### KICKAPOO INDIAN MEDICINE CO.

Gentlemen :- After suffering for four years with acute rheumatism, most of the time in great pain, I finally found relief through the use of Kickapoo Sagwa. I was at times so crippled I could neither walk nor stand, my general health failed me, and I endured a wretched existence, while life looked pretty dark to me. I tried a number of remedies and wasted much money on useless medicine and was very discouraged, when, like a sun in a dark night, Sagwa was brought to my notice, and in three months I was cured.

Words cannot express the gratitude I feel to you for the new life your medicine has given to me. Hope and joy are once more mine, and I gladly and emphatically endorse Sagwa as the most reliable medicine for rheumatism and blood disorders,-in fact, I consider it infallible. HARRY CAMPBELL.

92 So. 11th St., Minneapolis, Minn.

Rheumatism is caused by uric acid, which, in turn, is traced to albuminous food and bad digestion, cold, damp, worry, want of sleep, old age; all these things interfere with the di gestion and cause rheumatism or its brother-gout. There is no medicine which will so surely cure rheumatism as Kickapoo Indian Sagwa. It does a double work-neutralizes the 11 acid in the blood, and supplies the drained and exhausted 1 body with the vitality which has been undermined by the disease. It tones up every organ of the body into a combined healthy action, with the result that the poisonous impurities are quickly thrown off through the natural channels of the in kidneys and bowels. Whether theumatism attacks one joint in n or the whole system, whether the sufferer be wholly or parin tially a cripple, the action of Sagwa on the blood will quickly noperate to the elimination of the disease. There is one great reason for the success of Sagwa in rheumatic diseases . beause it is wholly vegetable, composed of roots, barks, herbs and gums. Mineral medicines are always sure to leave behind some other form of disease. The purely vegetable Kickapoo remedies cure altogether, and instead of leaving behind a new poison in the blood, they leave only those vitalizing elements 11 which feed the blood and build up the body.

> Here is another record of cure by Sagwa from MR. THOMAS FITZPATRICK, of Jersey City, N.J.

"Only those who have experienced the agonizing tortures of rheumatism can know the extent of my daily sufferings from this disease. I had muscular rheumatism in its worst form ; in fact, I was so had that I needed the support of two canes to get around at all. I was so badly crippled that after sitting an hour in my chair I was as if chained to it, and could not rise to reach my bedroom. At this time I began to use Kickapoo Sagwa. The result was so wonderful that I cannot help wrifing you this letter of thanks. Your medicine has perfectly cured my rheumatism, and I cannot say too much in praise of the Kickapoo Indian remedies which have done so much for me. I consider them the best medicines in the world to-day."

Remember, Sagwa is sold under a positive guarantee. Your ( money refunded if it is not satisfactory. All druggists sell A Sagwa. 50 cents and \$1.00 a bottle.
