FAST DAY SERVICE.

The regular fast day exercises were held at the tabernacle yesterday, consisting of a "tourist" service and organ recital by Asst. Organist Edward P. Kimball. Bishop Heber C. Iverson of the Second ward delivered a brief address on the doctrines of the Church of Jesus Christ of Latter-day Saints, and explained why they had been called "Mormons." It was an incorrect designation, Elder Iverson said, the real name of the Church being after Jesus Christ, and not after any man. He said the Latter-day Saints are not understood by the people of the United States. Their ideal is high, their aim perfection. They are persecuted as the Master was persecuted, and as He said they would be persecuted, they took upon them His name and followed His teachings. Elder Iverson concluded by bearing a strong testimony to the truth of the gospel.

SORENSEN SUBMITS REPORT. County Inspector is Pleaded With Showing at State Fair.

Horticultural Inspector John P. Sorenson has submitted his monthly report to the county commissioners for the month of October. The report follows:

"In the first part of October the deputy inspectors and the inspectors and some members and officers of the County Horticultural society, by the liberal assistance of the county commissioners, made a display of fruit at the state fair, showing what can be raised in Salt Lake county, and we were awarded the first prize and a gold medal for quality, quantity and good display.

"When we consider that the judges were especially selected as one of the most capable men from outside the state, so as to be free from local leanings, favoritism or prejudice, such a prize and award should be something for fruit raisers of the county to be proud of.

"After the fair one deputy was laid off, one taken down and two of them found more profitable employment at other work, so the statistical

returns that should have been collected are not complete as no returns have been made from two districts. "The fall digging of trees has now commenced and it will require one deputy to work south of Murray and one at Holiday and Mill Creek to inspect the trees for root diseases, as they are dug up. I will have all I can do to attend to the inspection of the importations of nursery stock. The first lot of trees from the east was reported yesterday for inspection, and I shall have to attend to the inspection of the four nurseries in the vicinity of this city as they dig their trees."

Park, all of whom dwelt upon the many noble traits of deceased, and uttered words of comfort and consolation to the bereaved. The opening prayer was offered by Elder A. W. Brown, and the benediction by President John M. Knight. The ward choir sang "Come, O Thou King of Kings," and other favorite hymns of Mrs. Cameron. Mrs. Emma Ramsey-Morris sang "The Beautiful City," and A. E. Brady rendered the solo "Face to Face."
