

## INTERNATIONAL PEACE CONGRESS.

Advocates of Principles of Peace  
Throughout the World As-  
semble in Boston.

### PROMINENT FOREIGNERS THERE.

Secretary of State Hay Addresses Con-  
vention—Quoted Grant on Peace,  
Sherman on War.

Boston, Oct. 3.—Advocates of the  
adoption of principles of peace through-  
out the world have assembled from  
twenty quarters of the globe to take part  
in the proceedings of the thirteenth In-  
ternational Peace congress, which  
opened formally today in this city. For  
several months plans have been in  
progress to make the congress more  
notable, if possible, than any that has  
been held.

There are many prominent delegates  
here from abroad. These foreign dele-  
gates will participate in the mass meet-  
ings to be held in the evenings of the week  
when opportunity for a free and  
unbiased expression of opinion will be  
given to all.

Deliberative sessions of the assem-  
bled delegates to the congress have been  
arranged for the forenoon of the week.  
Prominent among the evening meet-  
ings will be that of Tuesday, when ad-  
dress will be made by Gustave Huber,  
member of the French chamber of  
deputies, and Oscar S. Strauss, an-  
other member of The Hague conference,  
and that of Wednesday when Senator  
Gompers, president of the American  
Federation of Labor, will preside at a  
conference of the peace movement.

Among the subjects to come up for  
action at the deliberative proceedings  
is that of adopting some effective means  
of settling the disputes of the world to  
the satisfaction of all. The American  
good office at their command  
to bring about the end of the Russo-  
Japanese war, The American Peace  
society, of which Robert Treat Paine,  
Sr., of Boston is president, is largely  
represented.

A public meeting was arranged for  
this afternoon in Tremont Temple,  
when Secy. of State John Hay extended  
the welcome of the national govern-  
ment to the delegates. He said in part:

#### SECY. HAY'S ADDRESS.

"We have, I think, a greater relative  
immunity from war than any of our  
neighbors. All our greatest men have  
been earnest advocates of peace. The  
very men who founded our liberties  
with the mailed hand of the sword and  
the sword of the law, and in many places  
wagons and railroad bridges have been  
destroyed. The river began rising  
Saturday and Sunday was out of its  
banks at many points. There have been  
no excessive rains in Oklahoma for  
weeks, and the rise is due to floods in  
Colorado. It is feared that the loss to  
cotton and corn crops, bridges and  
properties along the river  
throughout the two territories will be  
enormous. So far no loss of life has  
been reported.

#### FLOODS IN OKLAHOMA.

Guthrie, Okla., Oct. 3.—According to  
special dispatches to the State Capital,  
the South Canadian river is higher  
than in 40 years, and in many places  
wagons and railroad bridges have been  
destroyed. The river began rising  
Saturday and Sunday was out of its  
banks at many points. There have been  
no excessive rains in Oklahoma for  
weeks, and the rise is due to floods in  
Colorado. It is feared that the loss to  
cotton and corn crops, bridges and  
properties along the river  
throughout the two territories will be  
enormous. So far no loss of life has  
been reported.

### SECY. HUGH GURNEY'S CASE FULLY EXPLAINED.

Lenox, Mass., Oct. 3.—J. F. Schermer-  
horn of New York declared today that  
his son, Amos Schermerhorn, was the  
driver of British Secy. Hugh Gurney's  
automobile on Sept. 25 when Mr. Gur-  
ney was charged with violating the  
Stockbridge speed ordinance. Mr.  
Schermerhorn also said that Sheriff  
Noble, who made the arrest, was being  
given a ride in the machine as an ac-  
commodation when he applied the ac-  
tombolism that they were exceeding  
the speed limit.

Mr. Schermerhorn gave out the in-  
formation today in recognition, as he  
said, of the gallantry of Secy. Gurney  
in accepting the entire responsibility  
in the matter. His two sons, he said, both  
of whom are familiar with automobiles,  
were being entertained by Mr. Gurney,  
who personally does not care for fast  
driving, but was permitting the boys  
to test his machine.

As they were rolling along the high-  
way at good speed, about half a mile  
from Stockbridge, an officer stopped  
them with the information that they  
were breaking the speed statute. He  
asked who the man was, and Mr. Gur-  
ney replied that he was. The officer  
said it would be necessary for them to  
proceed to Stockbridge, and Mr. Gurney  
invited him to ride along with them.

On the way to the town of the officer, who  
was Deputy Sheriff Noble, pulled out  
his watch and said that they were  
again going faster than the law al-  
lowed. Mr. Gurney expressed regret if  
the law had been violated, and when  
informed that the deputy must take  
the names of those responsible pre-  
sented his card. The party drove to  
the courthouse, where the necessary ar-  
rangements were made for Mr. Gur-  
ney's appearance the next morning. An  
attempt was made to see Secy. Gurney  
this afternoon. An interview was de-  
clined, however, it being stated at the  
embassy that the incident was regarded  
as practically closed.

#### SHERIFF MELENDEZ SHOT

Killing Said to Have Been Result  
Of a Political Quarrel.

Las Vegas, N. M., Oct. 4.—Sheriff  
Melendez of Mora county has been  
shot and killed as the result, it is said,  
of a political quarrel. Sheriff Melendez  
was one of the leaders of a dominant  
faction in Mora county politics, and  
was widely known. Owing to the fact  
that floods have impaired means of  
communication, no further particulars  
have been obtained.

#### ITALIAN MINERS' CIRCULAR.

Sent Out Without Authority of  
District Number 15.

Trinidad, Colo., Oct. 4.—John Simp-  
son, secretary of district 15, United  
Mine Workers of America, when inter-  
viewed concerning the circular sent out  
by a committee of Italian miners in the  
city, in which appeals for help are  
made and John Mitchell is attacked  
for withdrawing the support of the na-  
tional body in the coal miners' strike in  
this district, said:

"The circular letter sent out from  
this district to the union at Pittsburg,  
Kan., and signed by Italian miners of  
this district, is entirely without the au-  
thority of the United Mine Workers in  
this district. The appeal for aid which  
was contained in this letter was not  
recommended by the union, and the at-  
tack on John Mitchell is not counten-  
anced by the union. These Italians are  
working without the sanction of the  
union and have no authority whatever  
for their action.

Mr. Simpson's statement was indorse-  
d by President Howells of district No.  
15.

## BESIDE THE BODY OF GEO. F. HOAR.

Citizens of Worcester Bowed Them-  
selves Before That of Massachu-  
setts' Foremost Citizen.

### HONOR TO DEAD STATESMAN.

Dr. E. E. Hale, a Life Long Friend,  
Paid a Fine Tribute to the  
Departed.

Worcester, Mass., Oct. 3.—The citi-  
zens of Worcester today bowed beside  
the body of her foremost citizen,  
George Frisbie Hoar, while the state  
of Massachusetts, and in a large mea-  
sure, the nation, sympathized with the  
municipality in her grief.

Rev. Dr. Edward Everett Hale, chap-  
lain of the United States senate and  
life-long friend of Senator Hoar, con-  
ducted prayers at the home just before  
2 o'clock. Only members of the im-  
mediate household and a few neighbors  
attended this service. The body was  
then placed in the hearse by the ac-  
tive pallbearers, all present or past  
secretaries of the senator and the  
honorary pallbearers. The active  
bearers and the family escorted the re-  
mains to the Church of the Unity.

The militia force of the city, four  
companies of infantry and a battery  
of light artillery under arms were sta-  
tioned in the streets to aid the police  
in the almost unnecessary effort to  
control the great crowd ever seen in  
the city. As the hearse passed, every  
man bowed his head and many women  
sobbed.

The capacity of the church is 500, and  
it was necessary to limit the attend-  
ance of representatives of organiza-  
tions to which the senator belonged to  
one person for each. The city of Wor-  
cester had no mayor for its city official  
representative at the bereavement. The  
delegates from the United States senate  
and house of representatives and the  
representatives of the state of Mas-  
sachusetts filled one-sixth of the  
seating capacity.

Rev. Dr. Hale, who was the first pas-  
tor of the Church of the Unity, and  
Rev. Rush R. Shippen, the second pas-  
tor, now of Brockton, Mass., officiated  
at the church. Dr. Hale delivered the  
eulogy. He said in part:

"I think that we who knew him in his  
home life feel as if no one else knew  
how to prize him, though a whole coun-  
try is expressing admiration and tender  
love. There never was a person so sim-  
ple, so natural; never a person who so  
entirely relied upon the realities—truth,  
righteousness and peace. He could be  
vehement in expression when need was,  
but in common life, in common talk, he  
relied absolutely upon the sincerity of  
his expression, and I think that faith in  
the American people, which expressed  
itself so magnificently once and again  
in his public utterance, may be traced  
directly to his faith in men, to his cer-  
tainty that they were the children of  
God, that they inherited a divine nature,  
and to his certainty in the being and  
presence of God.

"A thousand people have said to me  
that the deathblow came on Christmas  
eve last year, when she was called  
away. This was true; no hour passed  
but he was conscious of the weight he  
was carrying in trying to live as he  
lived. But up till that time, even in  
hard criticism of his life from those  
he loved, even in the stress of public  
life and the necessity of even displeas-  
ing those whom he loved to please, I  
think we should all say that his life  
was a happy one. It was filled full—  
oh, filled so full that no one can de-  
scribe that, but always filled full of  
something large, unselfish, thoroughly  
generous, something that he expected  
others to share with him, something  
which would make the world a better  
world.

"We are not here to analyze so great  
a character. God grant that the mem-  
ories of such a man may make us un-  
selfish, upright, courageous and true.  
We are here to thank the good God  
that such a man has lived; to ask him  
to keep fresh the memory of such a  
life, and to teach us its lessons."  
Thirty-five thousand people passed  
through the city hall and viewed the  
body, between 4:30 and 9:30 tonight.  
The four hours allotted for this cere-  
mony proved inadequate, and extension  
of an hour was made.

Fifty thousand people massed in  
front of the city hall and adjacent  
ways, and many cases of fainting wom-  
en were noted. Police ambulances  
carried 19 people from the crush to  
their homes, and others were cared for  
in the city hall.

#### MASSACHUSETTS SOCIALISTS.

Name John Quincy Adams of  
Amesbury for Governor.

Boston, Oct. 3.—The Massachusetts  
Socialists met in state convention in  
this city today and placed a state tick-  
et in nomination, headed by John  
Quincy Adams of Amesbury for gov-  
ernor.

#### Masked Men Rob Saloon.

Wallace, Ida., Oct. 3.—Two masked  
men entered the Thomas saloon here to-  
day and forcing the occupants of the  
resort to hold up their hands, robbed  
the cash register of \$40. One of the  
highwaymen accidentally discharged  
his revolver when he started to escape,  
causing the robbers to hasten their  
work to such an extent that a large  
sum of money was overlooked. The  
bandits escaped.

#### Many Arrivals at Mukden.

St. Petersburg, Oct. 4.—A special dis-  
patch from Mukden dated Oct. 3 says  
the population of that place has been  
greatly increased by the arrivals from  
all quarters. Chinese who have fled  
from the south say the Japanese are  
administering affairs in southern Man-  
churia with a high hand and many  
complaints of ill treatment of the  
natives by them are made. There is a  
great scarcity of provisions among the  
Chinese population.

## FAIRBANKS NOW IN CALIFORNIA.

At Town of Redding He Dwelt  
Upon Far Reaching Fame of  
The Golden State

### HAD TROUT FOR BREAKFAST.

Appealed to His Hearers for a Con-  
tinuance of Republican  
Policies.

San Francisco, Cal., Oct. 3.—Senators  
Fairbanks and Fulton of Oregon began  
their campaign of California at Red-  
ding, at the head of the great Sacra-  
mento valley, before breakfast today.

In his speech Senator Fairbanks re-  
ferred to the far-reaching fame of the  
section, and dwelt upon the necessity of  
preserving the existing political condi-  
tions in order to maintain the present  
prosperous status of business. He said  
that he had been here when President  
McKinley was a candidate, and when  
McKinley's name was cheered he told  
his hearers that while they did well  
to applaud that name, they should bear  
in mind that they have in President  
Roosevelt a candidate who is inspired  
by the same lofty purpose as his pre-  
decessor.

Senator Fulton recalled the adminis-  
tration of President Cleveland, and  
warned his audience against doing any-  
thing calculated to produce a repetition  
of it, which might occur if Judge Park-  
er should be elected.

At Redding, as at most other places  
in California and Oregon, Senator Fair-  
banks was made the recipient of num-  
erous presents of flowers and fruits.  
One gentleman presented some very fine  
specimens of mountain trout, which  
were cooked for the senator's breakfast.  
Gen. Stone, chairman of the Republican  
state committee, joined the party here.  
At Red Bluff the Fairbanks train was  
welcomed by the screeching of locomot-  
ives and the beating of drums and  
a good crowd. Senator Fairbanks ap-  
pealed for a continuance of Republi-  
can policies, saying that we are so con-  
stituted that we must all go up together  
under Republican policies or go down  
together under Democratic policies. He  
said that the record of the Republican  
party for the past 44 years is such as to  
inspire confidence, and that it had done  
nothing to forfeit that confidence. In-  
deed, never at any time had it been  
more worthy of support than under the  
administration of President Roosevelt.  
The speech was liberally applauded,  
as was also that of Senator Fulton,  
which followed.

Chico furnished one of the largest  
crowds of today. The speeches at this  
point were made from the rear plat-  
form, and both Senators Fairbanks and  
Fulton were warmly greeted. In his ad-  
dress Senator Fairbanks referred to the  
location here of the state normal school  
and dwelt upon its influence in promot-  
ing the welfare of the people of the  
state. He referred to the wonderful  
progress of the past half century and  
gave the Republican party credit for  
much that has been accomplished in all  
lines of progress. "It has not been so  
many years," he said, "since my father  
made the wagon which some of our  
relatives made the long and perilous  
journey from Ohio to Oregon—a jour-  
ney which required months, but which  
is now achieved in a few days."

Senator Fulton commended Senator  
Fairbanks as one of the best friends of  
the Pacific coast in public life. The last  
day stop was made at Marysville.

In his address at the Mechanics' pa-  
villion in San Francisco tonight, Sena-  
tor Fairbanks devoted much of his time  
to the Panama canal question and to  
extension of American trade in the ori-  
ent. He also made a general conten-  
tion for the continuance of the Republi-  
can policy of protection and for the  
maintenance of the gold standard, and  
defended the course of the Republican  
party in the Philippines.

After the meeting Senator Fairbanks  
addressed a meeting of the Ohio society.  
His itinerary tomorrow includes Palo  
Alto, Livermore, Stockton and Sacra-  
mento.

Two severe cases of Ovarian Trouble  
and two terrible operations avoided. Mrs.  
Emmons and Mrs. Coleman each tell  
how they were saved by the use of  
Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I am so pleased with the results obtained  
from Lydia E. Pinkham's Vegetable Compound that I feel it a duty  
and a privilege to write you about it.  
"I suffered for more than five years with ovarian troubles, caus-  
ing an unpleasant discharge, a great weakness, and at times a faintness  
would come over me which no amount of medicine, diet, or exercise  
seemed to correct. My Vegetable Compound found the weak spot,  
however, within a few weeks—and saved me from an operation—  
all my troubles had disappeared, and I found myself once more healthy  
and well. Words fail to describe the real, true, grateful feeling that is  
in my heart, and I want to tell every sick and suffering sister. Don't  
daily with medicines you know nothing about, but take Lydia E. Pink-  
ham's Vegetable Compound, and take my word for it, you will be a  
different woman in a short time."—MRS. LAURA EMMONS, Walker-  
ville, Ont.

### Another Case of Ovarian Trouble Cured Without an Operation.

"DEAR MRS. PINKHAM:—For several years I  
was troubled with ovarian trouble and a painful  
and inflamed condition, which kept me in bed part  
of the time. I did so dread a surgical operation.  
"I tried different remedies hoping to get better,  
but nothing seemed to bring relief until a friend  
who had been cured of ovarian trouble, through  
the use of your compound, induced me to try it. I  
took it faithfully for three months, and at the end  
of that time was glad to find that I was a well  
woman. Health is nature's best gift to woman,  
and if you lose it and can have it restored  
through Lydia E. Pinkham's Vegetable Compound  
I feel that all suffering women should  
know of this."—MRS. LAURA BELLE COLE-  
MAN, Commercial Hotel, Nashville, Tenn.

It is well to remember such letters as above when some druggist tries  
to get you to buy something which he says is "just as good." That is impos-  
sible, as no other medicine has such a record of cures as Lydia E. Pink-  
ham's Vegetable Compound; accept no other and you will be glad.

Don't hesitate to write to Mrs. Pinkham if there is anything  
about your sickness you do not understand. She will treat you  
with kindness and her advice is free. No woman ever regretted  
writing her and she has helped thousands. Address Lynn, Mass.
