The Ladies' Relief corps of the U. S.

the closing week, including Easter
Sunday, for the members of the
Mormon Tabernacle choir, the trustees
of the Tabernacle, and the trustees
of the Tabernacle.

By 10 o'clock this morning the large
Tabernacle was crowded with those in
attendance at Conference, and thousands
were outside, waiting admission. The
Tabernacle was filled to overflowing,
moving them out on audience on nearly
4000, and large numbers of people had to
go away without being able to get
into either building, as great numbers
had come to see the great gathering.

The executive committee, with
representatives of the public press, said
that the Tabernacle was too full to
allow the law as well as those
who then attempted to come in to do
so, and that they would have to
move out on a walk, street, entrance
and intersections the numbered lines
of the law will apply the same to a gallery
and porch on either side as though
they were after a hardened criminal.

Sprinkling of Sidewalks.

Street Supervisor Hines said today
that if property owners would only
use a liberal amount of water in
sprinkling their lawns, the city
property it would assist the city
authorities very much in keeping down
the dust. He said they must have no
fear of violating the law.
