special Correspondence. Richfield, April 17.—The Easter party given by the Relief Society was in every respect a success from beginning to end. The dancing was interspersed with an appropriate program, and the

uncheon served was unique and deli-

Arbor day was quite generally ob-served here, by planting trees, however, served here, by planting trees, however, an infortunate ranaway was the most exciting incident of the day. As the public school teachers and pupils were engaged in preparing a portion of the school grounds for planting a lawn the team which was attached to the plow took fright and broke away from the hoy who was driving them and rau almost at lighting speed with the plow clear across the public square, when the horses came in contact with a shade tree with such force that one of the animals fell to the ground with its shoulder broken or dislocated, while of the animals fell to the ground with ts shoulder broken or dislocated, while the other sped down main street with the double-trees dragging, the plow-having become detached. The team be-onged to Mr. D. L. Day, of this place, and the animal injured was a valuable one. That all the school children on the ground escaped without injury is little less than a miracle. ittle less than a miracle.

BUSINESS CHANGES.

Yesterday was a day of removals ere. The James M. Peterson bank has left the small rock structure in the has been part of town and went into the handsome new three story structure at the corner of Main and Center streets. The new bank building is perhaps the finest business block in the county and will long be a monument to the enter-

will long be a monument to the enter-prise of its owners. The postoffice, which has heretofore been off Main street and out of the business center of town, was removed into the P. C. Peterson building on Main street adjoining the Peoples' Equitable Co-op store. Postmaster Poulson will have the sincere thanks of his matrons for this move to their f his patrons for this move to their

commodation. Attorney C. W. Collins moved his law flice from the Neill building to a suite f rooms on the second floor in the Peterson block.

Millions Given Away.

last.

It is certainly gratifying to the public to know of one concern which is not afraid to be generous. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles and have the satisfaction of knowing it has cured thousands of hopeless cases, Asthma, Bronohitis, La Grippe and all Throat, Chest and Lung diseases are surely cured by it. Call on Z. C. M. I.

Spring Work in Full Swing-Plenty

of Moisture.

Leigh, Fremont Co., Idaho, April 16 .--

Spring work is in full blast. We are

having a great many showers lately.

The average depth of snow last winter was about eight inches on the level; the

was about eight menes on the level; the enow in the east mountains is very deep as the clouds would cling to the great Tetons peaks and caused the snow to fall more than it did on the lower mountains. We have seen a few of the

excursionists in this ward that are look.

ing for new homes, some of them were much taken up with our country. Wil-lard Farr, son of Loren Farr of Ogden,

came all the way from St. John, Arlz

to see what was to be seen in this

beautiful valley. We are at this point some 6,100 feet

above sea level. Sister Lydia Jarman presented her

husband, Arthur J., with a little son. All doing nicely.

plaint alleging that his brother, Charles Schiffman, is insane. Schiffman +will be examined tomorrow before his honor, Sunnyside, Carbon County, April 4 .and if the allegation proves to be cor This new coal mining camp is quite acrect he will be sent to the asylum at Provo. Schiffman will be remembered tive, working every day in the week. The coal company has erected twenty in Salt Lake City as the barber who, h six-roomed cottages, these are quilt nicely planned with three rooms of a fit of aberration decorated the walls and furnishings of his shop with rotten each floor with buttery and closets, and eggs some time last summer. are furnished with electric lights. For these cottages the employes have to pay a rent of \$5 a month, which includes the light. Many are still living in tents, while others are building for them-selves, the company furnishing the ma-The hearing of the case of Moses Reese, charged with fornication, was held before Justice Knowles today. After hearing the testimony and arguterial and waiting a year for their pay Very good water is brought from ments the justice bound Reese over to the district court in \$100 bonds, springs up the canyon. All appear-ances indicate a permanent and good camp. The company has a large, well stocked store and a large boarding house. The product of the mine makes the best of coke, said to equal the product from Pennsylvania. As it be

State Fish and Game Commissioner John Sharp arrived in Logan today with 50,000 young trout, propagated at the state hatchery, for distribution in the streams of this county. The fish are between one and two inches in length. Assisted by the Cache county fish and game warden, H. H. Peterson, Jr., Commissioner Sharp will distribute the consignment as follows: Logan river, west of the city, 10,000; Logan river, wouth of the city, 5,000; Black-smith's Fork river, 15,000; Little Bear, or Muddy river, 20,000. etter known the demand for it will inrease Joseph Sharp, son of the late Bishop John Sharp, is the mine superintendent. Q*ite a number of people from Cleve-land, Wellington, Scofield and other

POSTOFFICE NEEDED.

The people have been patiently hop-ing for the establishment of a postoffice. petition was sent in some months since, and promises were made, but since, and promises were made, but it stopped at that. There is an urgent need for a postoffice and daily postal service. The mail here is now handled in a haphazard manner, being dumped in a box and every one helping himself This is an outrage when it is consid-

ered that there are now at least 500 peo-ple here to get their mail. Sunnyside is in Whitmore canyon in Carbon county, Utah, about 18 miles from Mound's Station on the R. G. W. Just up the Whitmore canyon beyond the town are great deposits of asphalt, that with the rairoad to this point could be handled with profit. Just think of a mountain of "Black Jack

chewing gum." These deposits extend from four to twelve miles above here, up the canyou.

LEHI.

THE SUGAR INDUSTRY. Distributing Pipe for Pumping Station-Beet Planting in Full Swing.

Special Correspondence.

Lehi, Utah Co., April 17.-This after-noon a special Rio Grande Western engine and crew, together with Superin tendents Austin and Vallez will distri bute twelve carloads of pipe, which when laid, will reach a distance of size miles. They will commence at the Bingham Junction plant and work toward the central factory at Lehi. Contracts are being let for excavating the trench for the pipe line and in the course of a little time die Bingham Junction auxiliary pumping station will be connected with the main factory

at Lehi. at Lehi. Up to date there has been planted over 3,500 acres of beets in Salt Lake and Ulah counties, and they are now being planted at the rate of 500 acres per day, so by Saturday night next fully seventy-five per cent of the beets will have been planted. Messra, Rhodes and Anderson, the Utah Sugar corapany's representatives in Sanpete and Sevier counties, have nine seeders busi-Sevier counties, have blue seeders busi-ly engaged in those districts rushing the planting through. six rounds TERRY IS DISAPPOINTED.

A Chicago dispatch today says: Terry McGovern, who was unable to put out Temmy White in a six-round bout last

A decree of divorce was also given to Alice S. Lundberg from her husband, Gustave Lundberg. Defendant did not Rippeto, and he is working hard on it. Among those who will figure in the night, said: I am disappointed in not getting a ertain before the contest. I give White SCHIFFMAN AGAIN HEARD FROM.

Almong those who will hgdre in the scheme are Brig Smith, Lou Iverson, Fred May, F. E. Schefski, Utah's State handleaper), Frank Barker, Billy San-ders and A. P. Senior. The team will Sweat & Scule Attorneys. all the credit in the world for staying the limit, as I had fully counted on putbe known as the "Automobiles."

the limit, as I had runly counted on put-ting him away. I gave away ten pounds to meet him, and, of course, the weight counted in his favor. I thought I had him going in the first round, but his clinching kept me from doing my most effective work. White was con-stantly gatting in and hugeing and Upon the arrival here of Dike Waller, Hoss Howmab and Dan Taylor from Omaha the line up of the Short Line team will be completed JackChurch, who stantly getting in and huggin had my neck in many s tight so He persisted in holding on and h team last season is already here. It is understood that Dike Waller will be stood up all the time for clean hitting there is no doubt but that I would have captain of the aggregation. put him away. I am willing to meet him again, and at any time or place." Tommy White said: "Terry is an awful hard fighter and ciub are again seeking to make ar-rangements with the Saltair manage-

never lets up. In the first three rounds I fought purely on the defensive, and kept McGovern off as much as possible. After a rest I am perfectly willing to meet him egain." Hymn, owned by Dan Connell of Butte, and the Evans boys Dins Waits. The race will be fore a quarter of a mile of sale.

Road Race Postponed.

Owing to the fact that the rouds are still in a very bad condition the ters of the messenger buys' roa have deemed it advisable to point again. Unless something unit transpires the race will take place the 20th.

Wrong to Hold Boxing Matches.

New York, April 17 .- President York of the police board, came out op-day in starting the policy of the to refuse to grant licenses for pu of bushless. Sait Lake City, Utah. Notice is hereby given that as a meeting of the board of directors of the Lower Manmath Mining Co., beid on Monday, the 6th day of April. 1960, as assessment of the direction of April. 1960, as assessment of the direction of the company, parable to the societary, at his office, Roam 200 Atas files, soit Lake City, 1 rad, at once, and before the 12th day of May, 1980. "The board's position is this." David McCulloch, a young man of the (sold

he. "If it is wrong to hold a match on Sept. 1, it is wrong to one to be held on the 1st of Ma, the repeal of the Herton law the considers that it would be viola spirit of the law and public issue a permit for the holding boxing match."

How to Lead a Bicycle.

manifestion and the set of the sale at the set of the section and antices payment is made force, will be writed on the list day of May, it, to may the definition as easing the second sector with costs of a devirthing and expension of sale. SAMUEL 3, PAUL, Service, Sale take Urr, Uab. Some lead a wheel by one hanile-bar but it is obviously impossible to guide it properly in this way. DA RUCH, G. PAUL, Se MARL, Se Mark, Cash Datod Salv Lake City, Ucah, April 9th, 1909 First publication, April 11, 1998.

The correct method, however, is vant different from these. The should be grasped by the cente-handle-bar, with the fingers turn and vidided around the head-post erson as way of leading keeps the rufurther away from the body, so tively. Very little damage has been done to to interfere with walking by it, the same time guides it most eaone wants to lead an idle when riding (though it takes an expeto do this safely) this is the or in which it can be done. Instan it swerves too close or too far, th wheel is lifted from the ground, idle bicycle immediately recours it balance.-Harper's Bazar.
