Monday, . . . September 25, 1871.

### PRICE OF GOLD.

Quoted Daily by BANK OF DESERET.

SALT LAKE CITY, September 25, 1871.
Buying at $1.12 Selling at $1.13.

WEATHER ITEM.—The highest point reached by the thermometer to-day was 82.

## LOCAL AND OTHER MATTERS.

THEATRE.—The house will doubtless be crowded to-night, for there will be one of the richest theatrical treats ever witnessed in this city. Elizabeth, Queen of England, with Mrs. Lander in the title role. Secure your tickets early and fill the Theatre.

SERVICE AT THE TABERNACLE YESTERDAY.—In the forenoon the congregation was addressed by Elder George B. Wallace and Bishop A. H. Raleigh, in the afternoon Elder Orson Pratt preached.

EMIGRANTS ON THE WAY.—We are entitled to publish the following telegram, received on Saturday evening, too late to appear in that day's NEWS:

OMAHA, Neb., Sep. 23, 1871.

*Pres. Brigham Young:* Two hundred of your people leave here to-night. W. C. Staines leaves to morrow for Salt Lake.

W. C. THOMAS.

*(Special to the News per W. U. T.)*

**A Seducer Shot at Hooperville.**

OGDEN, Sept. 23.

*Deseret News:*—A man, named James Lindley, was shot, at Hooperville, last night, for seduction. He is still alive, but the chances for recovery are very doubtful. The shooting was done by James Hale and son, father and brother of the woman, who is under arrest here.

**Fire at Provo.**

PROVO, Sep. 24, 1871.

*Junior Deseret News:*—During this forenoon meeting, a fire broke out in the shed attached to the new barn of L. J. Nuttall, in which his family were living during the erection of his frame house. The whole of Brother Nuttall's household effects, furniture, clothing, etc., were entirely destroyed, together with his hay and grain stacks. When the report of the fire reached the meeting house the congregation arose en-masse and hurried to the scene of the disaster, but the building was by this time enveloped in flames. Every assistance was given that could be rendered under the circumstances. The fire spread so rapidly that Mrs. Nuttall had barely time to get the children out safely. One calf was entirely roasted alive. A subscription is being raised to assist Brother Nuttall in his pecuniary loss. The origin of the fire is yet unknown. The loss is estimated at four thousand dollars.

A. O. SMOOT.

**Another Shooting Scrape at Alta.**

Cottonwood Kanyon, Sept. 25.

Tina Campbell, *alias* Sandy, commenced a fight in Fuller's Hotel, last evening. Deputy Marshal Rink interfered to suppress it, and, drawing his pistol, shot Fuller through the wrist. The wound is a serious one, all parties were arrested by the constable, and are, to-day, having an examination.

**More of the Beaver Court.**

Beaver, 25.

The court adjourned on Saturday night till the 4th day of January, 1872. The grand jury had in it members who were not thought to be of the right stripe, so it was shaved down to fifteen in number. This shaved grand jury now remains a standing grand jury for any business that may come in their line. They found five bills of indictments, one against Frank Saddler, of Star district, who, some time in July, at Minersville, stabbed a man by the name of Glassford. Saddler is in the custody of the U. S. Marshal, not having been able to find bondsmen. The U. S. Marshal has taken him to Salt Lake. One of the bills of indictment was against J. P. Lee, accusing him of adultery. Mrs. Lee withdrew her petition for a divorce, which was the end of the affair with her. Lee is not yet arrested, having been from home. Z. Snow left last night, by stage. Judge Hawley left this morning.

NEWS FROM ENGLAND.—We regret to learn, from the *Millennial Star* of Sep. 5th, that Elder Brigham W. Carrington had scarcely recovered from the smallpox when Elder George Reynolds was taken with the same disease, he being attacked with it on the 27th ult.; strong hopes were entertained, however, that his recovery would be speedy.

The same issue of the *Star* says:

Elder James Gale arrived in Liverpool on the 3rd inst., on the steamship *Wyoming*, after a speedy and pleasant trip from his home in Ogden. He left here on the 4th to see his relatives, the purpose of his journey to England, and expects to return with the company that will go on the 18th of October.

FOR EUROPE.—Dr. Park, President of the University of Deseret, and Professor Reid have left this morning on missions to Europe. Before crossing the Atlantic they will visit the principal schools and colleges in the United States. They will then proceed to Germany and Switzerland, and will visit all the best educational institutions of those countries. They will, during their absence, doubtless be enabled to accumulate an amount of valuable information on educational matters that will enable them, on their return, to re-model matters here in that direction.

NEW CENSUS AND PATENT LAWS.—We are indebted to Munn & Co., publishers of the *Scientific American*, New York, for a neat little bound volume of 120 pages, entitled as above. It contains the complete census of 1870, showing the Population, by counties, of all the States and Territories, with their areas, and the Population of the principal cities. Also, the new patent laws in full, with Forms, Official Rules, Directions how to obtain Patents, Copyrights, Regulations for Trade-Marks, Assignments, How to sell Patents, etc. Also, a large variety of valuable information relating to Water-Wheels, Steam Engines, and other mechanism, with many useful notes and recipes, 175 diagrams of Mechanical Movements, etc. We advise every body to send for it as above. Price, 25 cents. A more valuable compendium, for so small a price, has rarely been published.

THE GOLDEN CITY.—We have received the prospectus of "The Golden City. The largest Literary paper published in the west" which "will, on and after Sunday, Sept. 24, 1871, be issued under new management and ownership."

The aim of the new management is announced to be to earn success by legitimate enterprise, energy, and merit, and to render the *Golden City* the equal of the best weekly eastern papers, a credit to the western shores.

We extend a welcome to the new venture, wishing the enterprising managers success in their endeavors to publish in San Francisco a literary journal which shall do credit to the Pacific slope.

LAYING THE FOUNDATION. The ceremony of laying the foundation of the New Catholic Church, in the 13th Ward of this City, was performed yesterday afternoon. The dedicatory prayer was offered up and an appropriate address delivered by Rev. Patrick Walsh, Pastor; after which Mr. O'Reilly read the following:

In the name of our Lord Jesus Christ, we lay the corner-stone of this church to be dedicated to the honor and glory of God, and under the patronage and name of Mary Magdalene, the chair of St. Peter being filled by our holy father, Pius the Ninth, sovereign pontiff, by the grace of God and unification of the Holy See; Joseph S. Alemany, Archbishop of San Francisco and Vicar Apostolic of Utah Territory; Rev. Patrick Walsh, Pastor; Ulysses S. Grant, President of the United States; Schuyler Colfax, Vice President; General W. T. Sherman, Commander-in-chief of the U. S. forces; Brigham Young, President of the Church of Jesus Christ of Latter-day Saints; D. H. Wells, Mayor of Salt Lake City; W. H. Hooper, Delegate to Congress for Utah; Wm. Clayton, Auditor of Public Accounts; George L. Woods, Governor; G. A. Black, Secretary; J. B. McKean, Chief Justice; M. T. Patrick, U. S. Marshal; Frank Culbertson and E. Devoe, Contractors and Builders of brick and stone work; Henry Moorhouse, Carpenter and Builder of wood work.

Documents and copies of the DESERET NEWS, *Salt Lake Herald, Tribune* and *Review*, a copy of the New York *Freeman's Journal* and of the *Irish World*, a portrait of Pius Ninth, a copy of the Declaration of Independence of the United States, and the Jeffersonian grand seal of the United States; a list of the names of all the Popes from St. Peter to Pius, dating from the year 33 to 1871, were then deposited in the box in the stone by Rev. Mr. Walsh. Quite a number of people were present and witnessed the proceedings.

### CALIFORNIA ITEMS.

THE Marysville *Appeal* of the 19th instant contains an account of the killing of a Mr Harvey by Walt Harkness, under the following circumstances: Harkness and Harvey were very intimate friends and went on a hunt for wild bees; and as the locality to which they went was infested with bears as well as bees they took rifles in addition to bee traps and bait. After hunting for some time Mr. Harvey left for home, but Harkness remained, and after Harvey left he moved his bee stand to another place, and seeing something in a tree at about 250 yards away, which he thought was a bear, he fired, but was horrified to see a man's body fall over and lodge across a limb, while his hat fell to the ground. On hurrying to the spot Harkness found it was his friend Harvey and he was dead, the shot having passed through his head, causing instant death. Harkness was nearly frantic over the event, but no blame is attached to him except on the score of carelessness. Both men were residents of La Horte, Plumas County.

The Sacramento *Reporter* says that Col. Peter Saxe has on exhibition at the Sacramento State Fair, one hundred and ninety-eight head of thoroughbred hogs, just imported from Kentucky.

The Calaveras, Cal., *Chronicle*, says that Mr. Wm. James, of that place is in possession of an iron-stone rock, about the size of a 110 pound shot, which is attracting considerable attention. It was found twelve feet under the surface of the Jesus Maria Creek, is perfectly round, weighs eighty pounds and exhibits traces of gold. The question of how it became round is one which the scientific are trying to answer, some believing its shape to be the result of "natural causes," others that it is the handiwork of a prehistoric race. The *Chronicle* says, "It is the first instance that ever came under our observation where any species of rock other than quartz carried gold."

### NOTICE.
