Illinois Republican State Convention Enthusiastically Endorses His Candidacy.

CULLOM FOR RE-ELECTION.

On Tariff Platform Says that No Particular Schedule of Duties Must Be Endless.

Springfield, Ill., Aug. 21.-Treasurer of State-John F. Smulski.

Superintendent of Public Instruction

-Francis G. Blain. Trustees of the State University-Mrs. Carrie S. Alexander, Fred Hatch, Alexander McLain, L. L. Lehman, (short term).

The foregoing ticket was nominated by the Republicans of Illinois today in a convention which was marked by harmony and good feeling.

The presidential boom of Speaker Joseph G. Cannon for 1908, which was launched last week by his own congressional district, was given an enthusi-actic endorsement by today's convention. The mention of Cannon's name brought the convention to its feet and there was enthusiastic cheering. The convention carried out the will of the people of the state, expressed at the primaries a few weeks ago, but a unan-imous endorsement of Senator Shelby M. Cullom for re-election.

Outside the endorsement of Speak-

Cannon for president and Senator Cullom for re-election there was little of general interest in the convention's proceedings. The fight for state treas-urer was the most spirited of the convention, but Mr. Smulski won easily on the second ballot.

The resolutions contain an endorsement of President Roosevelt's admin-islation, of linois sensions and representatives in Congress and of the administration of Gov. Dineen.

THE PLATFORM.

The document opened by proclaiming a new faith by the party of Illinois in the cardinal principles of Republican-ism as expressed in its national plat-Of the tariff, the platform says:

We do not held that any particular schedule of tariff duties must be of endles duration, but, on the contrary, when changing business and industrial conditions shall be benefited by a modification of any existing tariff schedule, the Republican party holds itself ready to make such needed changes. The necessity for such change, however, must not arise from any special interest, but must arise from a fair and candid consideration of all of the busines and industrial interests of the whole country.

Full approval of the legislation of the last session of the national Congress was given, this plank concluded as

Believing as we do, that the interests of the American people are best safeguarded and accelerated by the policies of the Republican party, and icles and the course of administration and that a Republican Congress is essential to the continued successful na-tional administration, we call upon the people of Illinois to see to it that the Republican delegation in Congress from this state shall not be lessened by a

The policy of the national administration was commended and President Roosevelt was characterized "as one of the bravest and most fearless and most just men who ever held the high office of president of the United States."

The course pursued in Congress by Senators S. M. Cullom and A. J. Hopkins and by the Republican represen tatives from Illinois was heartily in-dersed. Of Speaker Cannon the follow-

desire to aid free labor to the highest degree of education, efficiency and hap-plenss are the first principles of the party which has shown its faith by its works for the last 50 years by enactting national and state laws by which larged, wages are greatly increased per diem, hours of labor much decreased and laborers made much more secure from accident. # ROGER C. SULLIVAN HAS NOT RESIGNED

In the Illinois Democratic State Convention He Reigned Supreme.

BRYAN'S NAME WAS CHEERED.

Strongly and Enthusiastically Endorsed for Party Standard Bearer in 1908.

Peoria, Ili., Aug. 21.-The Democratic state convention today made these nominations:

State Senator-L. W. Piotrowski of

Superintendent of Public Instruction Miss Caroline Groute of Pike county. For Trustees of the University of Illinois-Daniel R. Cameron of Chicago, John S. Cunseo of Chicago, Miss Clara Borland of Peorla.

By a vote of 1,038 to 570 the convention placed upon the table the request of William Jennings Bryan for the resignation of Roger C. Sullivan from the national committee. Despite the fact that Mr. Bryan had declared that he did not wish to be endorsed unless Sul-livan was repudiated the convention declared him to be the one and only man capable of leading the Democratic

party to victory in 1908.

The endorsement of Bryan and the tabling of the motion calling for the resignation of Mr. Sullivan came at the lose of a most exciting session of the onvention, in which there were several fights and throughout which confusion reigned supreme.

The committee on resignations deresignation of Sullivan, and the debate followed upon a motion made in the convention by Judge Owen Thompson of Jacksonville, calling for Sullivan's resignation. It had been agreed that each side should have 45 minutes in which to present its side of the case, and Judge Thompson was the first advocate of the cause of Mr. Bryan. He allowed his feeling to carry him somewhat to an extreme, and aroused the hostility of Sullivan's friends by the unsparing manner in which he dwelt upon the last Democratic convention at Springfield.

He strode up and down the platform his face white with wrath and his form shaking with the intensity of his feelings. His caustic criticisms finally lost him the ear of the convention and he might never have been able to conclude his speech if Mr. Sullivan had not per-

sonally requested quiet.
Sullivan, who followed Thompson, and who was the first speaker in his own behalf, declared that the ear of Bryan had been poisoned against him and that the demand for his resigna tion sprang from his personal enemies ding was displayed on both sides a tring the debate and many personslitles of a disagreeable character

were indulged in by various speakers.

The end came on a motion made by ex-Congressman Kern of Belleville that the request for the resignation of Sul-livan be laid on the table. Feeling during the rollcall on this proposition ran very high. The votes of

one delegate from Warren county declared that the vote from that county had been deliberately garbled. When all these difficulties had been straightened out the vote was declared to be as given above.

A large part of the platform deals with state issues. The passage of a state banking law which will prevent robbing of poor depositors is pledged, and revision of the present tariff law is demanded. The use of large cam-paign funds for the "corruption of the is denounced, and the sage of a law preventing contributions to campaign funds by insurance com-

panies is urged.

The recent Congress is denounced for its surrender to the meat trust, rail-ways and the Standard Oil company. The early establishment by the United The eight-hour law and anti-injun

States of postal savings banks is urged. tion law asked from Congress by the laboring men are declared to be desirable and their enactment is urged. Election of senators by the direct

vote of the people is urged.
\*The Bryan resolution is worded as follows:

"For president of the United States in 1908 the Democrats of Illinois, first and last, have but one choice, and that man is W. J. Bryan. In this period of official hypocrisy, political corruption and cowardly surrender of principle to expediency wherever Republicanism holds sway. William J. Bryan towers above all Americans as fittest to lead in the fight to rescue our government from the hands of special interests, and rescue it to all the good people. The Democracy of Illinois early looks forward to 1908 for the nomination and triumphant election of Mr. Bryan for president of the United States. The time calls for the election of a man Bryan's honesty, sincerity and political

philosophy."

The reading of the Bryan resolution called forth terrific applause.

CHICAGO TO ENTERTAIN BRYAN. Chicago, Aug. 21.-Arrangements for the entertalnment of William J. Bryan during his visit to Chicago early next month, includes a reception and funcheon at the Iroquois club and a banquet at the Jefferson club. It is the aim of the entertainment committee to make the latter an event of great political importance. Accommodations for an attendance of from 900 to 1,000 have been provided, and reservations made to date are said to point to a large attendance. Among those to whom invitations to be present and to make addresses have been sent, are: Congressman W. R. Hearst of New York, Senator Robert Taylor of Tennes-
