LOCAI AND OTHER MATTERS.

PRESIDENT YOUNG AND PARTY.—The following dispatch, per Deseret Telegraph line was received this morning:

CEDAR CITY, Sept. 18,

The President and party held a meeting on Friday night at Bellvue, a small and new settlement an Ash Creek, 15 miles south of Kanarra. Prest. Young and Wells addressed the saints. The party arrived here at about half-past 5 on Saturday evening, and attended the School of the Prophets. The meeting house was crowded to-day at 10 o'clock, when President Wells, and Elders Burton, B. Young jr. and President Young spoke to the saints, as men called of God only can speak, on the principles of life and salvation. The company started for Parowan at 1 p.m.

PAROWAN, 19.

The President arrived at 3.45, p.m., yesterday, and held a most cheering meeting, commencing at 4.15, p.m. Presidents Young and Wells and Elder Huntington spoke very encouragingly. They left for Beaver this morning at 10 to 8 a.m., and will stay there to-night.

LATER.—A telegram received by President George A. Smith, this afternoon, says the President and company arrived at Beaver at 10 minutes past 3 p.m.

SUNDAY MEETINGS.—In the Tabernacle, in the forenoon, Elder Wilford Woodruff spoke on the future greatness of the Kingdom of God and was followed by President George A. Smith, who discoursed on the principle of religious liberty and upon the nature of the arguments used to convince the Latter-day Saints that they were wrong, such as mobbing and abusing them.

At the afternoon meeting, in the New Tabernacle, Elder Orson Pratt delivered a discourse upon the rise, progress and final destiny of the Latter-day Kingdom and the ultimate fate of all nations that will not repent.

COURTESY.—His Honor Chief Justice McKean, courteously furnished us a copy of the ruling rendered in his Court, this morning, in relation to the Grand Jury case.

FORTIETH ANNIVERSARY.—Brother Orson Pratt stated yesterday that to-day would be the fortieth anniversary of his membership in the church. If all the discourses he has delivered, and all the miles he has traveled in preaching the gospel were summed up the array of figures would be something formidable. Long may he live to continue his labors in the good work.

KILLED.—William Hepburn, a native of Canada, aged twenty-four, was killed on Tuesday, in the mountain west of Carson, at a point about one mile from the Five Mile House, by the falling of a limb of a tree. He was buried at Carson day before yesterday.—*G. H. News, September 16th*

FAIR AT ST. GEORGE.—By telegram to President Geo. A Smith, we learn that the St. George Gardeners' Club and Pomological Society held a fair at that place on the 17th inst. The display of grapes, peaches, home-made raisins, etc., was exceedingly fine. Numbers of visitors from neighboring towns were in attendance.

SHOOTING IN IDAHO.—The Boise City, *Capital Chronicle* of last Wednesday, says that two men, named William Richards and Thomas Wethered, of Dry Creek, quarrelled, last Monday morning, when the former fired twice at the latter, with a Colt's navy pistol, both shots taking effect, the first striking a little above the wrist of the right hand, glancing along to nearly the elbow and then penetrating the body a few inches below the arm pit and passed to the other side of the body, where the ball was extracted. The other shot took effect in the left arm between the elbow and shoulder, completely shattering the bone.

Wethered surrendered himself to the authorities, and was committed to jail in default of $4,000 bail. Richards was very seriously wounded, but it was expected that he would recover.

ELGIN WATCHES!

MANUFACTURED BY

The National Watch Company

All the grades of the Elgin Watches

INCLUDING THE

"LADY ELGIN"

READY FOR

SPRING TRADE.

The company also call the attention of Watch buyers to the fact that the Elgin Watches now offered have an added improvement over all others, in a new

PATENT DUST EXCLUDER

So constructed as to enclose the works, and form a protection against dust, enabling the movement to remain in order without cleaning double the time that a watch will ordinarily run without this protection.

The company feel confident, after having had their Watches three years in market, and selling many thousands of them in all parts of the country, that the Elgin Watches are the best time keepers now offered to the American public.

OVER FIVE HUNDRED DEALERS

In various parts of the land have unreservedly endorsed them. They are in use upon numerous lines of Railway, including the **Union Pacific** and the **Pennsylvania Central**, and officers of these roads, with other prominent R. R. officials, endorse them as the best watches for the use of R. R. employes and travelers yet introduced.

The following are presented as specimens of these testimonials:

TESTIMONIAL.

UNION PACIFIC R.R., OFFICE OF GEN'L SUP'T, OMAHA, Dec. 16, 1869.

Hon. T. M. AVERY, President National Watch Co., Chicago, Ills.

Dear Sir:—During the month that I have carried one of your "B. W. Raymond" Watches it has not failed to keep the time with so much accuracy as to leave nothing to desire in this regard. For accuracy in time keeping, beauty of movement and finish, your Watches Challenge my admiration, and arouse my pride as an American, and I am confident that in all respects they will compete successfully in the markets of the world, with similar manufacturers of older nations. They need only to be known to be appreciated.

Yours most respectfully

C. G. HAMMOND, Gen'l Sup't.

OFFICE OF THE HUDSON RIVER RAIL ROAD, Gen'l Sup't, New York, Jan. 17, 1870.

T. M. AVERY, Esq., President National Watch Co.:

Dear Sir:—The Watch made by your company which I have carried the past two months, has kept excellent time. I have carried it frequently on engines, and have been on the road with it almost daily. During this time it has run uniformly with our standard clock.

Truly yours
J. M. TOUCEY, Gen'l Sup't.

The following dealers also, in various parts of the country, have certified that they consider the Elgin Watches to be all that the company have advertised them, as better finished, more correct and durable, than any in market of similar price, and that they have great confidence in recommending them to the public, on account of their general merit.
