Lyon's Kathairon is an invigorating tonic vegetable preparation, positively free from any mineral or deleterious substances. It is the most delightful of all hair dressing—cooling the head, allaying irritation, curing headache and throbbing temples, making the hair strong, fragrant, glossy and obedient to control, so cleanly to use that it will not soil the finest fabric, causing the hair to grow luxuriantly and beautifully, removing dandruff and pimples. No man or woman can become bald who will use the Lyon's Kathairon properly. d26 eod —3—

HAGAN'S MAGNOLIA BALM

is an unfailing prescription for a faultless complexion. Sallowness, roughness, sunburn, moth patches, freckles, discoloration, dark spots, unwholesome paleness, tan, pimples, eruptions, redness and every other kind of blemish disappear like magic by the use of Hagan's Magnolia Balm. A few applications applied with a soft linen cloth will leave the delicate hues of refined beauty and youthful bloom. Its application cannot be detected, and it is absolutely free from all possible harm, warranted purely a vegetable extract from the flowers of Southern France. d26 eod —3—

PRICE OF GOLD.

SALT LAKE CITY, April 5, 1876.

Local and Other Matters.

THERMOMETER 49 degrees F. in the shade at 1 p.m. to-day. Fine.

Preparing.—The cellars for the basements of the new buildings shortly to be erected between Dinwoody's warerooms and the Blazzard property are in process of excavation.

Lecture.—At the 16th District School-rooms, to-night, at half past seven, by Elder Geo. C. Ferguson, on "Time and its Measurement." It will probably be the last of the course under the auspices of the Y. M. M. I. A. of the 16th Ward.

A False Rumor.—A rumor has been afloat during the last few days that a number of the employees of Z. C. M. I. were at work, in the new building, on Sunday. We are able to state, from knowledge, that the assertion is entirely baseless and false.

Arrested.—Yesterday C. R. Tyler, cashier for the Union Pacific Railroad Company at Ogden, was arrested at that place, by a deputy U. S. Marshal, on a charge of embezzlement, and brought to this city. The discrepancy in the accounts is said to amount to within a trifle o $24,000.

Returned from South.—Elders M. H. Hardy and B. M. Young, who have been on a trip South, organizing improvement associations in the settlements, have returned to the City, to attend Conference. They anticipate soon taking another trip on the same business, when they will go as far as St. George.

A Test of Endurance. — Mr. Allen, the professional pedestrian, is now going through the feat of walking a hundred miles in a hundred hours, at the Wasatch Hall. He commenced on Monday evening, at 5 o'clock.

Conference Visitors. — We notice among the arrivals of visitors to attend Conference, General C. C. Rich and his son William, and Justice W. P. Nebeker, all from the Bear Lake Valley country; and from Cache Valley, Elder Brigham Young, Jr.; and Elder A. F. MacDonald, from St. George.

Second Ward.—We are informed that the concert in the 2nd Ward last evening, for the benefit of the Sunday school, passed off satisfactorily, the house being filled. The affair was conducted by Brother W. L. Ball, superintendent of the Sunday school. The entertainment will be repeated on Friday evening, with some change of programme.

Narrow Escape.—To-day a team, with wagon attached, started on a runaway, on Market Square. The teamster, a man from the country, was suddenly thrown from the vehicle, face down, upon the ground, the wheels passing within a foot of his head. The animals collided with the chains attached to the market posts, breaking the wagon tongue and doing other damage. The man thrown out had his face considerably cut and bruised.

Theatre. — Mr. Edwin Adams commences a brief engagement at the Theatre to-merrow evening, in his noted impersonation of "Phidias" and "Raphael," in the "Marble Heart." Miss Walters appears as "Marco," Mr. Lindsay as "Volage."

Messrs. Vinson and Margetts appear during Mr. Adams' engagement.

On Friday "Enoch Arden."

On Saturday a matinee.

Eighteenth Ward Concert.—The concert last evening, in the Social Hall, for the benefit of the 18th Ward Sunday School, was quite a success, being well attended and each performer rendering his or her part in a highly creditable manner, eliciting well merited applause, several responding to demonstrative solicitations for *encores*. Where all acquitted themselves so pleasingly and well, it would be invidious to mention special performances, although some were specially or conspicuously good. It is in place, however, to note the splendid reading of Mrs. A. H. Dunford, that lady giving so vivid a picture of a battle scene, with appropriate feeling, tone, inflection and gesture, that she fairly carried the audience.

Route to Arizona.—Robert A. Smith writes from Palaus, Kane county, March 12—

"Seeing that there is qute an emigration for Arizona, I will say that I think the route might be materially bettered by coming from Panguich down the Pahrea, thence across to House Rock. It would shorten the distance at least 20 miles, and some think from 20 to 50 miles, avoid crossing the Buckskin Mountain, and be better on account of water in summer and snow in winter. The road has been traveled to the Pahrea settlement, and we will open the road through to the House Rock Springs in a few days."

Z. C. M. I.—The regular semi-annual meeting of the stockholders of Zion's Co-operative Mercantile Institution was held this afternoon, commencing at two o'clock, in the Old Tabernacle, when the President presented his report, which embodied a report of a special committee appointed by him to examine and investigate as to the condition of the stock of goods on hand, and as to the condition of the accounts. The reports of the superintendent and secretary were also presented to the meeting, all of which were accepted.

Forty-Sixth Annual Conference.—The Forty-Sixth Annual Conference of the Church of Jesus Christ of Latter-day Saints will convene at ten o'clock to-morrow morning, at the New Tabernacle, in this city Although the atmospheric conditions have been exceedingly uncertain of late, there does seem a fair prospect at present for fine weather during the ensuing few days, and it will be most agreeable to the people who attend Conference if those indications hold out. Notwithstanding the favorableness of the weather at present, there does not seem such a large number of people here from the country districts as is usual about these times, although to-morrow may bring a large showing in that direction.

Conference times are naturally times of refreshing, in many senses, friends who have not seen each other for a season meet on such occasions and renew their acquaintanceship, and then, in meeting assembled, the people receive such instruction as they need to build them up in the faith of the gospel, enabling them to go forth with renewed determination to sustain and establish the kingdom of God.

City Council.—The Council met last evening, Mayor Little presiding.

Petition of S. A. Woolley and fifty-six others, residents of the Ninth Bishop's Ward, asking that a sufficient amount of their taxes be expended in making good street crossings in that locality; referred to committee on streets and alleys.

A communication was received from G. A. Luke and W. S. Trescott, stating that they desired to introduce in the city, for sale, a substance for kindling fires, the principal ingredient in which is coal oil, and asking the special privilege to deal in it, as there was an ordinance prohibiting the lighting of fires with coal oil; tabled.

The Mayor reported an expenditure from the contingent fund, during March, of $856.25; report adopted.

Alderman Pyper's police court report, for March, which was adopted, showed, that eighty-four cases had been before him, and that $616.50 in cash fines and $225 in labor fines had been assessed and collected.

Bill of City Marshal, for expenditures during the month of March, $323.48; referred to the committee on claims.

The following bills for the month of March were allowed and amounts appropriated.

For police services $1,023; Joseph Burt, City Hall janitor, $54; W. Hyde, for boarding City prisoners, $253.10; C. M. Donelson, services and expenses of fire department, $195.60; asylum and hospital expenditures, $531.55; bill of gas company $1,146.60; Armstrong and Bagley, $60.

Adjourned till next Tuesday evening at 7 o'clock.
