EVENING NEWS.

Thursday, - November 16, 1876.

LAWS CONCERNING PRE-EMPTIONS.

[CONTINUED.]

SEC. 2265. Every claimant under the pre-emption law for land not yet proclaimed for sale is required to make known his claim in writing to the register of the proper land office within three months from the time of the settlement, giving the designation of the tract and the time of settlement; otherwise his claim shall be forfeited and the tract awarded to the next settler, in the order of time, on the same tract of land, who has given such notice and otherwise complied with the conditions of the law.

SEC. 2266. In regard to settlements which are authorized upon unsurveyed lands, the pre-emption claimant shall be in all cases required to file his declaratory statement within three months from the date of the receipt at the district land office of the approved plat of the township embracing such pre-emption settlement.

SEC. 2267. All claimants of pre-emption rights, under the two preceding sections, shall, when no shorter time is prescribed by law, make the proper proof and payment for the lands claimed within thirty months after the date prescribed therein, respectively, for filing their declaratory notices has expired.

SEC. 2268. Where a pre emptor has taken the Initiatory steps required by law in regard to actual settlement, and is called away from such settlement by being engaged in the military or naval service of the United States, and by reason of such absence is unable to appear at the district land office to make before the register or receiver the affidavit, proof, and payment, respectively, required by the preceding provisions of this chapter, the time for filing such affidavit and making final proof and entry or location shall be extended six months after the expiration of his term of service, upon satisfactory proof by affidavit, or the testimony of witnesses, that such pre-emptor is so in the service, being filed with the register of the land office for the district in which his settlement is made.

SEC. 2269. Where a party entitled to claim the benfits of the pre-emption laws dies before consummating his claim, by filing in due time all the papers essential to the establishment of the same, it shall be competent for the executor or administrator of the estate of such party, or one of the heirs, to file the necessary papers to complete the same; but the entry in such cases shall be made in favor of the heirs of the deceased pre-emptor, and a patent thereon shall cause the title to inure to such heirs, as if their names had been specially mentioned.

SEC. 2270. Whenever the vacancy of the office either of register or receiver, or of both, renders it impossible for the claimant to comply with any requisition of the pre-emption laws within the appointed time, such vacancy shall not operate to the detriment of the party claiming, in respect to any matter essential to the establishment of his claim; but such requisition must be complied with within the same period after the disability is removed as would have been allowed had such disability not existed.

SEC. 2271. The provisions of this chapter shall be so construed as not to confer on any one a right of pre-emption, by reason of a settlement made on a tract theretofore disposed of, when such disposal has not been confirmed by the General Land-office, on account of any alleged defect therein.

SEC. 2272. Nothing in the provisions of this chapter shall be construed to preclude any person, who may have filed a notice of intention to claim any tract of land by pre-emption, from the right allowed by law to others to purchase such tract by private entry after the expiration of the right of pre-emption.

SEC. 2273. When two or more persons settle on the same tract of land, the right of pre-emption shall be in him who made the first settlement, provided such person conforms to the other provisions of the law; and all questions as to the right of pre-emption arising between different settlers shall be determined by the register and receiver of the district within which the land is situated; and appeals from the decision of district officers, in cases of contest for the right of pre-emption, shall be made to the Commissioner of the General Land Office, whose decision shall be final, unless appeal therefrom be taken to the Secretary of the Interior.

SEC. 2274. When settlements have been made upon agricultural public lands of the United States, prior to the survey thereof, and it has been or shall be ascertained, after the public surveys have been extended over such lands, that two or more settlers have improvements upon the same legal subdivision, it shall be lawful for such settlers to make joint entry of their lands at the local land office, or for either of said settlers to enter into contract with his co-settler to convey to them their portion of said land after a patent is issued to him, and, after making said contract, to file a declaratory statement in his own name, and prove up and pay for said land, and proof of joint occupation by himself and others, and of such contract with them made, shall be equivalent to proof of sole occupation and pre-emption by the applicant: *Provided*, That in no case shall the amount patented under this section exceed one hundred and sixty acres, nor shall this section apply to lands not subject to homestead or pre-emption entry.

Our Country Contemporaries.

Ogden Junction, Nov. 15—

Last night Mr. Wm. Stowe's infant, only a few days old, died from small-pox. And Mr. L. J. Wykes' little son, who had just recovered from that terrible disease, also died of spinal and cerebral fever. During the sickness of the poor little fellow, Mrs. Lawrence, wife of Mr. J. W. Lawrence, of Walker Bros., nursed him through all the loathsome stages of the disease with a devotion equal to a mother's. Through her assiduous care he overcame the ravages of the small-pox—a bad case, but unfortunately has succumbed to another disease. At noon to-day, the infant daughter of Mr. Hanton Bradeson, died from small-pox.

Mr. W. D. Sprunt informs us that his saloon, the "Auld Reekie," was entered about 3 o'clock this morning, and a keg with about two and a half gallons of Bourbon and a large demijohn containing some Scotch whiskey abstracted. The keg was afterwards found empty at the back of a Main Street store, but the demijohn has not turned up.

This morning a large number of missionaries left this city to fill their appointments in several of the Eastern States. Among them were Elders D. M. Stuart, Sanford Bingham, C. F. Middleton, O. H. Eggleston, Amos Maycock, Wm. Thurgood, O. L. Robinson, Alley S. Rose, Timothy B. Clark, Alonzo O. Perry, Samuel R. Bennion, M. L. Cummings, John Cook, John Fitzgerald, John Ford, George Hackett, Philip Hurst, N. V. Jones, Joseph R. Porter, Joel R. Porter, Joseph Shipley, W. B. Smith, Dominicus Snow, Joel Ricks, Jr., Samuel J. Wing, Alonzo R. Winters, John Riggs, G. W. Wilkin, John Druce.

Beaver *Enterprise*, Nov. 11—

The Navajoes are again amongst us offering to trade blankets.

The People's majority in Beaver county for Delegate to Congress is 218.

The Beaver merchants for two or three days past have not been able to get money orders, owing to the absence of the postmaster. Considerable money is awaiting transportation by this means.

The Navajoes appeared to think Beaver near the North Pole as they shivered round their camp fire this morning, with the mercury several degrees above the freezing point.

Those having unfinished business in the Beaver Land Office should attend to the same forthwith. We learn from Receiver Barns that the office will be closed if not made self-supporting. Look out for the completion of your titles, etc.

TO CALIFORNIA.

We don't give this for *un fait accomplis*, but it is very strongly rumored that Cedar Rapids is to be the *half-way* station between Chicago and Council Bluffs.

If this is to be, and some experiments have been made to that end, we suppose it is on account of the superior condition of the road. A trip on the steel railed and well ballasted road, is not any more now, if as much, wear and, tear on the employes and machinery to a train, from Chicago to Cedar Rapids, 218 miles, as it was on the iron rails from Chicago to Clinton, 138 miles, in the olden time.

It is not necessary for us to say that the C. & N. W. R'y is a first-class road in every particular, that it rides as easy as sitting in a "rocking chair," that its coaches are parlors, that its employes are the most polite and affable gentlemen the travelling public can meet or will meet in a lifetime of travel—the *esprit de corps* of the employes, if we may so say, is at a high standard; we say we need not say this in a newspaper, it is self evident to every traveler on the road. *But in the future these are to be increased; we suppose the speed will be increased; if possible, the superb trains will be more superb: there is to be no train more complete, either for comfort or safety, leave the world's commercial metropolis for the* GOLDEN GATE, THAN THE GREAT TRAINS ON THE CHICAGO & NORTH-WESTERN RAILWAY—THE ONLY COMPANY RUNNING OUT OF CHICAGO THAT HAS A ROAD SO RELIABLE THAT THEY ARE NOT AFRAID TO RUN AT ANY SPEED CAPABLE OF BEING ATTAINED BY ENGINES OF THE MOST IMPROVED CONSTRUCTION, RUN WITH THE HAND OF IRON NERVE, AND A HEAD OF BRAINS, WITHOUT ANY FEAR OF ACCIDENT OR INCONVENIENCE.

Every employe on the road feels a personal interest in the North-Western Railway; it's the "clipper" road in the West, and so far as anything he can do it will continue so to be.

THIS IS THE TRANS-CONTINENTAL LINK FROM THE GREAT LAKES TO THE GREAT MISSOURI RIVER.

The old time traveler speaks in high glee of the "ease and comfort" of these days of steel in contrast with the pioneer days of this pioneer road in the days of iron. *The comforts of travel on the North-Western Railway are in every traveler's mouth from the Atlantic to the Pacific.* It must be a proud compliment to the efficient management, and that is the reason every officer or employe feels so happy and obliging.

It is with pride we mention these things, and join the general shout along the line, Hurrah for the "Old Pioneer." — *Cedar Rapids Republican, Aug.* 14, 1876.
