City Council, have, for the first time sluce the State constabulary orce was organized, taken in hand the enforcement of the prohibitory liquor laws. Yesterday they com-pleted the notification; of every hotel, bar, eating house, drug, fruit and grocery store in the city. - Ex A misguided youth in Alexandria, Virginia, in imitation of Sergeant Bates, proposes to proceed to Boston for the purpose of starting from Bunker Hill on atour through

the Northern States, carrying with him the rebel flag unforled. - Ec. The Portland Press thus reports a recent decision at Augusta, Me., neglecting, however, to name the court in which the decision was "In a suit brought by a lady against the Grand Frunk Rail way, who purchased a ticket several years since, good from Portland to so he point upon the roal, Bethel or Peris, and stopped over a few days the route, and was rejused a pas-

sage on the ticket on the ground that it was good but for the day it was dated, the court rules that a rallroad ticket is good for six years in Maine, if not used before the expiration of that time."
