereof for said term is more than one thousand dollars.

And the defendant denies that the plaintiff has no plain, speedy, or adequate remedy at law for the wrongs alleged by him and supposed.

Wherefore defendant prays to be dismissed hence with his costs herein expended.

R. K. WILLIAMS,
Attorneys for Defendant.

Territory of Utah, } ss.

Franklin D. Richards being duly sworn says that he is the defendant in the above entitled action; that he has heard read the foregoing answer and knows the contents thereof, and that the same is true of his own knowledge, except as to the matters which are therein stated on his information or belief, and as to those matters that he believes it to be true.

FRANKLIN D. RICHARDS.

DEMURRER.

In the District Court for the First Judicial District of the Territory of Utah, County of Weber.

James N. Kimball, Plaintiff,
vs.
Franklin D. Richards, Defendant.

And now comes the said defendant, Franklin D. Richards, and demurs to the affidavit of said James N. Kimball, upon which the alternative writ herein is based, and demurs to and also moves to quash said alternative writ on the following grounds:

1. The court has no jurisdiction to hear or determine the subject matter in controversy on proceedings for a writ of mandate.

2. Proceedings for a writ of mandate are not a lawful method of trying defendant's title to the office in question.

3. Neither the affidavit of the relator, nor the alternative writ herein, states facts sufficient to constitute a cause of action against the defendant for a writ of mandate or any judgment or relief. Dated Oct. 9, 1882.

F. S. RICHARDS and
R. K. WILLIAMS,
Attorneys for Defendant.

Territory of Utah, } ss
Salt Lake County, }

Franklin S. Richards, being duly sworn, says that he is one of the attorneys for the defendant in this action, and that the foregoing demurrer of the defendant is not interposed for delay merely.

This standard article is compounded with the greatest care.

Its effects are as wonderful and satisfactory as ever.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff; and the scalp, by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

As a dressing nothing has been found so effectual, or desirable.

Dr. A. A. Hayes, State Assayer of Massachusetts, says of it: "I consider it the best preparation for its intended purposes."

BUCKINGHAM'S DYE,
For the Whiskers.

This elegant preparation may be relied on to change the color of the beard from gray or any other undesirable shade, to brown or black, at discretion. It is easily applied, being in one preparation, and quickly and effectually produces a permanent color which will neither rub nor wash off.

THE CASE
AGITATOR
Ahead of all Other Competitors!

SALT LAKE CITY, August 12th, 1882.

J. W. Lowell, Esq.,

Dear Sir.—The J. I. Case Agitator we bought of you last season is the best machine we ever saw or used; it will thresh more grain and thresh it better and cleaner than any other machine we have ever seen, and we can confidently recommend it to any persons wishing to purchase a good Thresher.

Yours, etc.,
G. W. LUFKIN,
W. A. BARRON.

ASHLEY'S FORK,
UINTAH CO., Feb. 26th, 1882.

John W. Lowell,

Dear Sir.—The Agitato Separator and Woodbury Power that we bought of you, we can truly say give entire satisfaction. It beats anything that we ever saw to thresh and clean. We have run seven different kinds of machines, but this is the champion. The cleaning and the separating are perfect. We have not had a man find fault with it yet, and we believe that the people here will testify to our statement as being the truth. It comes as near being perfect as it is possible for a machine to be. We cannot tell you upon paper all its superior qualities or how much we think of it, but can say this, that could we not get another like it, no money would buy it.

Yours truly,
GEORGE BROWN,
S. J. CAMPBELL,
WM. P. REYNOLDS,
ROBERT BODILY.

CEDAR CITY, Sep. 23rd, 1881.

John W. Lowell,

Dear Sir.—Our machine, Agitator, is doing excellent work. Cleans the best and threshes faster than any Thresher we ever saw.

We remain,
CORRY & HUNTER.

LEHI, Utah County, February 7th, 1882.

To John W. Lowell, Esq.,

Dear Sir.—As our opinions have often been asked about the merits of the Agitator Threshing Machine we purchased from you last fall, we take pleasure in sending you the following as our experience with it. To answer the numerous inquiries, and perhaps others who would like to know, we recommend the following points of superiority over all other machines we are acquainted with—

1st.—Lightness of draft. Our team of five span of average native horses and mules, being fully equal to the work, and without crowding or hurrying them, they gave us all the speed and power we needed.

2nd.—Thorough threshing and cleaning, and that *without extra effort* on our part; such a thing as the sieves being crowded or clogged, or requiring the attendance of one person at the tail end of machine having never occurred or been needed.

3rd.—Lightness of wear. After having threshed 18000 bushels of grain, lucern seed, etc., the general wear on the machine being scarcely perceptible.

4th.—Lightness of running expenses. By comparing notes with our friends of other machines, we find ours have not exceeded half of theirs.

We also consider the capacity for threshing in quantity, superior to other makes of machines. Although the farms here are small, necessitating a great deal of moving, and often to distant points, yet we threshed as high as 800 bushels per day.

We also consider the Straw Stacker, End Shake, Elevator principle and many other points are *all* worthy of notice and examination of any and all persons who may contemplate purchasing a machine.

A. J. EVANS,
M. T. WOODHOUSE,
H. M. ROYAL,
M. B. BUSHMAN.

I have helped wear out four machines of other kinds, and I heartily endorse all of the foregoing points.

A. D. RHODES, Jr.

CEDAR CITY, March 18th, 1882.

Mr. J. W. Lowell.

We bought one of the J. I. Case 32 inch Agitator Threshers last year and consider it by far the best Thresher ever brought to this country. It runs very light, saves all the grain and is a very durable machine. We threshed grain at the rate 2½ bushels per minute.

Yours, etc.,
CORRY & HUNTER.
