## INVESTIGATION AT STATE INDUSTRIAL

Hearing of Charges Against Supt. H. H. Thomas Will Be Held Saturday.

## REUNION OF DEAF AND BLIND

Inmates of State School Have Delightful Time—Wedding Bells—Junction City Briefs.

OGDEN, June 11.—The investigation into the charges against the State Industrial school and its superintendent, H. H. Thomas, will probably be held in Ogden beginning tomorrow. The investigation will be before the board of trustees composed of H. S. Joseph, of Salt Lake, John Walsh of Farmington, Harold J. Peery of Ogden. This decision was arrived at after a conference between the governor and the trustees. It is stated the hearing will probably occupy two or three days, which would give the complainants as well as Mr. Thomas ample time to fully present their respective cases. Many of the charges preferred are alleged to have occurred as far back as 1906 and are new to the present board of trustees who have only been appointed since the first of the year. Mr. Joseph was a member of the old board.

## ASPER BRACKEN INSTANTLY KILLED BY LIGHTNING

(Special Correspondence.)  
AFTON, Wyo., June 8.—Asper Bracken, the 17-year-old son of Bishop A. F. Bracken of Freedom, Uinta county, was struck by lightning yesterday and instantly killed. The young man had been riding on the range all the morning hunting horses, and was returning after a fruitless search and had already reached the borders of the village on his return home when the fatal bolt struck him above the right eye, passing through his body and that of the horse he was riding. Both were found by Robert Weber shortly after, lying in the middle of the road. Young Bracken was lying stretched out on his back and his easy posture and calm countenance showed that his death had been painless and instantaneous. Much sympathy is felt for his sorrowing parents and relatives, whose great affliction is only modified by their knowledge that his young life has been above reproach and honorable and his character, as a Latter-day Saint the best.
