ACCIDENTS AND CRIMES CALAN-
DAR SINCE SUNDAY.

San Francisco's Contribution.
SAN FRANCISCO, 5.—The company
left here on Friday by rail, and went
to camp near the Del Monte hotel.
The evening (Saturday) was spent
in camp festivities, and it was decid-
ed to celebrate the National Anniver-
sary day in due form. Between
10 and 11 o'clock the members of
the company, guests of the hotel, and
friends of the company began to as-
semble. The camp consisted of
two rows of tents, that of the com-
manding officer being on the right
corner, in front of which a large
cannon was placed in position. Im-
munity for the cannon was deposited
in the magazine tent near by.
At noon a salute was to be fired, and
B. F. Hastings, of Company C, was
had been engaged specially to take
charge of the gun, accompanied by
W. C. Burke and Spencer C. Buck-
bee, both of Company G, entered the
magazine tent to prepare the
ridges. Hastings took a hatch to
open a 25 pound can of powder. At
the first blow an explosion followed.
Burke was killed almost instantly,
and Hastings mangled and burned
with recognition. As he was carried
away for medical aid he cried: "My
God, this is all my carelessness."
He may possibly recover. Buckbee
was only slightly hurt. The explosion
created great momentary consterna-
tion.

A Victoria dispatch says: Last
Saturday a large crowd assembled
at Wellington to witness a series of
athletic sports. During the day
Thomas Fall, boatman of the ship
"Maggie," was charged with a
charge of powder. About 10 o'clock
the powder was exploded, and the
victim was killed. The explosion
created great momentary consterna-
tion.
