HOLDUPS ROB THE UNEMPLOYED

Small Business of Three Highwaymen on Banks of Ogden River.

MARTHA SOCIETY GIVES BALL

Young Scapegrace Sues for Writ of Habeas Corpus—S. P. Workers Again Laid Off—News Briefs.

Ogden, April 15.—The "hold-up game" is getting to be pretty poor when the robbers start in to hold up a bunch of unemployed men who are traveling over the country in quest of work the same as the robbers who only don't care for work but figure on gaining a livelihood in the most dishonest way. The police were informed at about midnight last night that 13 men who were camped on the river bank had been held up and robbed by three masked men and all their valuables taken.

The story brought to the police station by Thomas Collins, who stated that he had been relieved of a razor, a gold plated watch, but fortunately had \$5 which was tied up in a handkerchief. According to Collins, he and a dozen other men were seated around a bonfire built on the banks of Ogden river near the Southern Pacific bridge. All had completed their evening meal of "mulligan," were smoking their black corn cobs and relating experiences of the road, when out of the thicket and darkness of the night came a thunderous voice, "Hold up your hands, every one of you."

Every man was on his feet in an instant, stretching hands and arms as far as possible into the air and turning to face three masked robbers, each of whom bore a blue steel gun of a large caliber. It only took a few minutes to relieve the men of their valuables which were small and did not even include a gun. The robbers then calmly walked away, after warning their victims to keep quiet for five minutes. Officers from the railroad yards and police station were dispatched to the scene, but being without any clue, were unable to make any arrests at an early hour this morning.

CHARITY BALL.

Great interest is being taken in the "charity ball" to be given at the Congress Dancing academy next Monday evening by the ladies of the Martha society, which is Ogden's new charitable association, composed of ladies who

have been prominent in the relief work of churches of all denominations and who have combined to care for the poor and needy of the city. Gov. Cutler and other state officials have been invited to attend the ball which will be held in the erection of a home where those families in immediate need can be cared for.

RADCLIFFE HABEAS CORPUS.

Ogden, April 15.—This evening at 7:30 o'clock in the district court before Judge Howell, the habeas corpus hearing in the case of John Radcliffe, who is wanted at Mansfield, Ohio, will be heard. Radcliffe is the young chap who is wanted at the Ohio State reformatory, where he broke a parole, while serving time for attempting to shoot his father-in-law. When arrested, Radcliffe promised to return to the Ohio institution without requisition papers, but upon the arrival of Field Officer H. B. Collier of that school, Radcliffe refused to go without the requisition papers. While the papers are enroute to Utah, Radcliffe has retained a lawyer and now seeks to gain his liberty by habeas corpus proceedings.

S. P. WORKERS LAID OFF.

Last night 700 employees of the Southern Pacific company in the local shops were laid off from work until next Monday morning. It was one of the regular weekly lay offs and includes the men of every department, such as machinists, machinists, roundhouse and shop helpers. The lay-off will last until Monday morning, when the men will probably return for a half week's work.

UNION CEMENT PLANT.

Officers of the Union Portland Cement company who paid a visit to the plant at Devils Slide on Tuesday, returned to the city yesterday afternoon. They expressed themselves as being highly elated over the conditions and the progress of the plant. The plant at the present time is running two-thirds capacity and is turning out 1,500 barrels of cement a day. Two hundred men are employed at present.

NO TRACE OF ROBBERS.

So far the officers have little clue to work upon on the robbery of the residence of Mr. E. M. C. Chapman, who was robbed of \$400 worth of silverware on Monday night. That the robbers

SUCCESSFUL HORSE SHOW.

Claimed to be the Finest Display Ever Made in the State.

SPECIAL CORRESPONDENCE.

Provo, Utah Co., April 15.—The Utah County horse show, held here yesterday, was a pronounced success and brought out a host of spectators. The streets along the line of parade, which started at 9:30 o'clock, were thronged with people, who gathered from all parts of the county to witness the procession of fine horses, brought from all parts of the state.

THE PERFECT WAY

Scores of Salt Lake City Citizens Have Learned It.

If you suffer from backache, There is only one way to cure it. The perfect way is to cure the kidneys.

A bad back means sick kidneys. Neglect it, urinary troubles follow. Doan's Kidney Pills are made for kidneys only.

Are endorsed by Salt Lake City people.

Mrs. C. P. Hutchinson, living at 66 South Second West St., Salt Lake City, Utah, says: "In recommending Doan's Kidney Pills to the people of Salt Lake City, I do so because I think they are the best kidney remedy I have ever used. I suffered for a long time from backache and a weakness through my kidneys. Doan's Kidney Pills were brought to my attention and I procured a box at the F. J. Hill Drug Co. They quickly eradicated the trouble and I feel that it is my duty to let others know of the curative powers contained in Doan's Kidney Pills."

NORTH OGDEN.

PUBLIC IMPROVEMENTS.

New School Building, Cannery and Big Addition to Meetinghouse.

SPECIAL CORRESPONDENCE.

North Ogden, Weber Co., April 15.—Spring sowing is all done, the heat pruning is well under way, the early planted beets are coming up, and general farm work is advancing.

Much public and private improvement and building are in contemplation. The new cannery factory is progressing fairly well and it expects to be ready to handle the crop of 1908.

It is located on the Ogden North branch in the northwest part of town, and will be much larger than the present one on Washington avenue. E. G. McGriff, the leading horticulturist here, is the prime mover and president of the company.

Plans and specifications are in the hands of the architect for the erection of an annex to the ward meetinghouse, about 45 by 30 feet, with suitable class rooms for the ward auxiliary work on the first floor, an amusement hall on the second floor and a basement of sufficient dimensions to install a heating plant for the different apartments of the annex.

Bids will be opened Friday at 2 p. m., by the county board of education for the building of a modern eight-room school building in North Ogden, according to plans and specifications in the office of Architect Graves. This will be the fourth school building erected under the administration of the present school board in the county during its three years tenure of office, besides a number of additions.

The fruit crop does not show as flattering prospect for an abundant yield as last season, though under the increased acreage of the whole valley may not fall far below in the average. The mammoth well machinery operated by Ford & Jones is meeting with fair success. A flow was struck of most excellent water on the premises of W. C. Deamer, sufficient to irrigate an ordinary town block and one of equal size on the new cannery factory site. The chief interest now in an eight-inch well being put down on the McGriff fruit farm, now down several hundred feet. Mr. McGriff expects to continue boring till a subterranean flow is reached, sufficient to irrigate an ordinary fruit farm.

Clarence M. Barker, son of Bishop's Counselor N. H. Barker, returned last Sunday from the Australian mission after a three years' absence. He returns in excellent health and spirits. Sickness has been more prevalent than usual, but fortunately but one death has occurred, that of a little baby of County Commissioner Moore. Several members of the family are prostrate with pneumonia. Mrs. Annie Deamer, wife of Charles Deamer, is quite sick with a complication of troubles.

RICHFIELD.

FATAL ACCIDENT.

Little Son of Mr. and Mrs. Chas. Ogden Killed by a Horse.

SPECIAL CORRESPONDENCE.

Richfield, Sevier Co., April 12.—A very sad accident occurred here on the 10th inst., resulting in the death of little John Lavar Ogden, the 2-year-old son of Mr. and Mrs. Charles Ogden, who while playing in the foreground was kicked by a horse and injured so seriously that he died several hours later. The parents are prostrated with grief in being so suddenly and unexpectedly bereft of their little son. The funeral was held today from the family residence and was very largely attended.

Prof. Frank K. Seegmiller, principal of the high school here, has just returned from a trip to Salt Lake City. While away he was offered the position of instructor in German at the Latter-day Saints university, and he now has the matter under consideration.

SLIGHT EARTHQUAKE SHOCK.

Ward and Missionary Reunion—Death Of Four Children.

SPECIAL CORRESPONDENCE.

Beaver City, Beaver Co., April 15.—Two slight shocks of earthquake were felt in this place last night about half past 8 o'clock.

WARD REUNION.

Last night a reunion of the members

of the Beaver Ward was held in the assembly hall. A nice program was rendered, and an excellent feeling prevailed. The affair was partially in honor of Laurence White, who will be on the 25th inst. to fill a mission in the Northwestern States.

The reaper is very busy here at this time, four children having passed away during the past few days, each of them being taken by pneumonia, following measles. Martin Olsen, Isaac Goodwin and Chester Skinner have each lost their little ones. The last named buried one child on Monday last and another one (the last they have) is now dead and will be buried tomorrow.

The foundation for the new opera house is being laid, and the promoters hope to see it completed this fall.

Beaver stake conference will be held on the 18th and 19th.

REMARKABLE RECORD MADE BY COOPER IN MINNEAPOLIS.

The remarkable success that has attended L. T. Cooper during the past year has not been confined to any one locality, but is so widespread that the young man is now a well known figure in most of the leading cities of the country.

Mr. Cooper believes that the stomach is the foundation for most ill health, and claims that his preparation, by regulating the stomach, is a true specific for most diseases. The following extract from the Tribune of Minneapolis gives an idea of the surprising number of people who are accepting Cooper's theory. The article was one of many that appeared during Cooper's stay in Minneapolis, and is as follows:

"The sale of Cooper's preparation is now phenomenal in this city, and the estimate made today seems to indicate beyond all doubt that it will equal the large figures reported from Pittsburgh during the thirty days Mr. Cooper spent in that city."

"During the past twenty-two days Mr. Cooper has been in Minneapolis, the sale of his preparation has averaged about two thousand bottles a day. When the amount of medicine disposed of throughout the state is added to this, the amount will be doubled. Therefore, the young man has sold in twenty-two days eighty-eight thousand bottles of his medicine in the state of Minnesota alone, which is a truly remarkable record."

"During the past week so many hundreds of Minneapolis people have been calling to thank Cooper for the good he has accomplished with his medicine that it is safe to say that his visit will long be remembered by the sick of the city."
