### WARNING!

EVERY CONTESTANT SHOULD READ THIS:

We know that several persons and organizations are holding back votes with the intention of putting them later. This is, we believe, an extremely poor plan, as a contestant whose standing in the published list does not show any increase in votes will soon be regarded as a "dead one" and their friends, who might otherwise be disposed to give them votes, would feel that there was no chance of their winning and give their votes to some other "live contestant." Then, too, there is always a chance of votes being mislaid or lost, and votes cannot be duplicated. Be a live contestant by getting your votes in early and often.

IN JUSTICE TO ALL CONTESTANTS

It must be distinctly understood that after a vote has once been cast, it cannot under any circumstances, be transferred to another contestant. Positively no exceptions will be made to this rule. Contest Manager will be glad to have you call on him for any information or assistance you may wish, as it is our earnest desire to assist every contestant in every legitimate way possible.

### How Many VOTES Have You?

One Piano sale or a good payment on account will add thousands of votes to your present standing.
