## LOCAL AND OTHER MATTERS.

**THEATRE.**—The last night of the Berger family full house was drawn together. The performances were as entertaining and the enthusiasm was as hoarse as ever. It is possible as on any previous evening of the appearance of the company.

Tomorrow (Saturday) evening the local dramatic company will appear in the powerful five act drama of "The Gaiety." Mr. Thorne assuming the character of "Captain Willoughby" and Miss Jarrett, "Margaret" that of "Jack Salpe." Mr. Graham that of "Trigo." Mr. Morgan that of "Trumbo." Carlo Center that of "Polly," and Miss Adams those of "Margaret Armitage" and "Alice Armitage." A song and dance by Mr. Lorraine concludes the entertainment.

On Monday Mr. and Mrs. F. M. Bates commence another engagement.

**THE LAKE EXCURSION.**—Present indications promise beautiful weather to-morrow, and, doubtless, the excursionists by the lake steamer City of Corinne will have a fine time. We understand the full number to which the party is limited has nearly been made up.

**ANOTHER CARD.**—The appended communication explains itself. Such explanations serve further to show the miserable, dishonest manner in which the instigators, promoters and canvassers of the petition, and persons generally of their class endeavor to carry out their designs looking to the detriment of a people who never injured them. Happily, however, those who make the money covering of lies their refuge, and almost invariably brought to shame by the exposure of their unmitigated meanness, and they accomplish their own discomfiture instead of that of those they desire to be their victims.

SALT LAKE CITY, May 17, 1872.

**Editor Deseret News.**

My attention has been called to a petition published in your issue of the 15th, which purports to be signed by my wife among a large number of other ladies. Mrs. L. desires me to say that she never signed it, nor authorized any one else to sign her name to that or any other petition in this Territory. She was called upon during my absence East last winter, by the parties having charge of the circulation of the petition. She told them she had no interest in it, and that it would not meet my approbation.

I came here to mind my own business, and, believing as I conscientiously do, that it is not the business of comparatively new comers (like myself) to set themselves up as lords of a land subdued, cultivated and owned by others; and, furthermore, not desiring to mingle in politics at all, I refused to sign a petition in favor of the retention of Judge McKean, and I do not want myself or family misrepresented in this matter. Yours, etc.,

JOHN W. LOWELL.

Since the card was handed to me Mr. and Mrs. Lowell have called on us personally, and the lady states most emphatically that she neither signed the petition herself nor did she authorize any one else to attach her name to it. Both the lady and gentleman in question are very desirous of not appearing before the public in a false light. They entertain no feeling against me, and the "Mormons" or any other class of honorable citizens, and have no disposition to interfere with anything which does not concern them.

**MAIL IRREGULARITIES.**—Mr. Edward Fairbanks, of Mill Creek, complains of aggravating irregularities in his receipt per mail of the EVENING NEWS, although he lives so near the city. He can walk here and get his paper a clear day earlier than he frequently receives it by mail, which is not exactly the thing. For instance, last week Thursday he received no News, on Friday he received Wednesday evening's News, on Saturday Thursday evening's, on Sunday Friday evening's, and on Wednesday Monday evening's. The News is dispatched from our office promptly on the evening of publication.

The gentlemanly clerk of the post office will be good enough to properly attend to this and like matters, it will save us and some of our subscribers from considerable annoyance.

**DISTINGUISHED VISITOR.**—C. Delano, Esq., Secretary of the Interior, accompanied by his daughter, and General John McDonald, arrived in town this morning and are staying at the Townsend House. We understand that Mr. Delano purpose remaining over Sunday. We wish himself and party a pleasant time during their visit to the city.

**CALLER.**—Mr. S. McDowell, western agent of the Sibley Manufacturing Co., Seneca Falls, N. Y., called in this morning. He is on the business of the company, who have the exclusive manufacture of the Rotary Steam Fire Engine, and is a very efficient kind of engine and not liable to get out of order.

**A MANIC.**—A maniac, known as "Big Steve," cut some extraordinary capers in the 15th Ward yesterday. He entered the stable of Mr. Funge, curried the horses and went through a variety of antics, such as getting between the hind legs of the animals and trying to lift them up. Mr. Funge sent a person for the officers that he might be taken to charge, but apparently divining Mr. F.'s object, the lunatic made off. An unsuccessful search was made for him, and he was not found till evening. Mr. Binder's family, of the above ward, had been out during the day, and on returning they found "Big Steve" sitting complacently in a bedroom, his appearance there very much frightening the ladies.

Big Steve, we understand, was arrested several months since for attempting to kill a man at Corinne, and having been placed in the hands of the U. S. Marshal was taken to Camp Douglas. He has lately been confined at the county Court House, from whence we do not know how he got loose. He was taken charge of yesterday by the police, and is now confined in the city jail, but will shortly be committed to the care of the county officers.

**CAN GET THEM.**—Those wishing copies of the anti-establishment petition, procured and surreptitiously signed. Petition can now obtain them at this office by purchasing our Semi-Weekly of to-day, which also contains an extensive, entertaining and instructive variety of other matter, including repudiatory cards of various persons who have considered it incumbent upon them to explain certain things concerning the petition. The same interesting articles, with a large amount of other useful matter, will be found in our WEEKLY of next Wednesday. The petition and accompanying are instructive, historical documents. Everybody should have them.

## Correspondence.

HYAM CITY, Cache County, May 16-18, 1872.

**Dear Sir:**—The Female Relief Society of this Ward celebrated the fourth anniversary of their organization, on Thursday the 9th inst., by a public meeting and dinner.

The finances of the Society and the business-like manner of keeping their books, reflect great credit upon both secretary and treasurer.

Since the last report, there has been collected one hundred and seventy-three dollars and thirty-five cents, and this amount has been expended upon the sick, poor, stranger, orphan and forty dollars for the emigration of the poor.

Addresses were delivered by Mrs. C. Allen (president), M. Ward, A. Unsworth, E. Barnum, P. Stanley and

others. Plans were laid for an increased effort for the Emigration.

The Society has two building schools and a millinery establishment, in good working order, and hats and bonnets of a very superior quality are being made. Home manufactures and improvement is the spirit of the times. A hall in the Public Hall (which was very tastefully decorated for the occasion) closed the day's enjoyment.

Yours Truly, S.
