IMPORTANT SUIT IN DISTRICT COURT

Mrs. Bertha Peterson Sues Saloon
Keepers for Selling Liquor to
Her Husband.

RESPONSIBLE FOR DRUNKENNESS

Wants Saloons to Pay for Injuries
Resulting to Intoxicated
Patron.

Ogden, Utah, Oct. 20.—An unusual case is now on trial in the second district court before Judge Howell and a jury. The trial of the case was commenced yesterday afternoon, but only a part of the jury to hear the case was obtained up to adjournment last evening, and this morning was partly occupied in securing the remainder of the eight jurors. The title of the case is Mrs. Bertha Peterson against H. McGarrity et al. The result of the trial will determine to a degree whether saloon keepers are responsible for injuries sustained by patrons of their saloons, caused by them becoming drunk. Mrs. Peterson claims that her husband visited the saloons of the defendants, spent his money there buying liquor, became intoxicated, and then started home on a bicycle, while riding along the street in an intoxicated condition, he fell from his wheel to the ground with considerable force, breaking his leg, which made it impossible for him to work for several months, to the damage of plaintiff in the sum of \$500, for which amount she asks judgment, claiming that the saloon keepers had no right to sell her husband enough liquor to make him intoxicated. The result of the case will be watched with interest.

SALOON CUTTING AFFRAY.

Two Greeks Quarrel and One is Seriously Stabbed.

Ogden, Oct. 20.—A cutting affray occurred last evening in a lower Twenty-fifth street saloon in which Harry Gavors and George Vergess were the principals, both Greeks. Vergess was drinking in the saloon, which belongs to Gavors. The two quarreled and came to blows, fighting hard for several minutes, moving towards the rear of the saloon, until they came to a small room where Vergess claims Gavors pulled a knife from his pocket and stabbed him in the back of the head and cut at the base of the skull, cutting a bad wound, which bled profusely. This stopped the fighting. Officer Thomas Maclean was summoned to the saloon, and placed both men under arrest. They were taken to the police station, where Vergess' wound was dressed and both men were locked up. Gavors may be charged with assault with a deadly weapon.

BOY BURGLARS CAUGHT.

Cracker Factory Looted by a Number of Youngsters.

Ogden, Oct. 20.—Five boys, ranging in age from 12 to 15 years, have been placed under arrest by Sergeant Pinhook on the charge of burglarizing the cracker factory at the rear of the Reed hotel. The factory has been broken into three times during the past few months, the last time about a week ago, when a quantity of crackers were taken and destroyed. The police have been working hard on the case. They learned that the boys arrested knew everything about the crackers taken, and placed them under arrest. One of the boys was frightened into making a confession of the burglaries, implicating the other four. He says that the distance to the factory was gained by one of the boys crawling through the coal chute into the basement, then he unlocked the door and let the other boys in, and they helped themselves to the crackers. At least one of the boys is known to have taken some of the stolen crackers home. The case will be tried in the juvenile court.

JAPANESE WILL HAVE LINE OF TRAMP STEAMERS.

Victoria, B. C., Oct. 20.—A dispatch was received by the Steamer Lyra that a combination had been formed of Japanese shipping firms to send tramp steamers to the United States and Europe with cargoes from Japan and Chinese points, carrying freight at a low rate, about one-third of the present rate. The 50 steamers which were captured while running contraband, and confiscated by the prize courts, were to be added to the fleet, and the augmented fleet which will be a big one when the steamers now in use by the government to bring home the troops are released, will cut a big income into the business of the foreign tramps, mostly British, German and Norwegian, now carrying cargoes from Japan and China to Europe and the United States. Penrod Sentenced to One Year in the
State Prison—Man Robbed While
Intoxicated.

Ogden, Oct. 20.—Mads C. Wangsgaard of Huntsville, one of Weber county's best known and most highly respected citizens, met with injuries at 11:30 yesterday morning at Huntsville, which resulted in death at 3:30 in the afternoon. Mr. Wangsgaard is road supervisor there and as such went with others to Winter's gravel pit, south of town, and started to work beneath the bank. They had not long been engaged when the bank caved in, covering Mr. Wangsgaard completely, breaking both legs near the hips and causing internal injuries, which doubtless resulted in his death. The unfortunate man was dug out as soon as possible, but it was plain to be seen that he was so badly injured that death was but a matter of a few hours. He was removed quickly to his home where Dr. Shields of Huntsville and Dr. Joyce of Ogden gave him all possible attention but without avail, he passed away at 3:30.

FUNERAL ON SUNDAY.

Mr. Wangsgaard was born in Jylland, Denmark, Nov. 8, 1849, and had been road supervisor of Huntsville for eight years. He was a sterling citizen and had many friends who will be grieved to hear of his demise. He is survived by his wife and five children, also five brothers. The funeral will be held from his late residence at Huntsville, Sunday, at 12 o'clock noon. Friends are invited to interment in the Huntsville cemetery.

A MOTHER'S LOVE.

What is More Beautiful than a Mother's Love?

"Who ran to help me when I fell
And would soothe my story tell,
Or kiss the place to make it well,
My mother."

A mother's worries are many. She sometimes forgets her own bodily discomforts because of her overpowering love for the child. She becomes broken down, sleepless, nervous, irritable and feels tired from morning until night. Many mothers of experience can tell you that at such a time they have been relieved, benefited and strengthened and put into proper health by taking a prescription which their mothers had told them was the best woman's tonic and nerve to be taken at such times. Dr. Pierce's Favorite Prescription has enjoyed an enviable reputation for over a third of a century. In all that time it has sold more largely in the United States than any other tonic for women's needs, and to-day its sales are greater than ever. Dr. Pierce made up this prescription from native medicinal roots without the use of a particle of alcohol and for the single purpose of curing those diseases peculiar to women and when there is a lack of womanly strength to bear the burdens of maternal duty. How few women come to this critical time with adequate strength. The reason why so many women sink under the strain of motherhood is because they are unprepared. Is preparation then required for motherhood? asks the young woman. And every experienced mother answers: "Yes." "I unhesitatingly advise expectant mothers to use Doctor Pierce's Favorite Prescription," writes Mrs. J. W. G. Stephens, of Milla, Va. The reason for this advice is that Dr. Pierce's Favorite Prescription is the best preparative for the maternal function. No matter how healthy and strong a woman may be, she cannot use "Favorite Prescription" as a preparative for maternity without gain of health and comfort. But it is the women who are not strong who best appreciate the great benefits received from the use of "Favorite Prescription." For one thing it makes the baby's advent practically painless. It has in many cases reduced days of suffering to brief few hours. It has changed the period of anxiety and struggle into a time of ease and comfort.
