AMERICAN MINING CONGRESS CLOSED

John Dern of Utah Was Elected a Member of the Board of Directors.

JUGGE RICHARDS IS PRESIDENT.

Selection of Denver as Permanent Headquarters Confirmed Without A Dissenting Voice,

Portland, Or., Aug. 27 .- The seventh annual session of the American Mining, congress was closed at noon today. The following directors were elected for the ensuing year: J. H. Richards, Idaho; Thomas Ewing, California; E. R. Buckley, Missourl; A. W. Gifford, Texas; John Dern, Utah; William Lennox, Colorado; J. Frank Watson, Oregon; J. T. Cornforth, Alaska, and George E. Dorsey, Nebraska. Their nomination by the committee

apponited for that purpose was re-ported back to the convention by Presiported back to the convention by Preat-dent Richards, to whom it had been handed, and on motion of H. S. Joseph of Utah, seconded by James F. Call-breath, Jr., of Colorado, the secretary was ordered to cast the ballot of the congress for the nominees named, which was done. The vote was taken stand-

ing and was unanimous. No recommendations as to the president and secretary for the ensuing year were made to the new board of direc-tors by the congress, but the board met tors by the congress, but the board met immediately after adjournment to elect these officers. Judge J. H. Richards of Idaho was elected president; Col. Thomas Ewing of San Francisco, first vice president; Dr. E. R. Buckley of Rolla, Mo. second vice president, and A. W. Gifford of El Paso, Tex., third vice president. James Calibreath, Jr., vice president. James Calibreath, Jr., of Denver, was appointed acting sec-refary. The treasurer of the Amerirefary. The treasurer of the Ameri-can Mining congress will probably be haved Montat, president of the Denver First National bank.

First National bank. At the meeting of the beard of di-rectors the action of the congress in selecting Denver as the permanent headquarters of the American Mining congress and El Paso, Tex., its next meeting place, was confirmed without

responsibility in case of trouble. Rocchigiani, the photographer who was arrested Aug. 17 on suspicion of being concerned in the theft, issued an illustrated post card of the famous relic, which caused suspicion to fall upon him. It has now been discovered that the illustration on the post card is not a reproduction of any photograph taken before the theft of the cope. Consequently Rocchigiani will be or-dered to prove how he obtained the photograph from which the reproduc-tions were made. During the search of Rocchigiani the dissenting vote. Today's session was devoted to routine business, concluding the work of acting upon resolutions reported back by the committee and various members

by the committee and various members of the assembly were heard in short addresses on various toples. A general resolution of thanks was extended to those who had participated in making the session a success. The centiment echoed from former resolu-tions thanking the administration at Washington for its interest in develop-ment of the mining industry, as indicat-ed by sending revenment officials to the congress, was included. A memorial resolution upon the death of John T. Grayson of Portland, third vice presi-dent of the congress, was adopted. In-vitations were received from Spokane and Granite Pass, Or., for the delegates and Granite Pass, Or., for the delegates visit those points.

President Richards, in the course of a address, assured the congress that the organization had reached the point is its history where it passes from the uncertainty of delegate representation, of which it originally consisted, to a membership organization and adopts of hugi

Columbus, Ohio, May 20, Six years ago I had a severe attack of Inflammatory Rheumatism. I was laid up in bed for six months, and the doctors] had did me no good. They changed med-icines every week and nothing they pre-scribed seemed to help me. Finally I be-gan the use of S.S. S. My knee and elbow joints were swollen terribly, and at one ime my joints were so swollen and painful that I could not close them when opened. I was so bad that I could not move knee or foot. I was getting discouraged, you may be sure, when I began S. S. S., but as I saw it was helping me I continued it, and to-day I am a sound well man and have never had a return of the disease. S. S.
