### LOCAL AND OTHER MATTERS.

PROGRESSING FINELY .- The 20th Ward Co-operative Association is a live affair. It has been in active operation for some time past. The company have now a number of building and other contracts on hand. we have no doubt the association will be a great benefit to those immediately connectd with it and to the community generally. The building and other departments are under the able superintendence of Brother William Paul, who is well known as a thoroughly practical and able architect and Builder; which is attested by the many excellent specimens of his ingenuity and skill which exists in this city.

We wish the Society every success, and hope to see other wards emulate the 20th Ward in so commendable an undertaking.

A PARTY.-There will be a party for the benefit of the Female Relief Society in the 19th Ward to-morrow night.

SWINDLING,-E. Barnaby was arrested upon a charge of swindling; he will be heard at I to-day.

DISCHARGED .- Wm. Murray, who was arrested upon a charge of passing counterteit money, was discharged from custody

THE NAVAJOES IN THE SOUTH .- We have teren kindly favored with a copy of the fellowing dispatch received by Deseret tele-

We have ordered out three platoons of cavalry under Captain Coplan, to be raised from Santa Clara, St. George, Washington and soil in winter. up the river, who will start as soon as they possibly can get ready.

JACOB GATTS, Aid-de-Camp.

IMPROVED COAL SCUTTLE .- We have been shown an improved coal scuttle which has even patented by T. Markland, Esq., of Phila leiphia. The chief improvement consists of a bottom of wood, which is fastened by rivits, and which, when worn out, can be casily replaced by another. This will strike everyone as a great improvement, though so very simple; for in the old style of scuttle, when the bottom is worn out, the scuttle is useless and is thrown aside. But this patent scuttle can be used for years. The firm of the late R. C. Sharkey has the sole and exclusive right from the patentee

In the Fall of the same year he was expelled from that county, and remained in Caldwell Co. until Feb. 1839, when he was expelled from the State under the exterminating order of L. W.
