THE REASON FOR IT.

This Contest is only made possible through the active assistance and great liberality of the Vose & Sons, Bes-ton; W. W. Kimball Co., Chicago, and Schaeffer Plano Co., Chicago, three of the largest and wealthiest plano factories in the world, and whose sole representative we are for the State of Utah. It is simply an advertising campaign of these companies, conduct ed through our house. In order to the roughly advertise their planos in this section, they have deemed it better to spend this amount in prizes, given free to successful winners, rather than pay it out in expensive advertising in magazines, etc. It is a new departure in advertising, and one, we are successful winners, rather than that will be appreciated by the people of this section. In return for this large expenditure these companies na-turally expect to be repaid in part through a largely increased demand for their vianos from this section.

THE CERTIFICATE OF CREDIT.

The Certificates of Credit to be awarded as prizes to the winners in the contest are good only at our store, and will be accepted at face value towards payment of any new plane made by these companies. This is by special ar-rangment with us alone. Any certificate we redcem is returned by us to the factory making that particular plane from whom we receive due credit for same

OUR ONE PRICE SYSTEM.

Our wall known plant of marking every plane in plain figures at the lowest possible price and selling it at that price to one and all alike, the only fair and genuine reduction to the full amount the certificates may call for.
