

A Wise Legislator.

He is successful because he has the manly courage to rise above all personal motives and interests and cast his vote and influence on the side of measures which will contribute to the well-being of his fellow-men. The good of the many, even though it proves injurious to the interest of the few, is the maxim of the wise legislator. But certain men will never admit the wisdom of this doctrine, any more than some selfish private practitioners will admit the superlative value of Dr. Pierce's Golden Medical Discovery and Pleasant Purgative Pellets, because these remedies have injured their practice. Of course, no man in his right senses will pay a physician \$5 for consultation, a bottle of bitters, a few powders and a prescription, when one bottle of Dr. Pierce's Golden Medical Discovery and a bottle of his Pleasant Purgative Pellets, costing but \$1.25, will accomplish the same results, viz., cleanse the liver and blood, regulate and tone the stomach, and impart a healthful action to the bowels and kidneys. dsw

So convinced was she of the truth of the great Latter-day work, that to her last breath she counseled her children to follow in its path. Her remains were followed to the North Ogden cemetery by a large cortege of relatives and friends, and buried beside her husband and grandchildren. She has ever striven to live the life of a Saint, and died in full faith in the gospel, and her absence is deeply felt not only by her husband and children, to whom she has been a faithful wife and kind mother, but by all who knew her, for she has for many years been a faithful and prosperous servant to her sex, in their times of great need and

suffering by night or day in sickness or health. Millennial Star please copy.

Thousands of Mothers have placed on record their belief that for all complaints of the stomach and bowels to which children are subject,

Tarrant's Effervescent Seltzer Aperient

Is the most unexceptionable of correctives and alteratives. The reasons for this belief are obvious. It forms a delicious and most refreshing draught, relieves the bowels of all acid matter without pain, allays fever, induces sleep, strengthens the digestion, neutralizes acids in the stomach, cures flatulence, acts as a gentle stimulant, tones the tender nerves, and never gripes the patient.
