#### THE CONVENTION.

A storm on Saturday prostrated the wires between Chicago and Omaha, hence the breaking news of the convention is received only in the shape of bulletins.

The following were received at 11 o'clock Saturday night:

CHICAGO, 5.—The convention met at 7.15 p.m. It is reported on good authority that there is no nomination before the fourth ballot is reached. Iowa, Connecticut and Indiana will cast their votes for Garfield.

Roll of States is being called for the selection of the national committee.

Hale, of Maine, moved that the roll of States be called for the presentation of candidates for nomination by the convention. It is being debated.

Concluding finished at 9.45 p.m. when there was loud and prolonged applause for Grant.

Carroll, of Ohio, called, Garfield took the platform to nominate Sherman and was, as well as the others, cheered for some time.

At the end of Garfield's speech, again cheering was indulged in and continued for some time.

It is now thought a ballot will be reached by 11.30 p.m.

Billings, of Vermont, is now speaking in favor of the nomination of Edmunds.

Edmunds' name is eliciting much applause.

Carroll, of Wisconsin, is now presenting the name of Washburne. Washburne's name is received with considerable applause. Carroll's speech was well received. Washburne and Edmunds.

Brantage, of Connecticut, is seconding the nomination of Washburne. This is the last speech; now 11.35. It is doubtful if a ballot is taken to-night.

Brantage finished at 11.49 p.m. A delegate moves to adjourn. Great confusion.

The convention adjourned till 10 a.m. Monday.
