sixth story in 20 seconds. The last of the plastering in the three upper stories is now being completed and one of the floors has almost entirely received its coating of hard finish. While everything on the three floors will not be completed, the arrangements will have progressed far enough to enable the Short Line people to com-mence moving their furniture on the closing days of the present month. Work on the other stories will then be pushed, the large store on the ground floor being finished first, for the reception of the "News" book and stationary departments immediately after the April conference. The "News" business office and mechanical plants will no e moved until the Annex is completed which will be early in the summer.

The situation in local commercial circles during the week seems to be that money remains in active demand, and that rates of interest are continuing to advance. Some very large loans for-merly made on a 6 per cent basis are first known to have been renewed at 7 per The indications, however, cent. are said among those best informed to be that there will be a material easing up of the money market within the next thirty days.

Local commercial stocks have been in good demand, the main transactions having been made in Utah Sugar, at \$16.15 to \$16.25. Closing transactions this morning were on a basis of \$16.15. The price of granulated sugar remains teady with a good demand in Utah, The Idaho and Montana. Co-op Wagon stock has sold at from \$153 to \$155 per

## Was Introduced by Sir Thomas Liptou - Steel Magnate Enjoyed Visit Very Much Indeed.

London, Feb. 7 .- Mr. Schwab, head of the great American Steel corporation, had half an hour's audience with King Edward at Marlborough house yesterday afternoon. Mr. Schwab was accompanied by Sir Thomas Lipton, who introduced him to his majesty., The king greeted his American visitor in the most cordial manner, and chatted freely with him, mainly on the friendship between the United States and Great Britain. His majesty especially referred to the close connection between the industries of the two countries and the friendship existing between the workingmen on both

sides of the Atlantic. To a representative of the Associated Press Mr. Schwab said: "All I can say is that I had a most enjoyable interview, and came away with charm-

tents and purposes, a secondary consid-eration. It is the fact that organized ing recollections of King Edward." It was learned by the Associated labor has been at last recognized by the Rio Grande Western that makes Press correspondent that the king disthem joyful. Prior to the absorption of the Westplayed keen interest and knowledge of the industrial conditions of the United ern by the Gould syndicate, when it came to issuing orders the general su-States, and evinced nothing but the most kindly sentiment toward that perintendent was absolute. The fact that annual conferences are now to be progress which American business is

n order between the committee ap making in Great Britain. The conversation, which was quite informal, touched on a variety of toppointed by the trainmen's unions and the officials of the Rio Grande lines, ics, throughout which his majesty's cordiality toward Americans and their with an occasional one as circum-stances may warrant, is considered by the men to be in the nature of a vic institutions was strikingly apparent. Mr. Schwab said his European trip

had been purely for pleasure, and as such had been eminently successful. During his tour of Europe Mr. Schwab was received in audience by three monarchs, and he everywhere noticed a palpable desire to maintain and strengthen the friendly relations with America America.

### To Maintain Plate Glass Prices.

Pittsburg, Pa., Feb. 8 .- At a meeting of representatives of the Pittsburg Plate Glass company and the largest independent manufacturers in this country in this city arrangements were made for the summer shut-down and

The agreement is similar in detail to that of last season. It was thought that some opposition would be met from the independent plants now under course of construction but assurances have been given that some some there to maintain prices. Assistant General Passenger Agent Heintz of the Rio Grande lines is in recelpt of a communication that the transportation committee of the Louishave been given that as soon as these plants are in the market the compact his city from Kentucky tomorrow. They propose to look over the ground and secure quarters for their lodge be will be observed.
