FOR WHOSE BENEFIT

A PHYSICIAN'S OPINION.

"I have been practicing medicine for twenty years and have never been able to put up a vegetable compound that would, like Simmons Liver Regulator, promptly and effectively move the Liver to action, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system."

McGibbons Esq., 19 Poplar street, Allegheny, Pa., writes: "I had itching and bleeding piles so bad I could not sit, stand or walk without intense suffering. I doctored with many physicians, and tried all the (so called) cures that I ever heard of, in vain (paying out hundreds of dollars), until I used Emanl's Magic Balm, or Ointment. After the first application I enjoyed the best night's sleep I had for ten years, and two boxes have cured me completely." ☞ Wherever introduced Dr. Emanl's Balm takes the lead, and has the largest sale of any Pile remedy in the world. The resolutions adopted heartily endorse the administration of President Cleveland and earnestly recommend him for renomination. They approve of the President's message to Congress on the subject of tariff reform and reduction of war taxes. Daniel Connor, Joseph C. Moore, Alva W. Sullaway and Frank Jones were elected to the national convention. They are uninstructed, but are all for Cleveland.

WASHINGTON, May 1.—The President has approved the Military Academy appropriation bill, also the act to secure the relinquishment of the Indian title to portions of the reservation of the Sioux Indians, the act ratifying the agreement with Grot Ventre, Piegan, Blood, Blackfeet and River Crow Indians in Montana, and the act for the construction of an arsenal at Columbia, Tennessee.

Wisconsin Democrats.

MADISON, Wis., May 1.—The democratic State convention today adopted resolutions heartily endorsing the administration of President Cleveland in all respects, and demanding that taxation be limited to the needs of the government, economically administered, and be levied on luxuries rather than on the necessities of life, and be reduced in strict conformity to the principles laid down by the President in his message.

Gilbert M. Woodward, La Crosse; Emil Shandein, Milwaukee; George W. Bird, Madison; and J. H. Knight, Ashland, were chosen delegates-at-large to the national convention.

Ferdinand and Bulgaria.

BUCHAREST, May 1.—Prince Ferdinand of Bulgaria has arrived at Pievna. In an address made at a banquet given in his honor, he said: "Popular affection and loyalty strengthen me to defend the interests and lives of the people and secure a national triumph. My task is a difficult one, and I hope that the Bulgarian patriots will support me."

M. Stambuloff, minister of the interior, who accompanies the Prince, said the people and army supported the government and upheld the banner of independence while the country was without a prince. After Prince Alexander, who had not the courage to remain, had departed, Prince Ferdinand, who represents the glory and independence of the country, was the only man who responded to the country's appeal.

Strike Ended.

CHICAGO, May 1.—It is reported tonight that the great strike on the Burlington road has been declared off. the statement is that at a meeting of the leaders here today it was decided that the strike was lost and that the general grievance committee should be convened without delay to formally make such a declaration. Before Chief Arthur left for Cleveland tonight he was asked about the reports but declined to talk.

The Fisheries Treaty.

WASHINGTON, May 1.—Secretary Bayard stated today that he called Minister Pacips from London to use his influence with Senators to secure the ratification of the extradition treaty. The majority of the foreign relations committee reported adversely on the fisheries treaty yesterday. It is understood Bayard now desires further consideration of the treaty to be postponed until next winter. It is not certain that the republican majority in the Senate will agree to reject the fisheries treaty at once.

Two Duelists Killed.

JACKSON, Miss., May 1.—General Wirt Adams, postmaster of this place and John Martin, editor of the *New Mississippian*, this afternoon fought a street duel and both men were killed. General Adams was hit in the head and Martin was hit twice.

The accounts of the tragedy are conflicting, and it cannot be said who fired first. An article published this morning in the *New Mississippian* was the immediate cause of the tragedy, though a breach has long existed between the men. The article charged incompetence in the service in the postoffice for partisan reasons.

Frederick's Condition.

BERLIN, May 1.—The Emperor's fever increased this evening. His expectorations are more copious and his cough is worse; he is also suffering from a headache. An attempt has been made to relieve him by inserting a new cannula. During the day he was languid and had but little appetite. It is doubtful whether the Emperor will be able to go to the Elbe provinces. The relapse has scattered the hopes that were entertained of permanent improvement, but there is no cause for immediate uneasiness.

FIFTIETH CONGRESS.

HOUSE.

WASHINGTON, May 1.—The House went into committee of the whole on the tariff bill and was addressed by McCreary of Kentucky.

President Cleveland, he said, had made himself conspicuous before the whole country by the wisdom and courage exhibited in his annual message, when he recommended tax reform and a reduction of the surplus. Congress should long ago have reduced taxation, but the journals of the House would show that the repeated efforts of the democratic party in that direction were thwarted by the gentlemen on the other side. He then turned his attention to that portion of Kelly's tariff speech in which the latter dwells on the unfavorable condition of affairs in Kentucky, and the speaker declared the statements made by the gentleman were marvellous and gross misrepresentations.

Foran (Ohio) opposed the bill. He discussed at some length and earnestly opposed the proposition to place wool on the free list. Touching upon the question of wages, he declared that if the bill passed the American workman would be compelled to compete with English workmen and receive the same rate of pay for his work. He protested now, and would protest under any and all circumstances, against the false assumption and suicidal declaration that the so-called free bill involved democratic principles and democratic duty. If it was the intention of the bill to reduce the surplus it would prove an abortive failure. As it now stood he not only denounced it, but he repudiated it.

O'Farrell (Va.) supported the bill.

Dorsey (Neb.), followed in opposition to the bill. He said industry, and said population, created wealth. He adjured the citizens of the west either to stop trying to build up their cities or to defeat such attempts as were made in the pending bill to break down their industries. The President might deceive the people until the next election, but the people would then select and undo the wrong.

The committee then arose and the House adjourned.

PERSONAL.

Mr. N. H. Frohlichstein, of Mobile, Ala., writes: I take great pleasure in recommending Dr. King's New Discovery for Consumption, having used it for a severe attack of Bronchitis and Catarrh. It gave me instant relief and entirely cured me and I have not been afflicted since. I also beg to state that I had tried other remedies with good result. Have also used Electric Bitters and Dr. King's New Life Pills, both of which I can recommend.

Dr. King's New Discovery for Consumption, Coughs and Colds, is sold on a positive guarantee.

CASE OF BRIGHT'S DISEASE.

Complicated with Gravel.. How Help came at last. A Lucky Woman.

I have long resolved that I would apprise you of the deep sense of obligation which I feel. There is nothing which I now enjoy that I do not owe to the happy chance of having used Dr. David Kennedy's Favorite Remedy at a time when I was suffering all that a human being could endure. My troubles began in my Kidneys over nine years ago and from which I never expected to recover. First there was increasing pains in the small of my back and in my loins. I was feverish with no appetite and no sleep. I was compelled to use a cane when I walked, and I finally got so weak that I could not stand alone. The distress in my back was terrible, I was burning up with a fever or constantly shivering as cold. In a few months my physicians said I had Bright's disease, which was indeed alarming information. To add to my affliction after I had been ill about two years, I had a bad attack of gravel. When this made its appearance my physician gave up my case and I resigned myself to die. Up to this time I had four different doctors attend me, the best in the country, yet I constantly grew worse, six years ago last June, how well I remember the day, I saw Dr. David Kennedy's Favorite Remedy of Rondout, N. Y., advertised in our paper. I purchased a bottle, paying the price of One Dollar, and used it faithfully. After using one bott e I threw away my cane and went to New York on a visit, and three bottles cured me, this was six years ago. I have never had a return of gravel, nor of the pains or weakness in the back. Although I am over sixty years of age I am now vigorous and strong as I was in my prime.—Mrs. Emeline P. Miller, Burghill, Ohio.

Avoid making a mistake, by remembering the name of medicine, Favorite Remedy. Price $1.00. made at Rondout, N. Y.
