## FIFTY PERSONS BURNED TO DEATH

Were Immigrants on a Baltimore  
& Ohio Train. Six Coaches of  
Which Were Consumed.

IT COLLIDED WITH A FREIGHT.

Accident Caused by Freight Crew  
Failing to Observe Signals  
On First Section.

One Hundred and Sixty-seven Passen-  
gers Aboard But Only Hundred and  
Seventeen Accounted For.

Valparaiso, Ind., Nov. 12.—Fifty out  
of 167 immigrants who were on a Balti-  
more & Ohio passenger train, which  
collided head-on with a freight train  
this morning at Woodville, 10 miles  
north of here, are missing, and it is be-  
lieved their bodies were consumed by  
the fire which destroyed six coaches of  
the immigrant train.

The immigrant train was bound for  
Chicago. The accident was caused  
by the freight crew failing to observe  
signals on the first section of the im-  
migrant train that another was follow-  
ing. The immigrant train caught fire  
and was entirely consumed. There  
were 167 passengers aboard the train  
and 117 of them have been accounted  
for.

All the injured were taken to Mercy  
hospital, Chicago, on a special train af-  
ter their injuries had been attended to  
by physicians from this city.

All of the train crew on both the  
freight and passenger trains were killed.  
A wrecking crew from Chicago cleared  
away the wreckage. The immigrants  
consisted of Russian Jews, Servians  
and Poles, and were enroute to the  
northwest.

THE INJURED.

La Porte, Ind., Nov. 12.—The injured  
in Baltimore & Ohio wreck will num-  
ber 40. The passengers were asleep  
when the accident occurred. The cars  
caught fire at once and many were  
caught in the wreckage, and were un-  
able to release themselves and it is  
thought they were consumed by the  
flames. Cries of the victims filled the  
air and those who were not badly hurt  
tried to save others, but they were not  
very successful as the flames drove  
them back.

OFFICIAL ACKNOWLEDGMENT.

Chicago, Nov. 12.—At 1 o'clock officials  
of the Baltimore & Ohio railroad an-  
nounced that they had received posi-  
tive news from the wreck at Wood-  
ville and it was known that out of the  
167 persons on the train, 49 were killed,  
10 others injured and 60 escaped unhurt.

SCENE OF WRECK.

Chicago, Nov. 12.—A wreck occurred  
today on the Baltimore & Ohio railroad  
at Woodville, Ind., about 30 miles from  
this city. Reports so far are conflict-  
ing but the majority of them place the  
number of dead at five killed outright  
in the collision, 10 to 20 others caught  
in the wreckage and burned to death  
and 20 seriously injured. The majority  
of the killed and injured are immi-  
grants. The accident is said to have  
been caused by a confusion regarding  
signals which allowed the immigrant  
train to pass a station when a freight  
train was approaching from the oppo-  
site direction. The freight train, which  
was carrying a large load of lumber,  
at full speed and the impact wrecked  
both of them completely. A number  
of the cars of the immigrant train was  
knocked down a 16-foot embankment and  
immediately caught fire. Although  
every possible effort was made to ex-  
tinctify them from the wreckage, the  
flames spread so rapidly that this was  
impossible in many cases, and it is said  
that fully a score of them were burned  
before aid could be given. It is known  
that five of the immigrants were killed  
outright and the engineer of the immi-  
grant train was not badly injured. His  
recovery is impossible. At Woodville  
is a small station about 10 miles north  
of Valparaiso, and aid was immedi-  
ately summoned from that place. A wreck-  
ing train which was at once made up  
at Woodville, was dispatched along the  
line to secure medical aid and every  
physician within reach was at once tele-  
graphed to the wreck and hurried  
back to Woodville.

Later reports from the wreck de-  
clared that the number of dead was  
higher and that none of the immi-  
grants was burned to death in the  
wreckage.

The colliding trains were express  
No. 1, west bound, made up of ex-  
press and passenger cars, and freight  
train No. 98 eastbound. The ex-  
press train had 150 passengers on  
board, nearly all immigrants.

The railroad company gathered  
physicians from every available point  
and a wreck train from Chicago  
brought others. There were 50 at the  
scene to attend the injured.

The wreck occurred on a curve and  
the engineers had but little time to  
reverse their levers and jump.

The officials of the Baltimore and  
Ohio railroad said later in the morn-  
ing that only one man had been found  
killed in the wreck and he was an  
unknown Italian.

At 10:30 o'clock the Baltimore &  
Ohio railroad notified Mercy hospital here  
to be prepared for the reception of  
40 injured persons, and requested the  
aid of the police department in car-  
rying them. Chief of Police Col-  
lins at once ordered 14 ambulances  
to meet the train at the wreck. It was  
then that the train would not reach this  
city before 3:30 o'clock.

The accident, it is declared, was the  
result of a misdirection. He ordered a freight  
train held at Chicago Junction, Ind., to al-  
low a passenger train to pass. The  
sections, but the conductor of the  
freight train was not notified of this.  
When the first section had passed he  
therefore pulled out the main track  
and the collision followed.

## GENERAL SHAFTER DIED THIS AFTERNOON.

Bakersfield, Cal., Nov. 12.—Gen. W.  
R. Shafter died here this afternoon at  
12:45.

DELIBERATELY KILLED  
HIS SISTER'S BETRAYER.

Portland, Ore., Nov. 12.—Shortly after  
8 o'clock today Orlando S. Murray, aged  
21 years, son of an East Side physician,  
shot and killed Lincoln C. Whitney of  
Hubbard, Oregon, at the home of the  
latter's sister, Mrs. Porter, at East  
Third and East Harrison streets, and  
then boarded a car and went to the  
office of Sheriff Stevens, where he sur-  
rendered himself. In a statement to  
the police young Murray said he killed  
Whitney because of the latter's per-  
sistent refusal to right a wrong done  
Murray's sister. Young Murray was  
extremely self-possessed while making  
his statement and said that he killed  
Whitney after pleading with him for  
three-quarters of an hour to right the  
wrong done Miss Murray. In the room  
at the time of the shooting were Mrs.  
Porter and her young daughter, both  
of whom when realizing the intent of  
Murray rushed between the men to  
prevent further firing but he pushed  
them aside and fired a bullet into Whit-  
ney's body, killing him instantly.

GOV. HEYWOOD ON  
THE NEGRO PROBLEM.

Nashville, Tenn., Nov. 12.—The second  
annual session of the Southern Immi-  
gration and Quarantine conference be-  
gan today. The real purpose of the  
conference is to bring about a more  
equitable distribution of immigrants.  
The idle negro class causes some ap-  
prehension of the people of the north  
and it is said, and this operates against  
the south receiving what it thinks is its  
proper share of laborers from abroad.  
Various plans are suggested for rid-  
ding the south of the negroes, and the  
race question was thus early in-  
jected into the discussion.

Gov. D. O. Heywood of South Caroli-  
na, said the coming of immigrants to  
the south had a bearing upon the prac-  
tical and direct solution of the race  
problem. There had been too much  
theorizing, it was time for action.

In speaking of the plan to deport ne-  
groes, Gov. Heywood said the deporta-  
tion could not be attempted unless it  
became a national and not a southern  
movement.

"In the course of time," he continued,  
"the negro, who is now rapidly in-  
creasing in certain cities of the north,  
may by his failure to meet the expecta-  
tions of the people of the north and of  
his own consequent responsibility, be-  
come such a hindrance and menace  
that our northern friends will be ready  
to do something more than simply give  
advice to the south."

Gov. Heywood did not believe that  
the antagonism between the races in  
the south was as bad as had been re-  
ported.

"I do not believe," said he, "that the  
southern people are standing on a vol-  
cano and that we are not far removed  
from a race war."

"The white race is the predominant  
race and the negro must understand  
once and for all that the bounds of  
social and political freedom are de-  
termined by the white man and by  
the white men's code. He has a right  
to expect that his civil status should be  
the same in every respect as is that of  
the white man. If he refuses to adjust  
himself to those inflexible conditions,  
then the negro will have to go."

Gen. McKendall Says \$16,052,431 Will

presidential act of March 3, 1901. During  
the year the number of guns available  
for service was increased by the addition  
of eight mortars, four 3-inch guns and  
44 rapid-fire guns. The total number  
of the armaments for which Con-  
gress has appropriated funds was 375  
3-inch mortars, 10 12-inch guns, 12 10-  
inch guns, 59 3-inch guns and 387 rapid-  
fire guns.
