

LOCAL AND OTHER MATTERS.

THEATRICAL.—There was a good house on the occasion of the benefit of Mr. C. W. Coultick, last night. It would be impossible to speak too highly of the playing either of the benefactor or of his accomplished daughter. It was the perfection of acting. The scenes where Luke Fielding compels his daughter to read the letter containing a confession of her guilt, and where the two are engaged winding up the business concerns of the farm, presented as affecting pictures of mental agony as it is possible to produce on the stage. We believe we owe the sentiments of a great many of the community when we say we would have been pleased were it possible to prolong the present engagement of Mr. and Miss Coultick. To-night the former will make his last appearance here as Louis the XI, one of his great specialties. This was one of the favorite characters of the late Charles (Lionel) and his rendition of it was certainly superb, yet, if Mr. Coultick's impersonation of this part is as good as others of his that we have seen, we do not doubt that he is fully equal to the late great tragedian. Those who have not seen the Coulticks during their present visit, should improve the opportunity afforded this evening. Miss Sallie Hinkley and J. W. Thompson are underlined to appear shortly.

Z. C. M. I. CLOSED ON MONDAY.—The various branches of Zion's Co-operative Mercantile Institution will be closed on Monday. This is in order to give the clerks and employees the benefit of the usual New Year's holiday, held in 1871 on the second day of the year because the first falls on Sunday.

HAPPY NEW YEAR!—In accordance with the general custom here New Year's will be observed as a general holiday, which in the year 1871 will be kept on the second instead of the first day of the year, the latter coming on Sunday. Wishing all our readers, subscribers and friends a very happy New Year, we announce to them that this office will be closed and publication suspended on Monday, that the types and all hands may participate in the festivities of the season.

THE MUSEUM.—Prof. Barfoot, of the Museum, will have his collection of animals and geological specimens on exhibition at the Museum and Menagerie at half price on Monday next. See advertisement and go and see the monkeys, bears, etc.

SOCIAL HALL.—The annual party of the 16th Ward was held in the Social Hall last night; and a splendid time they had of it. Bishop Kessler and his constituents were out in full force. Among the invited guests present were Elder Joseph F. Smith, Bishop Edward Hunter, Wm. Jennings, Esq., and other prominent citizens. The general feeling was that for a splendid time at a dance and party, there is no place in the city like the Social Hall.

THIRTEENTH WARD ASSEMBLY ROOMS.—To-morrow (Sunday) evening the usual meeting will be held at the 13th Ward Assembly Rooms, at 6 o'clock, and will be addressed, we are informed by Bishop Woodley, by Elder George Q. Cannon.

WILL LEAVE.—General C. C. Rich will leave town for his home, in Rich County on Monday morning next.

Our cordial acknowledgments are extended to E. Reid, Esq., for his "compliments of the season." It was worthy of his fine establishment.

MORE ABOUT THE KILLING OF RICHARD BROWN.—The following was received last night per Deseret Telegraph Line:

Provo, Dec. 30.
Last evening I communicated to J. B. Milner, Prosecuting Attorney, my belief, aside from the verdict of the jury, that John J. Baum, and Henry L. Davis, were connected with the killing of Richard Brown. The Attorney obtained a warrant for their arrest, issued by R. L. Thomas, J. P. Subsequently a writ was issued by Isaac Higbee, J. P., and placed in the hands of Deputy U. S. Marshal J. M. Cunningham, who proceeded to the house of J. B. Milner, to make the arrest, but service, endorsed by respectable John W. Turner, was finally accepted as he had previously made the arrest; Squire Thomas also sending an invitation to Isaac Higbee, to be present and sit with him during the examination, which commenced at the Court House at 2:30 p. m. The Court-room was densely crowded, and there was some excitement in the town. The Court was adjourned until to-morrow at 9 a. m.
The funeral of Richard Brown took place to-day, from the U. S. Hospital building, under the direction of Byron Roberts.
A. F. MacDonald.

LATER.—
COURT ROOM, PROVO, DEC. 31, 12:30 P. M.
The investigation is now in progress. John J. Baum has acknowledged to killing Brown. The defense is going on, pleading justifiable homicide. Miss Baum's deposition shows Brown to have been guilty of illicit intercourse since last June, resulting in her pregnancy by him. On the discovery of this, by the grandmother, Brown threatened the lives of the relatives. John J. Baum is the uncle of the girl and, having been threatened, he appears to have avenged her wrong and defended himself.

AN HONEST MAN.—That Bachelor friend of ours who had the misfortune to lose a hundred dollar bill, the other day, came into the sanctum this morning, his face wreathed in good humor, he having had the good fortune to recover the aforesaid bill, it having been handed to him by the gentleman who had found it—a working man. After that who can say that there is no such thing as an honest man? There is certainly one in Salt Lake City, and skeptics and dishonest men whose career has persuaded them that all men must be judged by their own low standard of honesty and morality, may find him, and that too without the aid of a lantern!

WHEN WILL WONDERS CEASE?—We have of late heard so much of "New Lights" that we had well nigh become afflicted; but, passing down East Temple street last evening, we were attracted with a brilliant illumination in the large French plate windows of Messrs. Tr & W. Taylor. Most every person passing exclaimed, "Why, here is the gas at last!" and truly it was real gas, generated upon a very simple principle, without wick or chimney. It is said to be the cheapest and we do not hesitate to say it is the most brilliant light ever introduced here. It is made by rapidly superheating coal gas, and is free from all artificial lights, because of its brilliancy and cheapness.

BEEHIVE.—Wm. D. Roberts, Esq., who is now in the East, writes from St. Louis on the 25th instant, to Elders W. Woodruff and R. L. Campbell, in this city, that he had attended the Bee Convention held at Indianapolis on the 22nd and 23rd inst., and had gained a large store of information, which would be of use to the beekeepers of Utah. He had made his purchases of bees, and calculates to ship them early in February. He will require all money due, paid and forwarded to him not a bit later than the first of February.

The Indianapolis Journal of the 23rd inst., contains a report of the second day's proceedings of the Bee Convention, from which we clip the following paragraph:
"By request of the Association, Mr. Roberts, the delegate from Utah, gave an account of the Italian bee, lately introduced into that Territory, and also of the honey producing plants of Utah. It was the purpose to secure the Italian bee for Utah, and then to exclude the black bee from the Territory by legislative enactments so as to keep the stock pure. There were to be no individual interests in hive patents there, but there was to be a selection made, and all was to be common property throughout the Territory so far as bee culture was concerned. He was much gratified with his kind reception here; the class he represented were seldom treated abroad with so much kindness."

UNIVERSITY OF DESERET.—The second term of this Institution, of the College year 1870-71 will commence on Tuesday next. Classes will be formed in German, Greek, Rhetoric, Zoology, Physiology, Surveying, Chemistry, etc., etc. Now is the time, young folks, to commence! Begin with the term, stick to your studies, support the Professors and Teachers, and their and your labors will prove an untold blessing to you! Remember Tuesday morning, and see advertisement for particulars in to-day's NEWS.

MR. G. F. TRAIN.—We received, this morning, from Mr. George Francis Train a clipping from the New York Sun of the 22nd instant, giving an account of his return. Mr. Train writes in his usual terse style, on the margin:

"Dear Elder Cannon and all friends, home, sick, but victorious."

Mr. Train is about to come out as an author, intending to publish a book with an account of his travels during the last three months. Utah will receive a prominent notice in his pages.

SOME "PUNKINS," WONT BE A "FIGURE-HEAD."—We heard last evening of a circumstance which evinces the most determined design on the part of Federal officials here to ignore everything like a Territorial Court, and also an oppressive amount of dignity.
The miners of Ophir Precinct, East Canon, Tooele County, a short time since petitioned the Tooele County Court to appoint a certain gentleman, whose name it is unnecessary to mention, to be Justice of the Peace in their midst. The petition was granted, and the gentleman filed his bonds in the office of the County Clerk and received his certificate. A day or two ago he applied to the proper source for his commission to act in the office to which he had been appointed; but the commission was denied, the man in authority declaring that those holding his office in Utah had been "figure heads" long enough; but he would give the matter his august consideration and,—do as he pleased about it.

MARRIED.—By President D. H. Wells, on the 29th instant, Mr. E. M. Reese to Miss Annie Eldredge, daughter of Mr. H. S. Eldredge, both of this city. We wish the happy couple long life, happiness and prosperity.

Died.
In Mill Creek Ward, Dec. 4th, 1870, Thomas Walton, aged 77 years, 7 months and 26 days.
