CHICAGO, ROCK ISLAND & PACIFIC RAILWAY

By readon of its central position and close relation to all principal lines East and West, at initial and terminal points, constitutes the most important mid-continental link in that system of through transportation which invites and facilitates travel and traffic between cities of the Atlantic and Pacific Coasts. It is also the favorite and best route to and from points East, Northeast and Southeast, and corresponding points West, Northwest and Southwest.

The Rock Island system includes in its main line and branches, Chicago, Joliet Ottawa, La Salle, Peoria, Geneseo, Moline and Rock Island, in Illinois; Davenport, Muscatine, Washington, Fairfield, Ottumwa, Oskaloosa, West Liberty, Iowa City, Dos Moines, Indianola, Winterset, Atlantic, Knoxville, Audubon, Harlan, Guthrie Centre and Council Bluffs, in Iowa, Gallatin, Trenton, Cameron and Kansas City, in Missouri; Leavenworth and Atchison, in Kansas; Albert Lea, Minneapolis and St Paul, in Minnesota; Watertown in Dakota, and hundreds of intermediate cities towns, villages and stations. THE CREAT ROCK ISLAND ROUTE

Guarantees its patrons that sense of personal security afforded by a solid, thoroughly ballasted road-bad; smooth tracks of continuous steel rail; substantially built culverts and bridges; rolling stock as near perfection as human skill can make it; the safety appliances of patent buffers platforms and air-brakes; and that exacting discipling which governs the practical operation of all its trains. Other specialties of this route are Transfers at all connecting points in Union Depots, and the unsurpassed comforts and luxuries of its Passenger Equipment.

The Fast Express Trains between Chicago and the Missouri River are composed of well ventilated linely upholstered Day Coaches, Magnificent Pullman Palace Sleepers of the latest design, and sumptuous Dining Cars, in which elaborately cooked meals are leisurely eaten, "good Digestion waiting on Appetite, and Health on both." Between Chicago and Kansas City and Atchison, are also run the Celebrated Recinning Chair Cars

THE FAMOUS ALBERT LEA ROUTE

athe direct and favorite line between Chicago and Minneapolis and St. Paul, where connections are made in Union Depots for all points in the Territories and British Provinces. Over this route, Fast Express Trains are run to the watering places, summer resorts, picturesquie localities, and hunting and fishing grounds of Iowa and Minnesota. It is also the most desirable route to the rich wheat fields and pastoral lands of interior Dakota.

Still another DIRECT LINE, via Seneca and Kankalose, has been opened between Newport News, Richmond, Cincinnati, Indianapolis, and Lanyotte and Council Blusts, Kansas City, Minneapolis and St. Paul and intermediate points. AMERICAN. The Situation at Seattle.

SEATTLE, W. T., 8 .- Seattle has been comparatively quiet to-day. The strival of United States troops seemed to have the effect desired. Their presence has afforded the loungers upon the streets an opportunity for comment pro and con. Say what the authorities may, there is a bitter feeling here because of the said-presence. But on the other hand the cooler heads, those who have property, congratulate President Clevelan upon his action. There will be no outbreak here now upon the "Chinese must go" question. Gen. Gibbons will be here to-night, and it is expected that five companies will be sent back to Vancouver to-morrow. The troops came here fresh Irom the paymaster, and many drunken ones were abroad since daylight. Saloons and restau-rants are reaping no small harvest. At this moment a corporal's guard is searching out the intoxicated soldlers and carrying them to the barracks. Five companies will go into camp to-morrow in the University grounds. The grand jury will to-morrow bring in indictmen's, it is learned, against many who have infringed the law in intimidating Chinamen. The mob at Tacoma, frightened by the turn things have taken, have released the Chinese, whom they accused of having fired the houses from which their countrymen nouses from which their countrymen were driven by the mob. Portland, Oregon, 8.—It may be safely said that the anti-Chinese agitation on the northwest coast is at an and. Ther may be a few more meetings, but no outrages. Nine-tenths of those who have engaged in these demonstrations are of the same class as those who

composed the notorious "sand-lotters" in San Franciso under the leadership of Dennis Kearney, and of whom a small number were members of the sand lot mob four years ago. The leaders in the agitation at Tacoma and Seattle were not workingmen, but iprofessional politicians of small calibre, who hoped to make capital out of it. Since yesterday these leaders have suddenly awakened to a realization of the fact that they have committed a crime against United have committed a crime against Unice States and Territorial laws, for which they will be held responsible. Possioly there may be secret agitation, but no one will have the hardihood publicly to order the Chinese away, as was done at Tacoma and towns in the immediate vicinity. The outrages have been confined exclusively to a small part of Puget Sound, viz. Seattle and Tacoma and small towns within twenty miles of these places, no demonstrations at Olympia or Port Townsend. The alleged "Labor Con gress" which met at Seattle a month ago, was called a few days since to meet at Olympia on the 24th instant. A itelegram from Olympia to-night says a meeting is being held there. There has been no agitation in Eastern Washington at all and none in Oregon outside of this city. The attempt made to arouse feelings here was started by S. B. Pettingill, a stranger from Vermont, who

was soon ridiculed out of his self-

A QUESTION ABOUT Brown's Iron

ANSWERED.The question has probably been asked thousand of times. "How can Brown's Iron Bitters cure every thing?" Well, it doesn't But it does cure any disassion which a reputable physician would prescribe fig. Physicians recognize Iron as the best restoration agent known to the profession, and inquiry of an leading chemical firm will substantiate the assertion that there are more preparations of iron than of an other substance used in medicine. This shows conclusively that iron is acknowledged to be important factor in soccessful medical prior in the bowever, a regranizable fact, that prior in the ory of BROWN'S IRON BITTERS. It satisfactory iron combination had ever be BROWN'S IRON BITTERS headsche, or produce constipation—all other free medicines do.
