THE HIGH SCHOOL LEAGUE.

Larson Did Excellent Work for the Winning Team by Fanning Fifteen Men During Contest.

HOW THEY STAND.

W. L. P.C. 1,000 In yesterday afternoon's game in the

High School league series, All Hallows team was given a crushing defeat at the hands of the Collegiate Institute bunch of hall tossers, the final score being 13 to 2. In spite of the one-sidedness of the mix up, the game was interesting throughout nd pleased the fans who witnessed it

and pleased the fans who witnessed it. All Hallow made a plucky light but the edds were too much for them. The Col-legiste players secured a good hold in the first iming and refused to let go. Three for the Collegiste and quinn for All Hallows, pitched good ball during the pine innings, but the former had the bet-ter of it. He allowed but five hits and struck out 15 men. Quinn fanned 16, so it will be seen from this that both went into the affair to win. Tarson was steady in every inning, but in the seventh Quinn tegran to weaken. In justice to Quinn it should be stated, however, that he received ragged support, while the support accorded to Larson was good all the time. The detailed score follows:

Hurry, like a cyclone, whirls you along at a rate that quickly exhausts your energy, and leaves you a nerveless, wretched, broken-down physical wreck.

Worry accomplishes the same results in another way. It drags you through the dark, gloomy tunnel of forbodings, wrecks your nerves and breaks down the constitution.

Then don't hurry; don't worry. But you will; and your nerveless, exhausted condition brings headaches, neuralgia, heart, stomach, liver and kidney troubles. The thing to do is: Strengthen the nerves with Dr. Miles' Nervine.

With Dr. Miles' Nervine. "Six months I was bediast with nervous prostration. I had sinking spells, a cold, damy feeling, couldn't stand the slightest noise. At times I would almost fu' to pieces; stomach very weak. My husband insisted on my taking Dr. Miles' Nervine, and I began to improve before I had finished the first bottle, and to-day I am en-tirely cured."
