CHICAGO'S UNCOLLECTED TAXES.

In Ten Years She Has Lost Nearly

Six Million Dollars.

Chicago, Oct. 29 .- In ten years the

city of Chicago has lost \$5,610,000 in

uncollected taxes. A report showing

this and declaring the tax assessing

thorities have made a practice of ac

are, took a higher aim, and sought to oduce a novel that would rank with he best models of realistic fiction. He rought within the range of his story uropean history, an acquaintance th continental languages and courtly

tiquette; and for variety of romantic atterest, he connected these with the wild and dangerous experiences of bor-der life in the new world. He chose for his title, "Les Coureurs des Bois; ou Les Chercheurs d'Or," This has been rendered "The Wood Pangers, or the Gold-Scekers." It

as published in Paris, in 1850, two ears after the close of the war. The story begins with a smuggling adventure on the Basque coast of Spain, a generation before. Then the scene shifts to Mexico-to the least known regions of Mexico, in the far north, the great stretch of desert land which separated civilized Mexico desert from the Untied States. The plot of the novel centers in the secret knowledge of a "golden valley" n the arid wilds of old Sonora, where old in fabulous quantities could be cooped up from the surface of the ground. The secret of the location of ose.

his golden valley is handed down as a orleeless legacy. It costs men their strip of desert without e ives. Bellemare aimed to be realistic.

ceived by an incorrect map when they made the treaty of 1848. It was de-termined to apply to Mexico for a fur-ther cession of the utterly worthless land. How much would be required to insure the inclusion of the golden valley no one knew; but to be safe, a stri nearly as large as the state of Illi nois was to be asked for. The ignorant Mexicans, knowing nothing of the gold-en valley, would, of course, sell the land cheap, as it was worthless for man or beast.

But the crafty Mexicans were not slow to perceive the real anxiety and determination of the American minis-They had traded off a desolate Pacific coast, only to find within a few months later that it was a gold field of priceless value. They would not be so foolish a second time. Ten millions of dollars, in 1853, was an incredible sum. Yet the Mexicans would not abate one daigt of it on any account. The pretext of a misunderstanding-of in incorrect map, used at the treaty of Guadalupe Hidalgo-was urged in a nenacing manner, but all to no pur

In its sober senses no government would hve paid such a price for a strip of desert without even stragetic

Chamberlain and Milner at Outs.

New York, Oct. 29.-Rumor mongers are seeking to stir up strife between Colonial Secretary Chamberlain and ford Milner, high commissioner to Scuth Africa, cables the London correspondent of the Trbiune. Many stor-ies are current respecting disagree-ments and there are emphatic asser-tions that Lord Milner will submit with bad grace to the official visit of the sec-rotary to the colonies. All gossip of this kind is, declares the correspondent, unfounded and malicious.

South Africans here are confident that circumlocution and red tape will be dispensed with, and the settlement of countless matters of detail will ce facilitated by the colonial secretary's visit.

Countess Schimmelmann Sells Dove.

New York, Oct. 29.-Countess Adeline Schimmelmann has sold her mission yacht, the Duen, or Dove, which has him idle for some time in a Brooklyn yacht basin. The noted vessel will be

yacht basin. The noted vessel will be rebuilt into a houseboat. Countess Schimmelmann purchased the Duen from Prince Waldemar of Denmark in 1895. After becoming the property of the countess the yacht, in 1897, visited 58 ports in Germany, Den-mark, England, Sweden and Italy, dis-tributing tracts. She also visited 652 ributs on the sema mission

with a crew of eight men the Duen reached the great lakes and cruised there in 1898 with the owner on board. For some time the boat lay at Chicago and while there 24,000 meals were served on board to the poor of the city.

To Eradicate Granulated Eyelids.

New York, Oct. 29.—Dr. Ernest Lederle, president of the health depart-ment, has called a meeting of house physicians in all hospitals and dispen-saries to formulate plans for the eradi-cation of trachoma, a disease of the eye, commonly known as "granulated elelids." Dr. Lederle states that 18 per-cent of the school children in all the boroughs have trachoma and that 10 per cent had been immediately operated on to save their sight.

Porto Rican Registration Finished.

New York, Oct. 29 .- Registration for elections in Porto Rico was finished on Tuesday, cables the San Juan correspondent of the Herald. In spite of the strictest precautions, serious riots took place in a few towns. Five polles-men and several citizens were killed in San Lorenzo.
