

COUNCIL ACCEPTS BIDS FOR BONDS

Woodin, McNear & Moore of Chicago Will Furnish Cash For Improvements.

FIRST INSTALLMENTS OCT. 1

Then the City Will Receive \$200,000 On Water and \$125,000 on The Sewer Issues.

For the purpose of legalizing the acceptance of the award of the contract for the city's \$600,000 bond issue to Woodin, McNear & Moore, of Chicago, the city council last night in special session and passed an ordinance accepting the bid of the company named. A resolution was adopted Tuesday evening accepting the bid, but this was rescinded and another more carefully worded was adopted last night prior to the passage of the ordinance. All the steps leading up to the awarding of the contract were gone over so that no flaw might be found in the record. The bonds will be sold at the rate of 14 per cent, which is 4 per cent less than the price advertised. The first installment of the bond money will be due Oct. 1, when the city will receive \$200,000 on the water issue and \$125,000 on account of the sewer bond issue. The second installment of water bonds will be due Jan. 1, 1909, when \$150,000 will be received. The last installment of water bonds, amounting to \$125,000, will be delivered and money paid over April 21, 1909.

MARTIN PAINED.

The council granted a petition presented by Max Daniels, who is constructing a theater at 225 south State street, to excavate underneath the sidewalk in front of the proposed structure. The petition was presented by Councilman Martin, who is also architect for the new theater. When the matter came up, some of the councilmen protested vigorously against such an "outrageous request," that it be not granted. Councilman Martin began to look around with surprise when a suppressed titter from several quarters showed he was being "granted." The request was then granted with the stipulation that no advertisements appear on the fence around the excavation.

The council adjourned until Tuesday evening next, as Monday is Labor day.

ANOTHER CANDIDATE

Benner C. Smith is Now Talked of in Salt Lake for Congressional Nomination.

That Joseph Howell will not go in to the Republican convention as the only Republican candidate for Congress, except Parley P. Christensen is almost a certainty of today's developments. Republicans who have been holding meetings in Salt Lake, count of an unofficial character have decided upon Benner C. Smith as a suitable candidate to oppose Congressman Howell, who is expected to start a campaign for him. Mr. Smith was a member of the last state senate and is generally stood with President and Senator Stephen H. Love, and Senators Lawrence and Park, on measures before that body. By the official Republican organ this group of "the squad" upon the occasion of their going to confirm the appointment of Harry S. Joseph to be a member of the State Industrial school board.

A BURNED CHILD

Dreads the fire, the dread is whole some, but not the burn. That one be healed and instantly relieved by applying "Burns Relief." Be prepared for accidents by keeping it always in the house. Best for sprains, bruises, cuts, scalds, rheumatism, neuralgia, bunions—any and all aches and pains. Price, 25c. 50c and \$1.00. For sale by C. M. J. Drug Co., 12 and 14 South Main Street.

PETITION TO PARK STREETS

At a meeting of the engineering committee of the city council held Thursday evening, a petition was received from residents along the streets running north and south parallel to Sixth street south from Brigham to 24th street, asking that the city place the center of the streets similar to the one now in place on Sixth East. The 24-foot roadway on either side as the streets are 72 feet wide between curbs. Residents along Third, Fourth and Fifth East streets all want the same thing. The matter went over for further consideration.

Your Children Nature Lasts

Every pair absolutely guaranteed. Will outwear two pairs of the other kind. We are showing fall footwear for men, women and children.

COOKING CLASS FOR HIGH SCHOOL

Board of Education Decides to Teach the Embryo Housewife Domestic Science.

TEACHERS FOR CURRENT YEAR

Superintendent Announces Assignments at Twenty-Six Schools Throughout the City.

Upon recommendation of City Supt. D. H. Christensen, the board of education, sitting as a committee of the whole last evening, decided to establish a course of cooking in the high school. A room in the Union building, which adjoins the high school, has been secured and this will be fitted up for the cooking class, at an estimated expense of \$750. The total cost for the department the first year will reach \$1,750, according to Supt. Christensen, of which \$1,000 is for the salary of the instructor.

The board also voted to supply the Union building school with desks, supplies, text books, etc., so that a school may be maintained there during the winter. All children sent to the school will be given instruction in the common branches.

The board named Edgar Mitchell to assist D. W. Parrott as supervisor in the manual training department. The assignment of teachers was referred to Supt. Christensen, with power to act. The assignments will be found in another column.

The following teachers were appointed: Blanche Staats, Jean McNeil, Helen Soderberg, Sarah Karriek, Florence Parry, Jessie Hutchinson.

Dr. Price's Wheat Flake Celery Food

Is one of the most important of all food products. It is prepared from the whole wheat berry, retaining all the organic salts, which are abundant in the outer layers of the grain, and so indispensable to the needs of the body. Of greater nutrient value than meat and is more easily and more quickly digested.

Such chairs will be obtained as are constructed for the purpose of containing the weary and tent and chairs will be free of all charge.

THIS AD IS FREE.

If You Want a Nanny Goat Don't Phone, Read the "News."

In a local paper yesterday there appeared a highly colored romance relating how one L. R. Ensign has given up all hope of a tranquil future because

STORAGE RESERVOIRS

City Engineer Kelsey Says Brighton Lakes as Source of Water Supply Are Feasible.

City Engineer L. C. Kelsey has returned from a trip to Brighton, where he went to investigate the feasibility of transforming the half dozen lakes owned by the city in that vicinity into storage reservoirs for water. Mr. Kelsey says the project is entirely feasible, and reservoirs can be constructed capable of holding 425,000 gallons of water, which in times of stress, Mr. Kelsey says, would supply the city's need for a month at least. The lakes are situated at the head of the Big Cottonwood, and are fed by perpetual springs. An estimate of the cost of constructing a dam for the outlets, clearing out the lakes and converting them into immense storage reservoirs, will be made by the city engineer, so that any water shortage in the future may be forestalled by providing means for obtaining water from these lakes.

"Regulates the bowels, promotes easy natural movements, cures constipation—Doan's Regulents. Ask your druggist for them. 25 cents a box."

CHOIR AT WANDAMERE.

Prof. Evan Stephens and Famous Corps of Singers Attraction Tonight.

The tabernacle choir, the juvenile chorus and the male chorus of 21 voices, under Prof. Stephens, are holding their annual outing at Wandamere today. A great musical program is being rendered at the resort, consisting of choruses by the juveniles at the pavilion this afternoon, singing by the choir this evening and numbers by the male chorus while sailing the lake aboard the launch. A large representation of all three musical organizations is present at the resort, and all are thoroughly enjoying the unique program.

he cannot find a nanny goat. It appears he made a score of headlines in every probable direction and after making every possible effort to locate a nanny goat was forced finally to bow his head in defeat. Now, if Mr. Ensign read the Salt Lake News he would very possibly have insured his future happiness, because he would have found that J. R. Hamlin, of Kaibab, could furnish him with innumerable goats of both sexes.

Saltair, Labor Day, \$500 prizes.

READING ROOM FOR BLIND.

A public meeting is called for next Wednesday at the free public library to discuss the proposed reading room for the blind, which is to open a week from next Monday, on Sept. 14. All interested in the blind and the effort being made for their benefit, are specially requested by the national association to be present. The meeting is necessary for the work to be discussed. The meeting will be held at 4 p. m. in the board room.

The "pure food law" is designed by the Government to protect the public from injurious ingredients in both foods and drugs. It is beneficial both to the public and to the conscientious manufacturer. Ely's Cream Balm, a successful remedy for cold in the head, nasal catarrh, hay fever, etc., containing no injurious drugs, meets fully the requirements of the new law, and that fact is prominently stated on every package. It contains none of the injurious drugs which are required by the law to be mentioned on the label. Hence you can use it safely.

M. & M.

Excursion to Logan.

September 7th, via O. S. L. Round trip \$2.50. Special train will leave Salt Lake 7:50 a. m., returning to leave Logan at 8:00 p. m. Entertainment at Agricultural College.
