Francisco Bulletin, concerning the alleged purpose of Curtin and his friends to take revenge upon southern claimants of seats in Congress for the posing of southern demo-crats to Curtin's admission in the hast Congress. Curtin says he has no such purpose, and emphatically denies that he has even thought of voting on such cases in any spirit of revenge or otherwise then upon their merits. His personal demo-cratic colleagues say there has never been any conference among them on the subject, and they not only do not know of any such project, but would not join in such if it were proposed. They also emphatically assert that so far from it being the case, Gov. Curtin has been received in the House of Representatives with the greatest kindness, both by democrats and republicans.

The Canal Kasson will be chairman of the Chermometrician Inter-Ocean Canal committee, which will surely be authorized by the resolution now pending. It is believed it will be one of the leading committees in the House, because the Tehauntepee Chicago & North-Western

The Nicaragua Canal people have not abandoned their project, however, and the Canal will be one of the live topics soon after the work of the session begins.
