

NICHOLS MAKES SECOND OFFER.

Did Not Meet With Favor and He Will Now Send in a Third One.

DAVIS FOR A CITY PUMP.

Asst. Engineer Bacon Says Development Work Now On in Emigration Canyon Will Relieve Situation.

The special water committee of the city council last night considered the second proposition made to the city by H. Nichols to install a pumping plant at the Liberty park wells, and furnish the city with a minimum flow of 2,000 gallons per day at a cost of 25 cents per thousand gallons and turn the plant over to the city at the end of 10 years free of cost. The plan did not meet with the approval of the committee as the proposition was filed, pending the presentation of a third proposition by Mr. Nichols, which he stated he would make at the next meeting of the council.

FOR A CITY PUMP.

The suggestion of A. J. Davis in regard to installing its own pumping plant at the city's expense, met with considerable favor. Mr. Davis contended that if the city had a pump in operation right now it would relieve the situation and would also be of great service in the winter months, when the canyon streams are frozen up, causing a shortage of water. He was opposed, however, to any private party being in control of any part of the city's water system, but contended that the pumping plant would be very useful, even after the city had secured the Big Cottonwood water.

IN EMIGRATION CANYON.

Assistant Engineer Bacon stated that he believed that the development work proposed in Emigration canyon would overcome the shortage which might occur on account of the streams freezing up in winter. He was confident that the work in Emigration would be successful and would give the city an additional flow, which could be depended upon during the entire year.

MR. NICHOLS TALKS.

In behalf of his proposition, Mr. Nichols stated that the city would not get an increased supply of water by pumping directly into the main, but a high pressure for use in a fire emergency and hence the city would be better protected from fire and its insurance rates would be reduced 50 per cent. He declared that all the wells excepting one furnished pure water than the city is now getting.

LIGHT BY FERNSTROM.

Fernstrom took exception to that statement and said that not one well furnished as good water as the city gets from the canyon streams. He then proceeded to show that from an economical standpoint it would be unwise to accept the Nichols proposition. He stated that it certainly would not be paying business to pay Mr. Nichols 25 cents per thousand gallons for water and then sell it to the consumers at 15 cents per thousand gallons, the present rate.

EACON GIVES FIGURES.

Mr. Bacon then gave some figures showing that the cost of the 2,000 gallons per day as proposed by Mr. Nichols would be \$44,000 per year and that the capitalized cost of a million gallons of water under that plan would be \$200,000, while under the Big Cottonwood plan it would only be \$30,000 per million gallons. He explained in detail the proposed improvements in Emigration canyon and said that much better results could be secured for much less money than that by the Nichols plan. The motion of A. J. Davis to file the Nichols proposition and give him an opportunity to present another one was then carried.

GOES TO ATTORNEY.

The committee referred the petition of J. P. Gibson, representing the Gordon heirs, asking for the payment of a \$200,000 debt because of the failure of the city to take up the option on the spring creek water, to the city attorney for investigation.

AMENDED FRANCHISE.

The streets and municipal laws committees amended the franchise asked for by the Citizens' Heating & Power company and will recommend it for passage. The amendment provides that the company shall pay the city one per cent of its gross earnings for the first five years, one and a half per cent for the next five years, and two per cent for the remainder of the life of the franchise. The original franchise only called for the payment of one per cent per annum during the entire life of the franchise. The company agrees to commence work on its plant on or before May 1, 1906, or forfeit its franchise.

ANNEXATION MOVE.

The petition of 184 residents of Waterton, asking that the territory between Fifth and Eleventh South and State and Fifth East streets be annexed to the city, was considered by the laws and streets committee and by the city attorney, with instructions to draw up a resolution providing for the annexation. According to the law the resolution must be presented at the next meeting of the council and must receive the votes of two-thirds of the members of the council in order to be legally adopted.

COVERED PATROL.

The police department will have a new covered patrol wagon and another committee last night decided to appropriate \$1,000 for the purchase of a covered patrol wagon and a new team of horses. The Ladies' Literary club has been active in getting the committee to purchase a covered wagon.

SENATOR PLATT HERE.

Famous New York Politician Passes Unexpectedly Through Salt Lake.

Thomas C. Platt, the senior senator from New York, was in the city yesterday, and left for San Francisco last night.

Do Not be Imposed Upon.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. Ask for FOLEY'S HONEY AND TAR and refuse any substitute offered as the preparation will give the same satisfaction. It is mild, healthy, contains no opiates and is safe for children and delicate persons. Sold by F. J. Hill Drug Co.

PATENT MEDICINE DID IT.

Taken for Whisky It Killed One Man And Almost Another.

(Special to the "News.") Ogal, Wyo., Sept. 11.—One man dead and another on the verge of the grave is the result of the use of nine bottles of a patent medicine by a party on a ranch near this place in place of whisky. The man had become an absent article in the provisions of the camp. All of the party became very sick and one of the members crawled to a neighboring ranch and informed them of the condition. Aid was at once sent but the man, Clint Armstrong, was already dead and another in the throes of death. Armstrong was badly doubled up and it was impossible to straighten his body without breaking it and it was therefore buried in that condition.

A Cold Settled in His Kidneys.

A. J. Jenkinson, 220 Butler St., Chicago, writes: "I am a scribbler and am out in all kinds of weather. I took a cold which settled in my kidneys and I was in bad shape. I tried several advertised remedies with no benefit, until I was recommended to try Foley's Kidney Cure. Two bottles of a bottle cured me. Sold by F. J. Hill Drug Co."

THE WATER FAMINE.

Committee of Citizens Will Talk Plan for Temporary Relief.

The present water famine, its cause and a plan for furnishing immediate relief will be the subjects for discussion at a meeting of citizens to be held in the Commercial club on Saturday evening at 8 o'clock. A call for the meeting has been issued by a number of prominent citizens. The call follows in full:

To the Citizens of Salt Lake.—The undersigned, acting in behalf of themselves and of the whole people, invite everyone interested in the water supply of the city to assemble in a mass meeting at the Commercial club at 8 o'clock.

DEMOCRATS ARE BECOMING ACTIVE

City Committee Will Meet Tonight and Decide on Time for Convention.

DATE MAY BE SEPTEMBER 28.

Most Certain Thing is That Mayor Morris Will be Nominated to Succeed Himself—The Committee.

At the Democratic headquarters which were formally opened today in the Atlas block, ground floor in which the campaign of last year was conducted, a meeting will be held this evening, beginning at 7:30. The time and place for holding the city convention will be among the matters to consider. According to the best information obtainable today it appears more than likely that the district primaries will be held on Monday, Sept. 25 and the general convention on Thursday, Sept. 28. The personnel of the city committee is given as follows:

First Precinct—Stephen Morley, C. J. Johnson, James Moffatt, E. M. Weller, D. F. Collett, Sam Downe.

Second Precinct—M. H. Brothers, George G. Smith, S. E. Hamer.

Third Precinct—J. H. Back, John C. Hayes, J. H. Haslam.

Fourth Precinct—Edgar Howe, F. C. Morley, Lucian Ray.

Fifth Precinct—H. Bamberg, G. P. Putnam, John W. Arup.

County Districts—Nicol Hood, John Gabbott, H. C. Carlisle, D. A. McMillan, M. R. Porter, John O. Sharp, J. P. Baker, R. K. Hawkins, Thomas Page, John W. Grant.

The city committeemen named at the convention at which Richard P. Morris was named for mayor are:

First Precinct—John Halverson, Samuel Downe, D. F. Collett.

Second Precinct—Ben. D. Luce, C. M. Jackson, S. E. Hamer.

Third Precinct—J. H. Haslam, D. O. Wiley, Jr., Pearl A. Hill.

Fourth Precinct—T. F. Thomas, Morris Sommer, A. H. Tarbet.

Fifth Precinct—C. F. Overfield, B. B. Quinn, G. B. Blakely.

In Mad Chase. Millions rush in mad chase after health from one extreme of faddism to another when, if they would only eat good food and keep their bowels regular with Dr. King's New Life Pills, their troubles would all pass away. Prompt relief and quick cure for liver and stomach trouble. At Z. C. M. L. Drug Dept. guaranteed.

Given Up to Bio.

R. Spiegel, 101 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder ailments which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured. Sold by F. J. Hill Drug Co."

SWALLOW'S DEADLY DRUG.

Two-Year Old Child Got Hold of Medicine, With Fatal Results.

Joseph Delmas, aged 2, the little son of P. D. Delmas of 228 west Fifth South street, while left alone a few moments yesterday afternoon, managed to get hold of the family mandarin bottle and swallowed its contents. There was not much in the bottle but there was enough to produce fatal results, and a short time afterwards the mother was horrified to find the child writhing in agony on the floor. She sent for a doctor immediately, and everything possible was done to save the little sufferer, but for six hours they labored, but in vain, and he died at 9 o'clock last evening.

Gordon academy opens this year with its teaching force greatly strengthened, having engaged new teachers in the departments of English and History and Mathematics and Science. The school offers exceptional opportunities with its classes of limited number where the individual student can receive personal attention.

YOUNG WIFE DEAD.

Mrs. Flora Dreher Billings Passes Away at St. Mark's Hospital.

A popular and lovable wife and mother passed away last evening at St. Mark's hospital in the unexpected death of Mrs. Flora Dreher Billings at the age of 31.

In consequence her family and a wide circle of admiring friends are plunged in grief. Mrs. Billings was the wife of Charles G. Billings, a promising young business man. The deceased was the sister and inseparable companion of the wife of Dr. A. S. Bower, and the daughter of Col. and Mrs. John Wilhert of 723 South Eleventh East street. She was a native of Geneseo, Ill., and later a resident with her family of Montana, with whom she removed to Salt Lake some six years ago. Mrs. Billings was a Salt Lake High school girl and was married in May, 1898. She was a marked social favorite, and was possessed of a beautiful face and form with special intellectual gifts and was likewise a promising musician.

Mrs. Billings leaves a fine baby boy, five weeks old, who will be cared for by his grandparents. Arrangements for the funeral are now under way.
