Sylvester Rush, the statis-sitorney for the prosecution. He di-rosted his argument against the mu-tion of the defense to guash the indis-ments on the ground that he had ean-der dot the ground that he had eanments on the ground that he had con-ducted the grand jury investigation of Municoges improperly. Mr. Ruch se-veroly scraigned counsel for the de-ferse and denied that he had acted im-properly or attempted to blas almessas that had been called before the grand jury. He recalled that the grand jurors who textilled sesterday had said his conduct had, op the other hand, been proper.

Ruth was followed by Judge C. D.

Equart for the defense. It was believed today that the argu-ments would be concluded late in the efferingen, and that Judge Ma that would hand down a decision tonight on the motion to quash.

SYMPOSIUM ON INTERCHANGE

OF PERMANENT PROFESSORS

me sit uto with a grees and

many college presidents favor the in-terchoings of perminent professors among larger colleges similar to the system now in vogue between Americals and European universities. President Hudley of Yale says: "It is probable we might advantage-ously have a little more exchange but I do not see how it can go far. The bulk of the real work of caching must be done by men who are in permanent he done by man who are in permanent residence."

President Ita M. Remaen of Johns Hopkins does not believe the scheme

President Charles Van Hise of Wis-onsin regards the suggestion as ex-President Northrup of Minnesota

"An occasional absence by way or

"An occasional scheme by way of interchange with other professors in other institutions would be beneficial." President David Starr Jordan of Stanford speaks favorably of the plan Benjamin Ide Wheeler, of the Univer-sity of California, says: "I fluink such an interchange would have many advantages."

Atlanta, Ga., April 7.—"Il was Just a fool notion that I got from reading dime novels," sold Daniel W. Johnson, Jr., the li-scar-old hay who was falled here has night for having attempted to extort \$5,000 from Asa G. Candle: prominent bankoy and Georgia's

wealthiest citizen, through Black Han-

methods. The young man at first told the pelicie that he had been forced by three strangers to write letters to Mr. Camb-ler demanding the money. He new ad-mits that the scheme was of him own-concoulien. Johnson wrote the sec-ond letter Sunday repeating his threads of death te Mr. Camiler in ease of hir non-compliance and then went to church and took his regular place in Mr. Candler's Sunday school close.

TO SQUELCH DELEGATES.

Washington, April 2.—For a federal effection to be a delegate to any convention salled to nominate a candi-date for president or other elective United States office is made a misde-meanor publishable by fine and impris-anment, according to the terms of a hill recently introduced by Represel-tions includentation of Alghuma.
