BURGLARS SENT OVER UTAH LINE

Special Correspondence.

RESTON, Idaho, Nov. 2.—Henderson & Co.'s store at Clifton was broken into Monday night.

Nothing was taken, however, but the housebreakers were frightened out, leaving their skeleton key in the door.

Three suspects were arrested next day by Sheriff Geo. Marshall. One of them had some jewelry in his possession, which no doubt had been stolen out of the store.

They were started for the Utah line, being advised by the sheriff not even to "look back." One of the foot pads made the parting remark, "We'll take your word for it, Mr. Sheriff."

His friend, the young man who was no badly cut in Friday night, is reported by Dr. Cutler to be practically out of danger.

His assistant is not faring so well. He was arrested yesterday for prowl-

ing, and was taken to the hospital. Dr. Douglas came over to look after his case. He waived examination and was held over to appear before the district court.

His bond was fixed at \$2,500, in default of which he remains in the custody of the sheriff.

An extra force of police was put on to keep order on Halloween night, and looking from appearances next morning the town was in a state of order.

What seemed so funny to the boys and girls will turn out rather prosy than damage suits are brought against them.

"Kae," the Japanese, charged with rape, is still in jail, his friends not having raised his bond as yet. It is said, however, that the young man has money in the bank of San Francisco, and is only waiting to pay his own bond.

The public schools are so crowded that another teacher will be added next week. An extra county attorney, Mr. Douglass, came over to look after his case.

He waived examination and was held over to appear before the district court.
