FATE OF THE FIRE LADDIES

It is Claimed There is No Hope for George Pugsley.

Andrew Elkrem May Pull Through—Matter of Confirmation Will Not Come Up Tonight.

The committee on fire department will not report on Chief Devine's appointment of the nine firemen at tonight's Council meeting, so Messrs. Andrew Elkrem and George Pugsley will not know their fate until one week from tonight.
Two reasons are assigned for the committee's failure to report tonight. One is Chairman Cottrell. It is said, has been unable to master a quorum. Another reason is the Republican members. It is understood, want every member of their party present when the question of confirmation comes to a vote. This would not be possible tonight, for Councilman Thomas is out of town and as Dr. Beatty is almost certain to vote with the Democrats, a postponement of the whole matter was deemed advisable.

It was learned today that there was very little hope for Pugsley's confirmation, and it is believed that at least eight votes will be cast in opposition to him. It is said by those in a position to know, that Pugsley has made himself particularly offensive to certain Republicans in past campaigns.
Chief Devine is putting forth every effort to save Elkrem, on the ground that he is a first-class fireman and has never been mixed up in politics one way or the other.

SUNDAY SCHOOL UNION MEETING.

Large and Interested Gathering of Earnest Workers.

SUNDAY SCHOOL CONFERENCE

Of the Salt Lake Stake Will be Held Sunday, Sept. 23—Another Visiting Day.

There was a large attendance of officers and teachers of the Sunday schools of the Salt Lake Stake in their union meeting, Monday evening, June 18, 1900. All the city schools except the 6th, 8th and 11th, and Pleasant Green, were well represented by both officers and teachers.

Stake Superintendent T. C. Griggs presided, and the opening prayer was offered by Brother Alma O. Taylor of the Thirteenth ward.

The excellent singing at the opening and closing of the meeting was rendered by the Cannon ward school choir, under the direction of Miss Elmy Cannon; Miss Daisy Gillett presided at the organ.

STAKE SUNDAY SCHOOL CONFERENCE

Superintendent Griggs called attention to the Stake Sunday school conference, which will be held on September 23rd next, at 10 a. m. and 2 p. m., in the Salt Lake Tabernacle. Special reports are called for from each school upon twenty-one questions, which will be found on page 101 of the Sunday School Teacher. These reports should be sent in by September 19th, at latest. At the morning session of the conference the schools will attend in a body, and be seated in the order of their respective wards. In the afternoon the officers and teachers, and the members of the higher and second intermediate departments will attend, but not necessarily in a body. The lower part of the Tabernacle will be specially reserved for Sunday school children.

The program of the conference will consist of special class exercises from each department, addresses and music, and the concert recitation of the Ten Commandments and the "Articles of Faith."
Assistant Superintendent W. C. Burton said that it was very desirable to have all the departments of each school in the Stake represented at these Union meetings, that all the schools make known in touch with the progress of the Sunday school work. It was desired also that the members of the schools be exemplary meeting groups, at all Tabernacle and ward services.

At the close of the conference, the assembly divided into the various departments for special work under the regular instructors.

Upon reassembling after class exercises, the meeting was addressed by Elder Levi W. Richards of the general board. The principles of the Gospel, he said, should be so instilled in the minds of the children that they will never be forgotten.

Superintendent Griggs reminded the superintendents that at next Sunday will be the nearest to the anniversary of the martyrdom of the Prophet Joseph Smith and his brother Hyrum, that occasion should be kept in mind.

The first ward Branch Sunday school will furnish the music for the July meeting of the Union.

After singing the benediction was offered by Superintendent Heber S. Goddard of the Thirteenth ward Sunday school.

DEPARTMENT WORK.
At this stage of the meeting, the assembly divided into the various departments for special work under the regular instructors.

A RECEPTION TO GRADUATES

Brilliant Affair at the University Last Evening.

AN EXCELLENT PROGRAM.

Miss Arvilla Clark Scores Another Success With Her Beautiful Voice—Other Interesting Features.

One of the most brilliant affairs of the University commencement week, was the reception last evening tendered by the president and faculty, to the graduating classes. The feature of the evening was the beautiful singing of Miss Arvilla Clark, the company being so highly delighted with her voice that four songs were required to satisfy it. Another feature that was received with enthusiasm was the quartette composed of Messrs. Whitney, Spencer, Pyper and Patrick, and Miss Beale Edmonds.

The reception was held in room 15, one of the most spacious ones in the building, and it was tastefully decorated in silver and crimson. After a season of handshaking and felicitating, the program was begun with a piano solo by Prof. Squire Coop; it was one of his own compositions, and was received with much applause.

Miss Clark was then announced, and she took her hearers by storm, in an exquisite rendition of Tosti's "Good-bye," and for an encore she sang "The Rosary." By Nevin, which song made a wonderful impression, its sweet plaintive melody, in which the powers of a most soulful manner, was the main subject of conversation all the evening among the musical guests.

The next number was the quartette composed of Messrs. Whitney, Pyper, Spencer and Patrick, and Miss Beale Edmonds. The song was beautiful, and an encore was demanded.

Mr. J. H. Anderson pleased the company with a fine rendition of "The Shepherd," from Robin Hood. Miss Babcock entertained the audience as she only can, in an amusing little negro sketch entitled "Mamie's Little Boy." In response to an encore she gave a short but humorous story.

was warm, deeper it was cold and the sand below was warm—streaks of fat, lean and fat, as it were. What was it? The night had been still and cold. The water had cooled well down, but the deep enough to absorb the gathered sunlight in the sand. The morning was still and unusually warm. The surface warmed up faster than the depths, hence the phenomena observed by the bathers. Among them was an eastern gentleman who said Saltair was far ahead of Atlantic City in the merits of its bath and also its bath-rooms.

The Eleventh ward Sunday school had a jolly time at the resort, but the old folks and the children were not pleased that they had to leave on the 8:15 train. They wanted to see the pavilion lighted.

The people of the Third ward will take an outing at Walders Park on Wednesday. There will be a road race in the morning from Wagner's corner to the park. The order of the day will be all sorts of races, dancing and boating. Cars will leave Wagner's corner every hour in the day.

Lagoon was visited yesterday by the people of Sugar Ward. The day was spent in sports, dancing and boating. It was one of the most enjoyable occasions of the season at the Lagoon.

The Tenth ward Sunday school will have an excursion to Saltair on Friday of this week. Bathing, boating, roller-skating and other features comprise the program.

"It is a surprising fact," says Prof. Hooton, "that in the records in all parts of the world, for the last 10 years, I have met more people having used Green's August Flower than any other remedy, for dyspepsia, deranged liver and stomach, and for constipation. I but for tourists and salesmen or for persons filling office positions, where headaches and general bad feelings from irregular habits exist, that Green's August Flower is a grand remedy. Does not improve the bowels by frequent use, and is excellent for sour stomachs and indigestion." Sample bottle free at A. C. Smith's Drug Store.
