HARRY HAINES DEAD.

Passing of One of Ogden's Brightest Young Men—District Court Matters.

(Special to the "News.")

Ogden, Utah, July 6.—Harry D. Haines died at his home in this city of pulmonary and kidney troubles at the age of 24 years. He was the son of the late Isaac D. Haines, whose death occurred here a few weeks ago. Harry was one of the brightest and best young men of the community and his death is not only a terrible blow to his family but is keenly mourned by his friends of whom there seemed to be no limit. He went to California in 1898 to fulfill a mission which he did with honor to himself and credit to his people. While away he contracted the malady which finally claimed his life. For the past year he had been editing a newspaper in Arizona and returned home about five weeks ago in a very weak condition. While the dark cloud hung over the house for over a year the sad blow was almost unbearable for the widowed mother and the three sisters, who were receiving the warm sympathy of friends in the hour of their great sadness.

The funeral will be held from the late home, 641 Twenty-first street, tomorrow afternoon at 2 o'clock.

This morning while looking over the pictures in the police gallery at the police station, Chief Kidward was surprised to see the photo of O. H. Williams, who was brought back from Ogden last night by chief Hilton on charges of breaking into the Nebraska second-hand store. The visiting officer says that Williams' right name is Oscar Helgerson, and that he served three terms in the California state prison for burglary. The last term he served was for seven years. Mr. Kidward says he is one of the smoothest crooks who ever infested this country, and he has about 120 skeleton keys made by Heller in Los Angeles and a companion burglarized several stores, stole about \$1500 worth of jewelry and two days later sold it at public auction within two doors of one of the burglarized places.

PRIESTHOOD MEETING.

Subjects and Speakers at Last Night's Session.

The regular monthly meeting of the general Priesthood convened in the Assembly Hall last night, the 5th inst. President Angus M. Cannon presided. The meeting commenced by singing. "Now let us rejoice in the day of salvation." Prayer was offered by Elder John Clark, after which the meeting was continued by singing, "Do what thou wilt."

Elder David McKenney, president of the High Priests' quorum, announced that in accordance with an action of the meeting held at Salt Lake, June 29th, 1901, and through the kindness of Elder Joshua H. Paul, president of the Latter-day Saints' University, the High Priests would meet in the Assembly Hall, of that institution on the second Sunday of each month at 10 a. m., so that brethren unable to attend the meetings held on the last Saturday night might have the privilege of meeting on Sunday morning, as desired by many of the High Priests. All the High Priests and other members of the Priesthood may attend the meeting. The effect of the question whether certificates of removal and those entitling members to enter the Temple should be charged for at the meeting, was discussed. President Cannon stated that it was left to the Bishopric of the several wards to determine whether they will charge for the certificates or not. It is not obligatory.

Counselor Chase W. Penrose said he had been impressed by a statement made by Apostle Rudger Clawson at the last Stake conference in effect that some members of the Priesthood were non-templekeepers. It is possible that some of these reported cases have not working and consequently have no thing to pay. No one should be recorded among the non-templekeepers unless they refuse or neglect to pay when the respective ward quorons to urge upon them, in a wise and proper manner, the necessity of fulfilling their duty. All the Latter-day Saints should become converted to this doctrine. They should be converted in their hearts to every principle of the Gospel. If any of the brethren are in the weakness, their minds should be enlightened. He also said there was a great work to be done for the redemption of Zion and that it would not be redeemed until all had been converted to this law, and that is but a preparation for the law of consecration, which will prevail when Zion is fully established and redeemed.

President Cannon informed fully what had been said by Brother Penrose. Adjournment was then taken for one month, to meet in the Assembly Hall on the first Friday in August next, and the meeting closed by singing, "Our God, we praise to Thee," etc., after which benediction was pronounced by Elder John Nicholas.

YOU CAN CURE IT.

A New Cure for Catarrh in Tablet Form.

The old time treatment for catarrh was the use of douches or sprays; later on, internal remedies were given with greater success, but being in liquid or powdered form were inconvenient and were open to the same objection to all liquid remedies, that is, that they lose whatever medicinal power they have had on exposure to the air. The tablets are the ideal form in which to administer medication, but until recently no successful catarrh tablet had ever been attempted.

At this writing, however, a most excellent and palatable remedy for catarrh has been placed before the public and sold by druggists, called Stuart's Catarrh Tablets, composed of the most recent discoveries in medicines for the cure of catarrh. Results from their use have been highly gratifying.

Stuart's Catarrh Tablets contain principally highly concentrated antiseptics, which kill the catarrh germs in a blood and mucous membranes. In this respect are strictly scientific and modern, as it has been known for some years past by the ablest physicians that the most successful cathartic treatment is by inhaling or spraying antiseptics.

The use of inhalers, douches and sprays, however, is a nuisance and inconvenient, moreover, cat in no way compare with the same remedies given in tablet form, either in efficacy or convenience.

A clerk in a prominent insurance office in Pittsburgh related his experience with Stuart's Catarrh Tablets in a few words but to the point. He says: "Catarrh has been almost constant with me for eight years. I have tried every remedy known to me, but I have never been able to get rid of it. I have been suffering for the first half hour it was cough, spit, excruciating and even before I could get to bed, my head was aching, my appetite and a foul breath which annoyed me exceedingly."

"I used Stuart's Catarrh Tablets for two months and found them most pleasant to take but they did the business, and I can sincerely recommend them to all catarrh sufferers."

Druggists sell Stuart's Catarrh Tablets at a cent for each box. The boxes can be carried in the vest pocket and used at any time and as often as necessary. Guaranteed free from cocaine, mercury or any mineral poison; absolutely safe.
