Silk Manufacturers Alarmed Because of a Recent Pennsylvania Decision.

Mrs. Angie F. Newman Caps the Climax of Anti-Mormon Sensations.

By Telegraph to the NEWS.]

WASHINGTON NEWS.

Silk Mem Exercised.—Chinese in Transit, Etc.

WASHINGTON, Oct. 23.—The President came into the city from Oak View today to attend a cabinet meeting. Members present — Secretary Endicott, Attorney-General Garland and Postmaster-General Dickinson.

PETITION FROM SILK MANUFACTURERS.

Petitions have begun coming in since the adjournment of Congress from persons interested in the manufacture of silk, praying for legislative remedy for the condition of things threatened as a result of the recent decision by the courts in Pennsylvania in respect to the duty on silk ribbons. The duty under the law has been held to be fifty per cent *ad valorem* but the importers have preferred a claim that ribbons should be admitted ash at and bonnet trimmings at 20 per cent *ad valorem* and they have now been judicially sustained. The petitions are largely signed by the operatives in the silk manufacturing establishments who say the decision will have the effect of throwing them all out or work. The opinion is expressed by high officials and expert authority that unless an appeal be taken and this decision reversed by a higher court it will cause a refund of between seven and ten millions, not to the consumers but to the importers, and that it will close every silk factory in the country.

QUARTERMASTER-GENERAL'S REPORT.

The annual report of the Quartermaster-General shows the appropriations for the year 1887-8 aggregated $9,218,088; received from sales to officers, $178,222; the total disbursements amounted to $10,748 016, leaving a balance on June 30th, 1888, of $1,317,593. The cost of moving troops was $212,646. The accounts of the bonded Pacific Railway companies for transportation of troops amounted in the aggregate to $310,699. The question of providing lighter clothing to troops stationed in extremely hot regions has been settled by the selection of garments made of cotton duck and ordered to be issued to troops in Texas, Arizona and the Department of Missouri.

CHINESE IN TRANSIT.

Acting Secretary Thompson telegraphed to the collector of customs at San Francisco today as follows:

"Chinese laborers returning to China from Panama may be transferred in the harbor from incoming to outgoing vessels without being landed on United States Territory. They must be safely guarded while in United States waters so as to prevent infraction of the Chinese exclusion act. These instructions may also apply en route to Panama, provided the vessels sail direct to Panama without touching at intermediat ports."

Remanded to China.

SAN FRANCISCO, Oct. 23.—Fifteen of the fifty-one Chinese who were released from the steamer *Belgic* last week on the plea that they were merchants, were remanded to China today by U. S. Circuit Judge Sawyer, at the request of their attorneys, who admitted that the men could not be classed as merchants.

What Montana Cattle Men Want.

OTTAWA, Oct. 23.—The Montana cattle men are clamoring for more than a modification of the Dominion quarantine legislation. They want free access to the grazing lands of the northwest, but principally desire transportation by the Canadian route to the seaboard. If the present regulations are modified, England, it is feared, will not continue to discriminate in favor of Canadian cattle.

Twenty-one Rioters Arrested.

ST. LOUIS, Oct. 23.—A special from Rio Grande City, Texas, says the recent threatened rise of the Mexican element which caused so much anxiety and led to the sending of state rangers and of several sheriffs of neighboring counties with large posses, has resolved itself into the arrest of twenty-one of the turbulent crowd, who virtually held the town. They were arrested by the Rangers on a charge of conspiracy with intent to murder, and brought up for examination, and bailed in sums from $500 to $5000 to appear at the next sitting of the District Court.

Edward Garcia, who was shot by Custom Officer Seberee, and which difficulty was the occasion of the trouble, is believed to be near death's door.

Political Notes.

NEW YORK, Oct. 23.—The United German Democracy has endorsed Mayor Hewitt.

Today was the third and last day of registration in Brooklyn. The total registration for the three days is 156,485. The total registration of 1884 was 130,000.

BOSTON, Oct. 23.—The registration for the election which closed tonight is announced to be 71,881 against 65,000 in 1884.

INDIANAPOLIS, Oct. 23.—Despite the disagreeable weather, sixty ladies from Terra Haute called on General and Mrs. Harrison. Each lady wore one or more badges and displayed the national colors, either in the guise of a handkerchief carried in the hand or a little silk flag pinned on the shoulder. Their reception was entirely informal. No speeches were indulged in on either side. Each fair visitor was introduced to and conversed with General Harrison, and Mrs. Harrison accompanied them through the parlors and related the history of several antique pictures and curious relics of the campaign of 1840 presented to the General since his nomination.

The Amount Stolen.

CLEVELAND, O., Oct. 23.—Late this afternoon it was announced that of the $876,887 64 turned over to the treasurer and by him deposited in the bank, only $646,450 05 remained on deposit. The shortage, therefore, amounts to $429,437 59. The police pension fund and fireman's relief fund, which were unsecured by the bond are gone, and over $192,000 of the board of education fund goes into the shortage. This last item is secured by a separate bond of $25,000, with Heisa Chamberlain and F. P. Handy as sureties.

It is believed that Axworthy's vessel property and real estate will inventory nearly half a million, and his bondsmen are secured. The city will lose probably nothing, as the bonds are good. No trace of the missing man has been secured. It is asserted that he is in Liverpool, England, on his way to Belgium, and he is well provided with ready money. It is rumored, but the rumor is not confirmed, that Axworthy lost heavily in the recent wheat squeeze, and that he was in the Gogebic iron crash for a large sum.

The common council met to take action in the premises. It was decided to declare the office of treasurer vacant and appoint a temporary treasurer.

Yellow Fever.

FERNANDINA, Fla., Oct. 23.—New cases, 14; no deaths. The weather is very warm. Reports from Chester say there were six cases there in 24 hours.

JACKSONVILLE, Oct. 23.—The official bulletin: New cases 33, deaths 1; total cases 3867, total deaths 333.

Another Defaulter.

PHILADELPHIA, Oct. 23.—A special from Norristown says: The protracted and unexplained absence of J. Roberts Rambo, ex-register of wills of this county, seems to substantiate the rumors that he is short in his accounts. The state authorities at Harrisburg place the amount of the defalcation at about $20,000.

She t His Wife.

FULTON, Mo., Oct. 13.—Last night Jackson Emerson entered the Pilgrim's Rest Church, drew a revolver and fired at his wife, Nina. The shot entered her head and the woman fell over dead. The congregation stampeded and the preacher jumped out of the second story window. Emerson is in jail. There are strong threats of lynching. The parties are colored.

A Missing Yale Student.

NEW HAVEN, Oct. 23.—Montgomery Gibson, Yale 1892, has been missing for a week. Detectives are now searching for him. Young Gibson, of Louisiana, received a check a week ago for several hundred dollars. He is known to have cashed the check, but has not been seen since by either his classmates or the college authorities.

A Scandal About Americans

BERLIN, Oct. 23.—The *Neuste Nachrichten*, of Munich, publishes a sensational article in relation to the Wurtemburg court scandals. It denounces the favoritism shown by the King of Wurtemburg to three Americans, who, it says, by means of spiritualism, have gained an enormous influence over the invalid monarch, which they are using for blackmailing purposes. It says one of them who was formerly secretary in the American legation at Stuttgart, has recently been ennobled.

No Reason to Fear War.

BERLIN, Oct. 23.—The *Post* says there is no reason for alarm over the reported preparations for the transfer of Russian troops towards the Austrian and German frontiers. It asserts that the Russian government decided upon these movements last spring. It also says the probability of Russian warlike action toward the west is entirely out of the question in view of the present general European situation. Russia's relations with Germany have continued to be of a satisfying nature since the Emperor's recent visit to St. Petersburg.

Mrs. Newman's Whoppers.

NEW YORK, Oct. 23.—This is the last day of the convention of the Woman's Christian Temperance Union. The first session was chiefly devoted to reports of organizers. Mrs. Mary B. Peesee spoke of the temperance cause among the Indians in the territories.

The feature of the day among the speeches was an address by Mrs. Angie F. Newman, who had charge of the work among the Mormon women. Her graphic description of the shocking condition of Mormon women elicited horrified exclamations from all parts of the house. She told of two sisters, Mormon girls, one 16 years old and the other 14 years old, whom she saw in a squalid condition, both with babies in their arms, and both girls wives of their own fathers. Another case mentioned was that of a man who had married, besides a wife outside his family, his mother, grandmother, his daughter and his grand-daughter, all these wives living at the same time.

The convention has adjourned *sine die*.
