Judge Morse issued an order to show cause in the case which is re-turnable on Saturday. It is probable that the city will bring an action to condemn a right of way over the land involved. By the explosion of a gasoline lamp which he was trying to repair, J. C. Parsons, of 257 west Ninth South street, was badly burned last night. The lamp

was badly burned last night. The lamp did not burn properly and Parsons was in the act of emptying out the liquid, when it became ignited from a near by blaze and the explosion followed. The man's clothing was saturated with the burning gasoline, and but for his pres-ence of mind in covering himself with bedding, he doubtless would have been burned to death. As it was his arm to the shoulder was badly injured, while the contents of the room were nearly destroyed before neighbors could extinguish the flames. involved.
