## NO SCORE GAME; AGGIES VS. AGGIES

### CHAMPIONSHIP IN BASKETBALL

Season Ends for Grade School Teams  
This Week—Two Games Sched-  
uled for Today.

The Agricultural college football teams of Utah and Montana played at Logan Monday afternoon, and after battling for 35 and 30 minute halves the game ended with a tie, nothing to nothing.

The field was muddy and slippery and the players had a hard time to get on their feet. The Logansites outplayed the visitors twice but unable to put it over. Forward passes were attempted several times but they failed because of the condition of the ball. The game was marked by a great deal of wrangling.

The Montana team was penalized several times and Coach McIntosh said this was one of the causes for his team's failure to score. The Logan boys did not play nearly as well as against the soldiers and they will have to do much better if they hope to gain any kind of a showing against Utah. If they do not show up again the game will probably be no better than the so called game last Saturday.

The game-up in Monday's game was as follows:

#### MORE AUTOMOBILES.

Local dealers estimate during 1909 there will be brought into this city and stay not less than 1,000 automobiles, the number that have been imported here altogether up to date. Denver has over 1,000 automobiles alone. The trouble confronting the dealers here as elsewhere, is they can not get enough machines from the manufacturer to meet the demand. There is not a dealer in Salt Lake who could not sell more autos if they could obtain them within a reasonable time.

**WRESTLERS AT Y. M. C. A.**

The call for wrestlers issued by Secretary Harvey of the Y. M. C. A. Wrestling club, resulted in the response about 50 at the recreation rooms Monday night. The boys gave Mike Yoke wrestling instructor a warm reception and all appeared to begin work at once. The meeting was to arrange for the winter mat work.

#### GAME ON SATURDAY.

On Saturday next, the Collegiate Institute football eleven and the Park City high school will clash on Cummings field. The college boys are working hard for the Miners and they feel sure of winning the game.

**YOUNG GIRLS ARE VICTIMS**  
of headache, as well as older women, but all get quick relief and prompt cure from the salve out on Cummings field, in Commerce City. Callahan said that you can't buy in that game for Yale, only three men remaining through the entire game, and thus allowing all the substitutes to go out and start the "Yankee water." The idea of this set to save the best men for the game with Harvard which comes off in the stadium at Cambridge next Saturday.

**MEHESY'S**  
**FOOTBALL TEAM.**

There is a possibility that the U. of Michigan team will play a game with the Michigan eleven here on Christmas. The Michigan team is going to the coast and due to time, Coach Mehesy has written to Coach Yost offering inducements that are considered liberal. If the Michiganer accepts and the weather is favorable, both fans will see Utah lined up against a real football team.

DE ORO, WHO WILL DEFEND HIS TITLE AGAINST TEAMS OF DENVER.

Alfred De Oro, the crack Cuban boxer, who successfully defended his title as three cushion billiard champion against John Daley of Chicago in New York recently, is to match his skill with Fred Eaton of Denver in the early part of December in New York. The contest will be for the Jordan-Lamont emblem in addition to the title. The emblem is now held by De Oro. He won it twice last season. The first time was in New York, in the winter when he played against the champion of the Chicago National, and the second time against the world champion of the world, Kiling, played Houston in Kansas City, Mo., Nov. 25. Should the champion defeat Houston, it is more than likely that he will meet De Oro before Christmas.

**JEFF'S CONDITION**  
**BECOMING GOOD**

New York, Nov. 16.—Jeffries is in a fighting frame of mind just now. At the conclusion of his afternoon's work in Cooper's gymnasium yesterday he asked his manager to let him go home, as he is in good enough condition at the present time to enter the ring against Johnson or anyone else. Unless some unforeseen accident should happen, Jeff will be as ever in his element when I meet Johnson," the retired champion declares. Jim has been putting in an average of two hours daily to the greatest exertion since he got back to this country, and it is real work to, that he is doing.

Sam Berger has been trying to persuade Jim to go on the road again, as he is still in the patronage of prize fighters. Therefore he never puts himself in the way of trouble. He never seeks accommodations at these hotels, and is therefore never turned down.

"When he travels he makes it a point to ride on the best and fastest trains, but seldom shows himself to be a passenger. Reservations are usually made through his manager, and he takes a stateroom or drawing-room to himself. There he is served with his meals and it goes without saying that he receives every attention possible from the beaming and admiring porters and colored waiters.

At stations where stops of five or 10 minutes are frequent, the black fighter quietly steps out to the platform to stretch his elongated limbs, and just as unostentatiously goes back to his apartment.

"When staying in Chicago the fighter seeks quarters in the home of some well-to-do black brother in the 'black belt.' His son invaded the downtown district and can only be found in places where he is assured of a welcome.

"He never makes himself conspicuous and when in the presence of white men he conducts himself in a most unassuming manner.

Fight fighting, like politics, makes queer bedfellows, at times, and by staying in his place Johnson is warmly welcomed by all with whom he comes in contact.

"He prides himself upon being a gentleman, and boasts that he has always acted in a manner to which no one might take exception."

**JAMES A. HART**

NOT A CANDIDATE

New York, Nov. 16.—The announcement from Chicago that James A. Hart would not be a candidate for president of the National baseball league, has caused speculation here on who else might be chosen by Charles Murphy as his candidate for John A. Hartigan's position. It is said here that Murphy will not favor Joseph O'Brien, president of the American association. The retirement of Hart from the race has strengthened the position of Haydn according to his friends.

**STRUTS IN FRISCO:**  
**GOOD IN CHICAGO**

Jack Johnson in San Francisco and Johnson in Chicago will be the other case of Dr. Jekyll and Mr. Hyde. In Frisco the big negro is cordially disliked because he swells and struts around and elbows white men aside while walking his way to the bar to order white man to wait on him. The color line is not very clearly de-

fined in Frisco, at that, but Johnson has made himself decidedly unpopular there since he became prominent as a fighter.

In Chicago it is decidedly different if that is to be inferred from the Chicago Journal is correct.

"Fight fans who take keen delight in reading of Jack Johnson's 'joy rides' and frequent arrests for breaking speed limits often wonder how it is that he, a coarse pugilist, is never barred from swank hotels as has been the fate of Battling Nelson and Jack O'Brien, white fighters.

The answer is this: Johnson knows his place. He knows the prejudice that exists in many quarters concerning the black man. Outside of that he knows that many exclusive hosteries do not want the patronage of prize fighters. Therefore he never puts himself in the way of trouble. He never seeks accommodations at these hotels, and is therefore never turned down.

**GOTH DEFEATS**

**WRESTLER ROLLER**

Kansas City, Mo., Nov. 16.—After an hour and 14 minutes' hard wrestling, in which both men appeared to be doing their utmost, Frank Goth of Humboldt, Ia., tonight remained the champion wrestler, defeating his opponent, Dr. Benjamin F. Roller of Seattle in straight falls. The first was gained in 16 minutes and in seconds the champion won a fall.

The second he won with the punishing toe hold in 27 minutes and 39 seconds. In the second fall, after 15 minutes of fast work, Roller got out in trying position, but for this time it appeared certain that the Iowan's shoulders would touch the mat.

**ODOM SENDS HIS HORSES TO LATONIA**

New York, Nov. 16.—George Odum, whose horses have won more than 40 races on the local tracks this year, has signed Prince Gal and Bonnie Kitee to his stable, where he believes they stand excellent chances in a number of races. He will not race at Juarez, but will winter his animals in Brooklyn.
