THE ANTI-MORMON CRUSADE

And the Institutions Against Which It is Directed.

BOYCE, Charles County, Md., March 10, 1886.

Editor Deseret News:

If one, taking into consideration the circumstances that now surround the people of Utah, it is a very dark cloud is gathering over that people.

The sectarian priests are first of all behind the scenes, planning, plotting and pushing the people on to the oppression and it is possible to the destruction of the whole of Mormonism, and the great body of the people, as we see many do, may make up their minds that a time of unparalleled oppression, tyranny, and of a fearful bloodshed too, is coming upon them.

THE OLD DOGGE, familiar to the "Mormons" in times gone by, of resorting to lying by wholesale, and other favorite means, is now being used to the full extent.

It is a very dark cloud is gathering over that people.
