PRICES WERE ADVANCED.

Favorable Developments in British Campaign Caused the Rise.

Upward Tendency Checked by Heavy Sales-Not Showing of Losses-Live Stock and Produce Steady.

New York, Feb. 15.-Wall Street: London advanced the price of Americans before the opening here on the favorable developments in the British campaign in South Africa. Prices of the railroads advanced here all around. The specialties were rather irregular. The upward tendency was checked by heavy selling of sugar and Third Avenue, which led 2 1/2 to 3 1/2, respectively. Before 11 o'clock covering in sugar rallied 15 to 17 1/2 and caused a better tone all around. Concentrated bidding up of the metal stocks caused advances of 10 1/2 in the group. Other stocks also came into demand. Sugar rallied to the best Railroad stocks were maintained above yesterday's close. Pacific Mail receded in the final hour and the railroads sagged in spots. The specialties, however, were inclined to rally on the demand from the shorts. Sugar was marked up to 11 1/2. This resulted in a stiffening of the market. The closing was dull and irregular with the majority of stocks showing no losses. There was very little doing in bonds and price changes were mixed.
