## WEATHER CONDITIONS.

An extended area of low pressure over the entire plateau region, with greatest development over the middle portion. This condition has caused general depression throughout the middle and southern plateau regions, and central Rocky Mountain districts.

Rain is still falling this morning at Boise, Winnemucca, Modeno and Lander. Considerable precipitation is also reported from the Missouri and upper Mississippi valleys and lower lake region in consequence of the storm area central yesterday over those areas. A high area has developed over the upper Mississippi valley producing a decided fall in temperature over the entire Missouri and upper Mississippi valleys. No marked change in temperature occurred elsewhere.

L. LODOLZ, Temporarily in Charge.

## TEACHERS TO BE TRAINED.

Will be Prepared for Kindergarten Classes in Sunday Schools.

To the Editor:

The class in the L. D. S. university for the training of teachers in the kindergarten department of the Sunday schools, will commence Friday, Oct. 9, at 1 o'clock. The lessons will be given once per week, on Friday this year, from October to June. The value of the course has already been demonstrated. It prepares laid teachers for successful kindergarten work in the Sabbath school, besides being an invaluable acquisition to any one that may have the care of children. Mrs. Donnette Smith Kessler, assisted by the other kindergarten teachers of the university, will have charge of the class.

The persons who take this work should be distinguished by a natural love for children, should be able to sing the simple songs of childhood, and should have had at least a fair common school education. The training is of advantage to the primary and intermediate teacher as well as to the kindergarten, and the presence and methods in the Sunday schools of teachers so trained will exert a salutary influence in whatever grades they teach.

In this connection, it would be well if the public generally knew that by the laws of Utah kindergarten schools will be established in a few years throughout the state and that there will be excellent opportunities for remunerative employment in these lines for those who will prepare themselves for it by taking a regular kindergarten course, such as that which is now given by the Latter-day Saints' university.

GEO. D. PYPHER, General Secretary, Deseret Sunday School Union.

Beautiful Complexions.

Are spoiled by using any kind of preparation that fills the pores of the skin. The best way to secure a clear complexion is to use a cream, plums, blotches, etc., is to keep the liver in good order. An occasional dose of Herbine will cleanse the bowels, regulate the liver, and so establish a clear, healthy complexion. See at Z. C. M. I. Drug Dept.

As foreshadowed in the "News," Dr. S. Jay Utman was chosen last night captain of Troop A, National Guard, and the new officer will shortly arrive from Baltimore to be sworn in. He is a brother of Mrs. S. Utman of this city, an 1883 graduate of the University of Maryland, and a member of the University club of Salt Lake. Dr. Utman has often visited this city and hunted a good deal in Wyoming. He is a popular man.

The committee in charge of the entertainment of the Saints of the London conference in the Brigham Young Memorial hall on Monday night have perfected their program with the result that the Elders who have labored in that conference in days gone by will be the hosts on the occasion. A program, including some of the best talent of the city, has been arranged, and the refreshments will be served during the evening. Indications are that there will be a big crowd present.

F. H. Buhl of Sharon, Pa., who has extensive irrigation and mining interests in Utah and Idaho, has made his home town in the Keystone state the present of a fine clubhouse, which it is estimated will cost a quarter of a million. The house will contain a library, billiard and pool rooms, bowling alleys, baths, a complete gymnasium, etc. Provision is also made for a night school, the object of this gift is to improve the morals of the town of Sharon generally and to furnish young men particularly with means for improvement.

Two men, giving the names of William O'Brien and John Burns, were arrested by the police on Commercial street last night on suspicion of being members of the gang who robbed the Corcoran saloon Tuesday night. The men could give no satisfactory explanation of their whereabouts on the night in question. The proprietor of the saloon and one of his customers saw the men last night and identified them as members of the gang. The police now have four men under arrest charged with the crime and a complaint has been filed against them.

## OUR PROGRESS IN 1903.

NEXT Saturday's News-Fair and Conference edition will contain many interesting facts regarding our business development during the current year. An immense extra edition will be struck off to supply the demand. All Conference visitors will receive a copy FREE, so that advertisers may see at a glance what a valuable medium it will be for their announcements.

dar trade. The prevailing taste seems to be in the line of copies of landscapes, marine views, and scenes portraying the beauty and natural phases of ordinary everyday life. The demand for the "nude in art" has greatly fallen off. One line of calendars contains a series of the best works of Thomas Moran, Crockett, Church, Verelst, and other well known artists, as well as reproductions of the noted efforts of "the old masters." The vulgar is being relegated to the background—no saloons, gambling rooms and other unsavory places.

Friday the Globe Express company will take over all the property and franchises of the Western Express company and the Denver and Rio Grande Express company. George W. Kramer, vice president of the Utah Fuel company, will be the president of the new company and Messrs. Gould, Jeffery and other directors of the Rio Grande Express will be in the directory. Mr. Kramer is an old express man, having been in one of the earliest companies in Denver many years ago. For a long time he has been endeavoring to consolidate various express interests in Denver and it looks now as if he was going to succeed. That the Globe will eventually supplant the Wells-Fargo company, the Rio Grande Western and the Pacific on the Missouri Pacific is the opinion of railroad men.

Chamberlain's Cough Remedy.

No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures colds and gripes effectively and permanently, but prevents these diseases from returning in pneumonia. It is also a certain cure for croup. Whooping cough is not dangerous when this remedy is given. It contains no opium or other harmful substance and may be given to children and nursing mothers.

It is also pleasant to take. When all of these facts are taken into consideration it is not surprising that people in foreign lands, as well as here, esteem this remedy very highly and very few are willing to take any other after having once used it. For sale by all druggists.

## MRS. BRADLEY TALKS.

Tells Why She Thinks Brown Wanted More Time in Which to Plead.

"I do not ask for any less punishment than is given to Arthur Brown," volunteered Mrs. Annie Bradley to the "News" today. "He asked me to stand with him and bear my share of the burden. This I have done and now he has thrown me over. I am not seeking any money or notoriety, neither am I seeking sympathy, but I think that it is due to the public to know just how things are and the sentiment of Mrs. Brown in this case."

As to my pleading guilty, what else could I do. Had I pleaded not guilty it would be an admission that Arthur Brown was not the father of my child. The scheme of law is to make a very clever one for if I am given a light sentence or sentence is suspended he will promptly say to the court, 'here, you gave this woman a light sentence and she is equally guilty, neither am I seeking sympathy, but I think that it is due to the public to know just how things are and the sentiment of Mrs. Brown in this case.'

## SOCIAL AND PERSONAL.

Yesterday was a day of weddings, the list including those of Miss Katherine Rogers and Valentine S. Snow, Miss Bessie Clawson and LeRoy Hughes, Miss Roberta Ruth and Alan Lovey, Miss Maud Parker and George E. Airts, and Miss Ada Hillstead and Robert H. Canham. The marriage of Miss Rogers and Mr. Snow was solemnized at the Temple, that of Miss Ruth and Mr. Lovey at St. Paul's church, Miss Parker and Mr. Airts at the First Presbyterian church, and Miss Clawson and Mr. Hughes at the bride's home, that of Miss Hillstead and Mr. Canham being also a home affair. All were elaborate in detail with the exception of that of Miss Hillstead and Mr. Canham, which was of a quiet nature.

Mrs. A. D. Melvin held an informal reception at her home yesterday.

Mrs. W. H. Dale entertained at a second delightful tea yesterday.

Miss Zane will give a buffet luncheon on Saturday.

Mrs. E. E. Packard was hostess at a pretty luncheon at the Country club yesterday.

Mrs. Coulter is the guest of Mrs. Moyle.
