

NO UNIT RULE FOR MASSACHUSETTS.

Geo. Fred Williams and the Hearst People Regard it as a Victory.

ALL FACTIONS ARE HARMONIZED

Olney's Supporters Claim to Have Two Thirds of the Convention.

Boston, April 21.—Before the Democratic state convention to select delegates at large to the national body at St. Louis assembled today, there were indications of a more harmonious session than the leaders previously had expected. The contests between the factions of the party, due to preferences for presidential nominees, were fought out to a considerable extent and disposed of during the night. The state committee was in session until an early hour today, and a spirit manifested in the state committee and the supporters of Mr. Olney in the proceedings, to give the Hearst forces what they termed a fair recognition on the various convention committees, contributed largely to this end.

But of far greater importance in the view of Mr. Williams and the Hearst delegates, was the decision of the committee waiving the adoption of the "unit rule" for the Massachusetts delegation, on the contention of the Hearst faction that a clause in the convention call by which the convention would have the right to control the action of delegates elected in the various congressional districts was illegal. This clause was ordered stricken out on the ground that it had been irregularly inserted. In consequence of these developments in the situation, the Hearst delegates appeared at Tremont temple before the convention in a more conciliatory attitude than has been apparent in several weeks. On the other hand, the Olney men expressed satisfaction at the prospect of controlling the convention. They claimed that at least 600 of the 900 delegates were supporters of Olney. Mr. Williams, the Hearst leader, said that inasmuch as the state committee had decided that the insertion of the unit rule clause in the convention call was illegal, the passage in the convention of any resolution intended to control the actions of the district convention delegates would be absolutely futile. He added that if such action were taken the Hearst delegates chosen at the various district conventions would disregard it entirely and vote at the national convention according to their inclinations.

The names of those which the Olney faction expected to present as candidates for delegates at large are William A. Gaston and Mayor Patrick A. Collins of Boston; Wm. L. Douglas of Brockton, and Congressman John R. Thayer of Worcester. The Hearst ticket consisted of George Fred Williams, Geo. McNeil of Cambridge; Joseph A. Smith, of Worcester, and Charles A. Dean of Wakefield.

Refused Van Dine Clemency.
Springfield, Ill., April 21.—Gov. Yates today refused clemency to Harvey Van Dine, the street car bandit, who is under sentence to be hanged in Chicago tomorrow with the other bandits Nieldemer and Marx.

Receiver for Cash Register Co.
Trenton, N. J., April 21.—Vice Chancellor Bergen today granted application of R. Z. Pierce, a stockholder, appointed Armstrong Milford of Plainfield, N. J., temporary receiver for the Ideal Cash Register company of Easton, Pa. Mr. Pierce says the concern is indebted to him to the extent of \$150,000 and to a Buffalo concern to an amount exceeding \$200,000.

GERMAN EMBASSY.
It Will Be Established at Lenox, Mass., for the Summer.

Washington, April 21.—The German embassy will be established at Lenox, Mass., for the summer and the ambassador will raise the embassy flag there early in June. The ambassador expects to remain there until October. He will return to Washington early in that month to complete arrangements for the unveiling of the statue of Frederick the Great at the army war college here Oct. 2. Baron von Dem Busche, first secretary and counselor of legation, probably will go on leave of absence in October and will take his family to Germany. With the exception of Mr. Scheller, second secretary, the ambassador and the baroness Surook von Sternberg will have the entire embassy staff at Lenox this summer.

It is probable that Sir Henry Mortimer Durrant, the British ambassador, will establish the British embassy also at Lenox for the summer, but he will not leave Washington until late in June. Mr. Raikes, the first secretary, and Mr. Waterlow, the third secretary, will shortly go on leave, and it is probable that both will be transferred. The Russian ambassador and the Countess Casati, with the embassy staff, will transfer the embassy to Bar Harbor, Me., for the entire summer. The French ambassador and Mme. Jussier will spend the summer in France and the embassy probably will be transferred to Manchester-by-the-Sea, with the first secretary in charge. Private advice received at the Italian embassy says that Italian and Signora Mayor Des Planches will return to this country in June and the locality of the embassy for the summer has not been settled upon.

House Proceedings.
Washington, April 21.—Immediately upon convening today the house passed a bill amending the revised statutes relating to the manner of importation of goods into the northwest section of the United States so as to include the Puget sound district within the law pertaining to the size of vessels authorized to import goods.

The following bills also were passed: Ratifying and amending an agreement with the Indians of the Shoshone and Wind River reservation, Wyoming. Establishing regular terms of the great States district and circuit courts in Great Falls, Mont.

The house today passed the canal substitute bill unanimously.

Capt. Healy Arrested.
Chicago, April 21.—Capt. John J. Healy was arrested in this city today upon information from New York charging him with grand larceny. Healy was one of the organizers of the Northern American Trading & Transportation company and was widely known. Capt. A. J. J. Langman of the New York detective bureau is the complainant.

RUSSIA ISSUES PAPER CURRENCY.

Ministry of Finance Explained that It Was an Ordinance and Not a Forced Issue.

DAILY WAR ISSUES \$750,000.

It is Estimated That a Year's Expenditures Will Amount to Two Hundred and Fifty Millions.

St. Petersburg, April 21.—2:25 p. m.—Russia has made a new issue of \$15,000,000 in paper currency against free gold in the state bank. At the ministry of finance it was explained that it was an ordinary issue and in no sense was forced. Under the law paper is issuable to double the amount of gold up to \$150,000,000 in excess of which paper issued must be covered by gold or rubles. In the state bank there are, in round figures \$400,000,000 in gold, which would permit of an issue of \$500,000,000 in paper, but the paper issue at present only amounts to \$350,000,000. All sorts of figures of the cost of the war are printed abroad. The correspondent of the Associated Press is authorized to inform that the daily expenditures are averaging \$750,000 and it is estimated that a year's expenditures for the war will total \$250,000,000. To meet this there existed a free balance of \$50,000,000 which was increased to \$115,000,000 by reductions in the ordinary budgets, leaving ostensibly \$125,000,000 to be found. But a portion of the latter is made up by the increased earnings of the railroads owned by the government. It being in reality a question of bookkeeping, how the balance is to be raised has not yet been determined. No foreign loan has been arranged and none is desired, if it can be avoided, as practically the total of the war expenditures will be raised at home. The ministry of finance believes it may be easy to float an internal loan late in the summer or fall.

Major Minister Avellan has received the following telegram from Gen. Kurapatkin:

"I mentally embrace you, dear Feodorovich, knowing the grief and anxiety you are suffering. The army finds consolation in the firm conviction that our illustrious seamen will retrieve their loss at the expense of the Japanese fleet."

WARNING TO PILOTS. Must Not Assist Japanese Vessels Into Newchwang Waters.

Newchwang, April 21.—An order issued by the Russian military authorities through the commissariat of customs, the Russian pilot of the Newchwang, that any pilot who gave assistance to any Japanese ship in the waters leading to Newchwang would be held responsible to the full extent of martial law. This has been made a subject of inquiry of the authorities by three of the foreign consuls here with regard to the exact meaning of the words "to the full extent of martial law."

To these inquiries the Russian authorities replied that the assisting of Japanese ships in the waters mentioned would subject the offending pilots to the same treatment given Russian subjects and traitors, based upon the fact that the Russian authorities have declared Newchwang to be under martial law.

In their reply to the consuls the authorities affirmed further that on the other hand pilots could be compelled to pilot Japanese vessels or forced to leave Newchwang. The Russian authorities hold that under the existing martial law foreigners are upon the same status as Russian subjects, but the foreign consuls aver that foreign residents of Newchwang who might assist the Japanese can be held responsible for the acts only as belligerents and cannot be regarded as Russian subjects.

The correspondent of the Associated Press secured the approval of this message although at the present time such approval is not necessary.

Ice Fields in Lake Superior.
Duluth, April 21.—C. J. Johnson, who arrived today from the north shore of Lake Superior after a trying trip, reports that the ice field at the head of the lake, extends 50 miles out from Duluth, a condition unprecedented at this time of the year.

Guard Leaves Seoul.
Seoul, Korea, April 21.—5:30 p. m.—Lieut. Douglas C. McDougal of the United States marine corps and 30 privates of the marine guard which has been on duty at the American legation have been ordered to leave. They will sail from Cebu on the United States cruiser Raleigh for Manila.

During their stay here the American marines have been crowded in a small house in the legation compound. The impossibility of housing the men properly during the hot weather, the tranquil conditions prevailing at Seoul at the present time and the presence in the city of a Japanese garrison added to quell any disturbance which might arise, have led the American authorities to decide upon the return of the legation guard.

Russia is Pressing the Porte.
London, April 21.—Russia, says the Constantinople correspondent of the Daily Mail, is putting pressure in the shape of demands in connection with the war indemnities upon the Porte. This action is supposed to be a prelude to a demand for permission for the Black sea fleet to pass through the Dardanelles.

BRITISH ADMIRAL VISITS SALT LAKE.

Sir Cyprian Bridge and Party of Naval Officers En Route To England.

GIVES DIPLOMATIC INTERVIEW.

Former Commander of Oriental Squadron Says Japan Has Done What Was Expected.

A party of distinguished British naval officers arrived in Salt Lake this morning and are registered at the Wilson hotel. They are: Admiral Sir Cyprian Bridge, Grand Cross of the Bath; Secretary F. Harrison Smith, Flag Commander A. W. Craig, Flag Lieutenant D. M. Hamilton and Captain Block, who has recently been promoted from the admiral's dispatch vessel Alacrity. Admiral Bridge has been in command of the British fleet in Chinese waters for a number of years, and has just retired from the service because of the great limits of his age, 65 years. During that period he has passed through many exciting incidents in naval warfare, but he is not the sort of man to talk about the things he has accomplished. When seen this morning, he said: "We are merely passing through. We have come from China and are going to London—I, because of retirement, and the others because of promotion and transfers. On my word, I couldn't say a thing about the present trouble in the orient. It would be against ethics. But, as everybody knows, Japan has done as much, in a naval way, as she was expected to do," and with a significant look the admiral made for his room.

The visitors came from San Francisco, arriving early this morning, and will leave tonight for New York, where they will embark at once for England. They all have been officers in Admiral Bridge's fleet. They spent today viewing points of interest, but expressed the keenest disappointment that there was no record of court had been of the instrument and its wonderful qualities while in San Francisco.

SHOCKLEY ASKS NEW TRIAL

Alleges Newly Discovered Evidence and Errors in Former Hearing.

Agts. Wilson and Smith this afternoon filed in the district court a notice of motion for a new trial in the case of the State of Utah vs. James M. Shockley, who was convicted on Saturday last of the murder of Abner L. Gleason. The motion to vacate and set aside the judgment of the court and to grant a new trial of said case is based upon the following grounds, to-wit:

First—That the jury that tried said case received out of court, the evidence other than that resulting from the view of the premises; and that they received out of court, communications, documents and papers referring to said case.

Second—That the jury that tried said case, was guilty of misconduct by which fair and due consideration of the case was prevented.

Third—That the court misdirected the jury in matters of law, that the court erred in its decision of questions of law arising during the course of the trial.

Fourth—That the verdict is contrary to the law.

Fifth—That the verdict is contrary to the evidence.

Sixth—Newly discovered evidence material to the defense which he could not with reasonable diligence have discovered and produced at the trial.

It is probable that Judge Morse on Monday morning will postpone the time of passing sentence upon Shockley and will set a date for hearing arguments on motion for a new trial.

STORM IN WYOMING.

Losses Among the Flocks in Lambing Beds Predicted.

(Special to the "News.")
Cheyenne, Wyo., April 21.—A severe snow storm has been in progress here all day. The snow is wet and heavy, but the weather is not especially cold. However, if the storm continues for a few days there will be some losses among the flocks that are now on the lambing beds, or that are being shorn. The storm is a welcome one in spite of the danger of sheep losses, for the past winter was dry and the range is in poor condition and needs moisture badly.

Amusements.

The Utah State band makes its first public appearance tonight, in the Tabernacle, where it will be assisted by the Tabernacle choir and organ and prominent soloists. The band numbers 38 musicians who have been steadily and faithfully practicing for months under the direction of Prof. Anton Pedersen. As the professor has a splendid reputation as a first class leader and is a thorough musician, and as his men have stood right with him in preparations for this concert, the artistic success of the occasion can hardly be doubted. Then the numbers to be given by the band and the organ together will be looked forward to with anticipation. The Tabernacle ought to hold a large audience, for the new organization deserves a hearty support.

The sensational comedy drama "A Lion's Heart," will be presented tonight and the balance of the week at the Grand theater by the Elieford Stock Co.

CHARGED WITH ASSAULT.

William Canary Says the Camerons Pulled a Ride on Him.

Assistant County Attorney Whitaker today issued a complaint against Dave and Jane Cameron charging them with assault with a deadly weapon with intent to do bodily harm. It is charged that on April 14 the defendants pulled a rifle on William Canary at Showell's ranch in Bingham canyon and threatened to kill him. The complaint will be filed in Justice Lee's court at Bingham, where the preliminary hearing will be held in the near future.

DE MOISEY ARRAIGNED.

Charged With Felony Committed With Kate Boshard.

(Special to the "News.")
Provo, April 21.—Charles DeMoisey, Jr., was arraigned this morning before Justice Noon on the charge of a felony committed with Kate Boshard, a girl 17 years of age at the time of the alleged offense, who gave birth to a child a few days ago. The defendant gave \$500 bonds for his appearance at the preliminary examination, the time for which has not yet been set.

CRIMINAL COURT ARRAIGNMENT DAY.

Six Prisoners Plead Not Guilty to Crimes Ranging from Murder To Larceny.

ABE HUNTER AND JOHN RICE.

Two Men Accused of the Beutler Murder Appear Before Judge Morse Today.

Today was arraignment day in the criminal division of the district court, six prisoners appearing before Judge Morse upon charges of murder, attempting to commit burglary, and grand larceny. Each of the six entered a plea of not guilty to the charge contained in the information filed by the district attorney and all were taken back to the county jail to await further action in their cases. District Attorney Smith represented the state in all the arraignments.

ABE HUNTER AND JOHN RICE.

Abraham Hunter and John Rice were arraigned upon charges of murder in the first degree for the killing of Fred Beutler, an umbrella repairer, in this city on the night of Feb. 25, 1897, and each entered a plea of not guilty to the charge. Attorney J. M. Hamilton, who represented the two men at the preliminary hearing, was not present in court during the arraignment. The information in each case contains three separate counts. The first count charges that the defendant with his hands did choke and strangle Beutler and did stuff pieces of cloth and rags into his mouth and throat, thereby choking him to death. The second count charges that by choking and stuffing rags into the throat of Beutler a hemorrhage of the brain was caused by defendant in some manner unknown to the district attorney.

The crime with which these men are charged remained a mystery to the officials of this county for nearly seven years. Sheriff C. Frank Emery obtained a clue several months ago which resulted in the arrest of both men. A third man by the name of Muncy was implicated in the affair and he was induced to turn state's evidence and make a complete confession of the crime. He is still held in the county jail as a witness for the state against his confederates. The case against the two men will be set for trial at an early date.

SAM GRICE AGAIN.

Samuel Grice entered a plea of not guilty to the charge of attempting to commit burglary. It is charged in the information that Grice attempted to burglarize the saloon of M. A. Brandt at 302 south West Temple street, on the night of April 1.

A similar plea was entered by Lucile Barton, known as "Big Lucile," to the charge of grand larceny. The information charges that, on March 6, the defendant stole \$440 in cash, a gold watch and chain valued at \$50, a diamond ring valued at \$15 and an opal ring valued at \$12 from Frank Adair.

Grand larceny is the charge to which C. A. Larson entered a plea of not guilty. Larson, on March 20, stole \$90 from Charles Dahl. Carl Wray was arraigned on the charge of attempting to commit burglary and entered a plea of not guilty to the charge. The information charges that the defendant on the night of Feb. 28, attempted to burglarize the carriage shop of J. P. Fowler at 53 south West Temple street.

W. J. Haley Gets Divorce.

Judge Morse today granted W. J. Haley a divorce from Mabel G. Haley on the ground of desertion. They were married in this city on April 20, 1892, and the defendant deserted his wife the following September.

BERTHA WANTS FREEDOM.

Mrs. White Brings Action for Divorce Against Her Husband Park.

Bertha White today filed suit for divorce in the district court against Park White on the grounds of desertion and failure to support. It is alleged in the complaint that they were married in this city on July 25, 1902, and that defendant deserted plaintiff on Jan. 13, 1903, and ever since has failed to support her. Plaintiff also asks the custody of their minor child.

Verdict for Defendant.

The case of the California Mining company vs. the Traveler's Insurance company, which was on trial in the federal court, came to an end last evening when Judge Marshall instructed the jury to return a verdict for the defendant. The court decided that sufficient cause had not been proven. The action was to recover on an insurance policy.
