

## AN OLD PIONEER.

Time tries all things, and the Oyster Grotto established and running since 1871, has always been in the lead when anything has occurred in wedding, anniversary and party lines in this city.

I am now prepared with best facilities in Utah Territory. The largest assortment of plain and fancy moulds for ice cream, water ices, Roman punch, tutti frutti, etc., and everything in the cake and confectionery line. Having secured the services of an able confectioner and baker I can furnish the best variety of plain and fancy cakes in the city. Church festivities and picnics supplied on reasonable terms. Having hundreds of tons of ice put up I can compete with any opposition. The finest ice cream parlor in Salt Lake. The Boston cream soda is acknowledged by experts to be the best, the syrups being pure and good. Orders for delivery at any hour of the day or night by telephone or otherwise will be promptly attended to. GEO ARBOGAST.

"Prickly Ash Bitters" is an unfailing specific for all complaints arising from a derangement of the functions of the liver. It purifies the blood and infuses new life into the invalid. Pains in the side, general uneasiness, loss of appetite, headache, bilious attacks, &c., &c., are sure indications that a corrective is needed. "Prickly Ash Bitters" is especially adapted for these complaints. It arouses a torpid liver to action and restores it to a healthy condition.
