### Ultimatum to Street Railway.

Chicago, March 4 .- An ultimatum, reection of which will mean a strike on the Metropolitan elevated road, was is-sued last night at a meeting of division 398 of the Amalgamated Association of Street Railway Employes of America. The session continued until early this norning.

The action of the executive commite was indorsed in suspending negotiaas with the company because of its leged insistence on a provision stiputing that the employes should work it non-union men. The committee as instructed to submit to the com-any an ultimatum, the chief specifica-on of which is to the effect that the

San Domingo, March 4 .-- The Domini can government has informed United States Minister Powell that it is willing to issue a decree as requested by him to place Mr. Ros in the full possession of the benefits of his concessions upon the terms indicated by the minister.

The Dominican government had re-fused until now to take over certain improvements made by Salvador Ros including the building of a wharf and archouse and the improvements of the Macoris channel. These works were completed more

These works were completed more than three years ago, but were not **ac**. cepted, although the government has been enjoying the benefits of them since 1900. Minister of Finance Tevera has resigned as a protest against the set-

tlement which he had opposed. Candelario, Rosa and Suero, the leaders of the insurrection in the Bar-ahona district, have been captured, and that part of the republic is now quiet.

FATHER AUGUSTIN'S CASE.

## Secretary of War Sends Record to The Senate.

Washington, March 3 .- The scretary of war has sent to the senate records of courts-martial held in the Philippines since the military occupation of those islands by the United States, including the cases of Gen. Smith and Maj. Glenn The transcript also covers the opinior by the attorney-general in the case of Capt. C. M. Brownell of the Sixth In-fantry, charged with ordering the pun-ishment which resulted in the death at Similar which resulted in the destinant Banate of Father Augustin, in which the attorney-general found that Brow-nell could only have been tried by court-martial and that now he is out of the service and peace has been proclaimed in the Philippines, he is not subject to trial by a court of that character,

## Injunction Prevents Strike.

St. Louis, March 3 .- An injunction granted by Judge Adams of the United States district court pre-vented the culmination today of the threatened strike of the 1.100 firemen and trainmen of the Wabash railroad for higher wages. As the result of the poll during the past week among the employes over the question of striking in case President Ramsey refused to grant the demanded wage concessions on the Wabash east of the Mississippi river, the engineers and conductors refused to participate in a strike, but the firemen and trainmen favored it emphatically. Their com-mittees yesterday notified President Ramsey that he would be given until today to grant their demands.

### Viceroys' Sons Come as Students.

1 idon, March 4.-A dispatch to the Times from Shanghai says that native opinion, especially that of offi-cials, is much impressed with the ac-tion of the Viceroys Chan Chih Tung and Tuan Fang in sending their sons as students to the United States, at-tached to the suite of the new Chinese minister to Washington. This step is ence reports on the immigration, pub-lic building and sundry civil bills, the reference of the president's veto mes-sage of a Virginia claim bill to the committee on war claims, the adoption of a resolution to correct clerical erminister to Washington.
