Last Night's Dispatches.

EASTERN

Meetings of Directors—Increase of Customs.

NEW YORK, 25.—The Directors of the Panama Railroad met this p.m., and authorized the President, Mr. Park, to enter into a new tariff arrangement with the Pacific Mail Co., and also to extend the loan of the latter Co., which falls due on Saturday.

The Western Union Directors met to-day and only transacted routine business.

The daily increase in the customs shows the preparation of importers for the fall trade, which is expected to be active in September.

Various.

Judge Shipman, of the U. S. Circuit Court, to-day, confirmed the recent sale of the property and franchises of the Northern Pacific Railroad Company, and their purchase by a committee representing the bondholders; the Company will now be reorganized by the issue of preferred stock to the holders of bonds.

A temporary injunction was granted to-day, on the application of Sheridan P. Shook and A. M. Palmer, of the Union Square Theatre, and Ernest Blum, author of the play of Rose Michel, by Judge Freedman, of the Superior Court, against Augustin Daly, of the Fifth Avenue Theatre, to prevent the production of the above named play; the order is returnable September sixth.

Joseph Loader, upholsterer, who libelled the Rev. Henry Ward Beecher, was, to-day, admitted to bail in $2,500.

Notices of trial were filed with the clerk of the City Court in Brooklyn, in the suits of Theodore Tilton *versus* Henry Ward Beecher, Tilton *versus* Thomas Kinsella, and Tilton *versus* the Brooklyn *Eagle*, by the attorneys for the plaintiff.

The Commissioners of Charities, at Flatbush, Long Island, to-day, rendered a decision in the case of Nelson Magee, who accused the nurses in the Lunatic Asylum of cruelty, discharging two of the nurses, and adopting rules looking to the better government of the institution.

Beer Establishments Seized.

PHILADELPHIA, 25.—The following weiss beer establishments were seized to-day, for failing to enter the correct amount of material purchased upon their government books, and to make proper returns of the beer produced: Chas. Moss, Trubert, Ortlech & Co., L. C. Kilney & Kelly, John Salber, August Rustenbach, Rich'd Stiefiel, Moritz Ruoff, and John Schlecht. All have been reported to the United States district attorney.

Democratic Conventions.

ALBANY, N. Y., 25.—In the counties of Tompkins, Troga and Broome democratic conventions were held to-day, to elect delegates to the State convention; in each county strong resolutions were passed sustaining Governor Tilden's reform policy, and instructing their delegate to vote only for the nomination of men known to be in sympathy with him. These counties are the first to hold conventions, and their action attracts attention.

Meeting of Mill Owners, Etc.

BOSTON, 25.—A largely attended meeting of mill owners and users of planing and moulding machines was held this p.m., at which resolutions were passed severely censuring the action of the executive committee of the National Association, and their counsel, Mr. Drew, in attempting to affect, with the owners of the Woodbury patent, a compromise detrimental to the interest of mill owners; the meeting, which represented many leading firms in New England and New York and in the South and West, unanimously resolved to resist the compromise.

Wool.

For domestic wool there is a fair demand, but the only grades that are sought after are medium fleeces and combing and delaine selections. There is some inquiry for fine fleeces, but the views of manufacturers are fixed on such low figures that sellers prefer to hold. X and X X fleeces could not be sold for over 45 @ 46 for Ohio and Pennsylvania, while holders very generally ask 46 @ 47. Medium fleeces range from 47 @ 48 for average lots of Ohio and Pennsylvania, and 49 @ 50 for selections. Michigan fleeces range from 43 @ 46 for fine and medium, and unwashed fleeces from 35 @ 37 as to quality. Combing and Delaine fleeces are in demand at 50 @ 55 for delaine, and 57 @ 60 for combing. Unwashed combing and delaine 40 @ 49, but anything that sells over 45 must be a very choice selection. California spring has been in fair demand at 22 @ 36 as to quality.

Taking Testimony.

CHEYENNE, Wy., 25.—The commission for investigating the Indian frauds are still taking testimony; few witnesses appear to have a personal knowledge of the irregularities, but refer to others who, in turn, give some one else for their authority. Most of the day was spent in examining into the beef contract, and it was conclusively shown that the contractors could make large profits by a strict compliance with the contract, owing to the fact that the cattle live on government grass, the only expense being for herding. The commission will probably conclude its labors to-morrow.

Republican Convention.

JACKSON, Miss., 25.—The Republican State Convention assembled at noon; colored delegates predominate.

Accepted.

WASHINGTON, 25.—The President has accepted the sixth section, comprising twenty miles, of the Southern Pacific Railroad of California.

An Ignorant Postmaster.

A California postmaster sent twenty-five dollars in nickel currency, and put a three cent stamp on the package. The postage due when the nickels reached the treasury was $9.45, which was deducted from the remittance and the balance returned by check.

WESTERN.

Accused of Fraud—Another Sorrowstricken Ship.

SAN FRANCISCO, 25.—It is understood that Geo. M. Pinney, a prominent politician in Alameda Co. and purchasing clerk of the U. S. Navy in this city, is charged with extensive frauds in purchases; it is said that the charges were forwarded to the Admiral in command at Mare Island last week.

The ship *New York*, the sister vessel to the *Bremen*, arrived from Liverpool yesterday. This morning the quarantine officer, on boarding her, found twenty-four of a crew of forty down with scurvy of a malignant type. The disease is not confined to the black crew, but has attacked the white officers. The ship is said to have plenty of fresh provisions on board. The condition of the crew was terrible, though every pains was taken to disinfect the ship and preserve cleanliness. A court of inquiry will be called.

CANADA.

They Don't Believe It.

OTTAWA ONT., 25.—The story published by the Cincinnati *Times* about the finding of Donaldson the balloonist, by a fishing party, in the Ottawa district, near Lake Desequine, is not credited here, as no such lake is known in the Ottawa district.

FOREIGN.

GREAT BRITAIN.

Wool Cheaper Meat.

LONDON, 25.—A meeting was held to-day to discuss the causes of the high price of meat; a resolution was adopted protesting against the restrictions on the importation of cattle, and an association was formed to secure a supply of live cattle from the United States to meet the wants of the English market.

War with Egypt and Abyssinia.

The *Times* makes the following announcement—

"Alexandria, Egypt, Aug. 15.

"Three men of war, with a force of troops and marines aboard, have been dispatched hastily to that portion of the Egyptian coast bordering on Abyssinia, to punish a body of blacks invading Egyptian territory. Four thousand infantry are held in readiness for any emergency at Suez. The Khedive is determined to exact full satisfaction for infringement upon his soil."

CENTRAL AMERICA.

Miscellaneous.

PANAMA, 16.—The little steamer *Guaya*, navigating the Guayaquil river, blew up on the 27th of July; several were killed and many wounded.

The militia forces of the State of Bolivar defeated the troops of the general government of Columbia, in an engagement on the Magdalena river; no foreigners were molested. English and French war vessels proceeded there.

Advices from Peru to Aug. 7th note the suspension of specie payment by the banks, but there was no trouble therefrom.

The preliminary boring of the Mont Cenis tunnel, Mt. Meigis, 1,173 metres in length, is completed.

The failures and forgeries of Azogra and Bells, of Valparaiso, result in liabilities of $500,000, assets small.

FRANCE.

Movements of McCloskey—Affairs at Seo De Urgel.

PARIS, 25.—Cardinal McCloskey goes to Chartres on Friday, thence to Nantes, and returns to Paris before starting for Rome.

La Venement says that General Lizzaraga, the Carlist commandant at Seo de Urgel, proposed to surrender that fortress if the garrison and the Bishop of Seo de Urgel were allowed to depart freely; General Martinez Campos rejected the proposition and granted Lizzaraga two hours to consider his demand for an unconditional surrender.
